A black jacket is laid out on a grey asphalt surface. The jacket is partially unzipped at the bottom. A yellow evidence tag with the number '501' is attached to the bottom hem. The jacket is positioned between two parallel yellow painted lines on the asphalt. A shadow of the jacket is cast onto the asphalt to its left.

A photograph showing a close-up of a metallic surface, possibly a car's body panel. A yellow tag with the number '506' handwritten in black marker is attached to the surface. To the left of the tag is a yellow triangular marker. A black cable runs across the lower part of the frame. The metal surface has several circular holes and a circular cap. A small metal fastener is visible near the yellow marker.
