

Overview ^

Join us for a discussion on equality, diversity and inclusion at DeepMind with our Inclusion Lead, Sarah Foster, and Bets Equity and Inclusion Systems Strategist, Dr. Salima Bhimani.

This session will be fully interactive with plenty of space for conversation and questions.

During this workshop, Sarah and Salima will share:

- Our approach to equity, diversity and inclusion
- An overview of a systems design view of inclusion
- Insight into our progress to date and ongoing goals
- A chance to explore what inclusion looks like day to day, and actions you can take

Skills: Diversity Awareness Appreciating Diversity Inclusion People Management
