

Case 27: Is Obama the Front Man for Rockefeller's Sex Slave Trade?

“Robert M. Gates, at the White House this month, would be the first defense secretary held over by a president of a different party.”-- [Obama Plans to Retain Gates at Defense Department](#)

What Does Appointing Gates as Sec. of Defense Say About Obama?

As former Special Operations Advisor for Directors of CIA, including Robert Gates, I know what the CIA really does, as opposed to what it says it does. Mr. Gates was well aware of the CIA's torture of innocent Americans, including children, in its renamed MKULTRA style programs. For more information see [Case 24A Did Someone Make Money Off of US Torture?](#) I briefed him several times about these programs and begged him to stop them. He refused.

Under Mr. Gates' CIA command responsibility, wars were run in Africa in which children under the age of 16 were forced into being child soldiers, if male, and into sexual slavery, if female.

“Child soldiers... making children kill their own families was a favourite militia tactic.”--

Representative Cynthia McKinney confronted Rumsfeld about Cheney's Halliburton and DynCo. being exposed as running sex slaves. Please watch 8-minute video clip [Congresswoman Cynthia McKinney confronts Rumsfeld and Myers](#) . The US Administration and Pentagon kept awarding those companies contracts.

When I collected intelligence in Iraq in 2004, I found that Iraqi children were being sold into sexual slavery, with both the CIA and Pentagon cooperating it organizing that for the financial benefit of both Bush, Cheney, the Rockefellers, and other members of the Council of Foreign Relations (CFR).

The CIA under Gates was the biggest supplier of sex slaves in the world. Please listen to a radio interview of my speaking in more depth about the CIA sex slave trade at mms://renew.gsradio.net/renew/windows_media/WMHigh/Jun2007%20/fgn997/renew_061407_hr3.wma.

Mr. Gates's appointment to be Secretary of Defense by Bush came after Mr. Gates had proven himself capable in covering up the truth of CIA torture, slave running, and illegal drugs running. For more on CIA drug running please see page 10 of [Case 20 Our Shadow Government--Skull and Bones, Bohemian Club, & CFR](#). For more information about the taxpayer paying the expenses of the CIA while the profits for its criminal activities go into the pockets of the Rockefellers and Skull and Bonesmen, see [Case 18 Cook the Intelligence](#). Gates has enabled the sexual slave trade both as Director of CIA and as Secretary of Defense, the profit going into those same pockets per the CIA's computer.

Had Mr. Gates stopped being for sexual violence against defenseless innocent women and children, there would have been prosecution of high ranking Pentagon officials for the crimes of rape, torture, and murder of unarmed civilians in Iraq and Afghanistan. The Pentagon has a terrible record; it has enabled its soldiers to commit those crimes by not prosecuting them, even if the victims were American women, see [Despite Army's Assurances, Violence at Home](#).

I want to mention one specific case from my experience in Iraq. This was a case of a US soldier knifing a young virgin Iraqi girl in the vagina. I tried to get that case prosecuted; you can read more about that in [Case 24 Did Someone Make Money Off of US Torture?](#). That case occurred while Rumsfeld was Secretary of Defense. But Gates did not change course from Rumsfeld and ensure that the case was prosecuted. Instead, he swept all of Rumsfeld's crimes of authorizing sexual violence under the carpet. That sexual violence has continued with Mr. Gates's approval, as evidenced by the KBR rape cases and KBR still getting Pentagon contracts. See [U.S. Military](#)

[Keeping Secrets About Female Soldiers' 'Suicides'?](#) . It was within Mr. Gates's authority to list any defense contractor as unworthy of being awarded a contract. Yet, in spite of the repeated rape cases and flagrant corruption at KBR, Mr. Gates has not done that. Nor has he stopped the awarding of contracts to Halliburton and DynCo. Be sure to watch the 10-minute video clip [US Troops in Iraq talk about Halliburton & KBR](#) . Also see online the full length [IRAQ FOR SALE](#) documentary.

Mayberry's testimony in Congress revealed that the US Embassy in Baghdad was being built under Bush, Jr.'s command by slave labor. Please watch the 5-minute ["Hearing on US Embassy in Iraq: Mayberry's Opening"](#). Please see [Case 22C Hot Sodas Courtesy of Those Who Built Auschwitz?](#) about the Rockefeller family's history of enslaving people and working them to death. Since I was treated as a slave by the Rockefeller family, this is not distant history, but current affairs, see [Case 25C The Vile Truth of the JFK Assassination](#). Also see [Case 21 Kickbacks on US Concentration Camps--KBR](#), about the concentration camps which the Dept. of Defense under Gates has standing ready to use. Mr. Gates did nothing to expose and prosecute the Defense Contractors responsible for the slavery at the US Embassy. Is that because he is taking orders from the Rockefeller family and they were the primary ones making the money off that slave labor?

Meanwhile trillions of dollars went missing at the Pentagon and Mr. Gates did not investigate and prosecute the corruption. Is that because the Rockefeller family was making a killing off the corruption? If anything, the corruption has gotten worse under Gates, not better. Americans voted for change, not sexual slavery, torture, and corruption. Keeping Gates as Secretary of Defense is a rape of the voter's will.

Obama Fundraises Like a Rockefeller

The Illinois Senator attends a fancy \$28,500-a-person event at the home of Sharon and Jay Rockefeller in Rock Creek Park in Washington, D.C. Tuesday evening.

Obama stood beneath a crystal chandelier and gave a fairly low key speech on familiar themes.

In a VIP reception, Jay Rockefeller said for the first time in more than 40 years "I've met the man, the only person I've really wanted to see as president."

Obama promised to end Washington corruption and the war in Iraq. Why is Obama appointing to office the very same people who were responsible for the outrageous levels of Defense Dept. violence and corruption under Bush? Is he the front man for the Rockefeller-CFR gang to whitewash their operations? Senator Jay Rockefeller is Chairman of the Senate Select Intelligence Committee and prevents effective oversight of the CIA.

Is that why Obama has appointed to the US Treasury the very men responsible for the deregulation which caused the current financial crisis? See the NY Times editorial [Mr. Obama's Economic Advisers](#) . If not, he needs to appoint people with proven track records in fighting Washington corruption, not those who were part of it. Why didn't he make Ralph Nader head of the US Treasury to really uproot the corruption?
