 United Kingdom	@ukgranddad : RT @shameWADA_: @foreignoffice UK (& West on the whole) has responded to the Salisbury incident in the same way they have to every other case where they've flouted international law... with blatant lies, slander and disinformation.	2	3	22-03-18 8:00
 United Kingdom	@ukgranddad : RT @Russ_Warrior: @atheistsceptic: Speculations like "#Russia is responsible" without providing any proofs you mean? It's a Iraq WMD once again, wake up before it's too late. Main producer of Novichok was Uzbekistan and the man who created it published a book with the formula so it's available to everyone. https://t.co/e74b18T2J9	5	7	22-03-18 13:11
 United Kingdom	@ukgranddad : RT @NeilClark86: With no evidence produced that Russia was responsible for the #SkripalPoisonings & not even proven that Novichok was the agent used @ofcom should cancel their review of @RT_com 's broadcast licence. This has been a malicious campaign vs RT waged by Murdoch's NeoCon @thetimes	199	285	23-03-18 8:20
 United Kingdom	@ukgranddad : RT @marcelsardc: The biggest threat to humanity are not the sociopathic criminal politicians – the biggest threat to humanity are the successfully dumbed down masses they govern – #Salisbury The #Skripal hoax gave them the confidence that they can pull out anything – and get away with it. https://t.co/ZURSIZh1qj	102	103	24-03-18 6:06
 United Kingdom	@ukgranddad : RT @ShoebridgeC: When a senior BBC journalist suggests a person who asks him not to jump to #Skripal conclusions is 'a Russian apologist', it should become clear even to its supporters that the UK state broadcaster's much vaunted 'ethos of objective impartiality' is a myth https://t.co/X91c13GLlI	473	508	29-03-18 23:07
