MEMORANDUM FOR THE DIRECTOR, FEDERAL BUREAU OF INVESTIGATION  
ATTN: Mr. Arthur Kerns, Intelligence Division

SUBJECT: Request for Information

1. Attached is correspondence which Lt Col Paul T. Fisher, Chief, Security Police, U.S. Air Force Security Service, has requested this Agency to bring to the attention of the Federal Bureau of Investigation. The materials consist of a letter written by one David Christensen, a former U.S. Air Force Security Service member, to a former colleague of Mr. Christensen's who passed it on to the Air Force Security Service. Also enclosed is Lt Col Fisher's cover letter to Mr. James Leer of this Agency. Finally, since the photocopy of Mr. Christensen's handwritten letter is difficult to read, a typewritten copy has been prepared for your convenience.

2. The classification markings on the handwritten letter were applied by the Air Force Security Service. The typewritten version has been classified CONFIDENTIAL HVCCO, the highest level affixed to the handwritten letter.

3. Should you feel it appropriate to disseminate the enclosed materials to any Committee of the Congress, I would ask that you do so only to members or to staffers who have appropriate SI clearances. The information contained in Mr. Christensen's letter that the Air Force Security Service was intercepting [redacted] [redacted] communications at Kirknewton, Scotland during 1963 is correct, as is the assertion that that station monitored communications links between [redacted]

Dear Jim

I am forwarding a letter from a former Security Service member to you. It was furnished to us by the recipient, through his commander, at one of our subordinate units.

After realizing the implications, true or otherwise, we immediately notified our unit commander to turn it over to the OSI in Florida, believing they would contact the Federal Bureau of Investigation, since the writer is a civilian now.

Yesterday, this office was contacted by an OSI agent at Lowry AFB, CO; this agent happens to be an ex-Security Service man. He was instructed by his headquarters to interview the writer of the letter to determine the names of other individuals he had contacted. Apparently Mr. Christensen has a long history of alcoholism, family problems and now wants to see a "cleared psychiatrist" as he attributes all of his problems from Oct 1963, per the OSI agent. In addition, he has indicated to the OSI that he now fears for his life.

I am furnishing this to you as I feel the implication in the letter should best be handled at the national level and that you are in the best position to contact the Bureau. I have no knowledge that OSI has not done this, but in view of the fact the subject was interviewed as a civilian by an AF agent, rather than an FBI agent, leads me to doubt this. In addition, you are in a much better position to determine where the nearest psychiatrist, with access, is located. For your information, we placed the classification markings on the letter.

We were told by Mr. Coombs, the OSI agent at OSI District 14, that the doctor to contact at the VA hospital in Cheyenne, WY is a Dr Sedel, commercial telephone number 778-7550, extension 273.

Warm regards

Nick,

Well after  $13\frac{1}{2}$  years I  
finally found out your  
whereabouts, Dan, its been  
a long time since Kirk met  
you and the time we  
drank on the beach and the  
club. Had to get your address  
from the outfit in Texas.

Nick, whatever happened to  
Sgt Prater? If you know his  
whereabouts please send me his  
address. How in the hell  
have you been doing?

Nick, I had a serious back  
operation. Plus in 74 had my leg  
shattered in over a hundred  
places. Things have really gone  
to hell for me.

I've done checked it out.

you? You remember about  
a month or 6 weeks before I  
left Scotland when I picked  
up a leak mentioning the  
assassination of President Kennedy.

How hard I tried to get it  
sent out, and because of that  
fucking Torrey and Kellogg  
they wouldn't send it to R. S. B.

Since I have learned that the
