## 4. BROKERING ACTIVITIES

Brokering activities – activities carried out by a natural or legal person regarding:

- the negotiation or organisation of transactions involving the export, import or transfer of military goods from a third country to another third country;
- the purchase, sale, export or transfer of military goods which are in that person's ownership from a third country to another third country

During the first quarter of 2017 no brokering licence application has been received.
