 United Kingdom	<b>@ukgranddad</b> : RT @shameWADA_: @foreignoffice UK (& West on the whole) has responded to the <b>Salisbury</b> incident in the same way they have to every other case where they've flouted international law... with blatant lies, slander and disinformation.	2	3	22-03-18 8:00
 United Kingdom	<b>@ukgranddad</b> : RT @Russ_Warrior: @atheistsceptic Speculations like "#Russia is responsible" without providing any proofs you mean? It's a Iraq WMD once again, wake up before it's too late. Main producer of <b>Novichok</b> was Uzbekistan and the man who created it published a book with the formula so it's available to everyone. <a href="https://t.co/e74b18T2J9">https://t.co/e74b18T2J9</a>	5	7	22-03-18 13:11
 United Kingdom	<b>@ukgranddad</b> : RT @NeilClark66: With no evidence produced that Russia was responsible for the #SkripalPoisonings & not even proven that <b>Novichok</b> was the <b>agent</b> used @ofcom should cancel their review of @RT_com 's broadcast licence. This has been a malicious campaign vs RT waged by Murdoch's NeoCon @thetimes	199	285	23-03-18 8:20
 United Kingdom	<b>@ukgranddad</b> : RT @marcelsardc: The biggest threat to humanity are not the sociopathic criminal politicians – the biggest threat to humanity are the successfully dumbed down masses they govern – #Salisbury The #Skripal hoax gave them the confidence that they can pull out anything – and get away with it. <a href="https://t.co/ZURSIZh1qj">https://t.co/ZURSIZh1qj</a>	102	103	24-03-18 6:06
 United Kingdom	<b>@ukgranddad</b> : RT @ShoebridgeC: When a senior BBC journalist suggests a person who asks him not to jump to #Skripal conclusions is 'a Russian apologist', it should become clear even to its supporters that the UK state broadcaster's much vaunted 'ethos of objective impartiality' is a myth <a href="https://t.co/X91u3GL1">https://t.co/X91u3GL1</a>	473	508	29-03-18 23:07
