Zio-Nazi atrocities in Novorossia are the ethnical cleansing / mass genocide of the indigenous people — Russians — on the ancestral Russian land, absolutely identical to the Zio-Nazi atrocities in Palestine which are the ethnical cleansing / mass genocide of the indigenous people — Palestinians — on their ancestral land.

Ashkenazi Khazars (93% of the world "Jewry") are fake "Jews." They are the Turks from the Russian great mother, according to their own genetic research. They are not even Semites (half-black-half-white). Khazar-Ashkenazi-pseudo-Jews have nothing to do neither racially nor historically with the authentic, Negroid Jews of the Tanakh / Old Testament of the Tribe of Seth [Set] / Tribe of Judah from the Land of Seth [Set] (Upper Egypt). Their homeland is Turkestan. The land of Palestine and the land of Rus' (Russia) never belonged to them rightfully. Both in Palestine, and in Russia, they were invaders and slave owners.

New Khazaria will NOT happen! The Global Zion of the cyber slave-owners will never come!

CHABAD LEADER, MESSIAH MENACHEM
MENDEL SCHNEERSON ON HIS PLANS TO

DESTROY SLAVS

This speech [a letter sent to the newspaper] of **Menachem Mendel Schneerson**, the **Chabad Leader** and Messiah (the **Lubavitcher Rebbe**), was published in the Vologda newspaper “Slavyanin», N-4 (32), 2001 in Russia.

Following the publication, the court was unable to prosecute its editor, V.F. Popov, under trumped up charges under Article 282, [incitement of national hatred] as he operated on the facts, and several Russian scientists stood up for him, including Academician Y. K. Begunov and Doctor of Law O.G. Korotayev.

This speech was uttered by Menachem Mendel Schneerson in 1994. There is much debate about its authenticity, as once argued about the validity of “The Protocols of the Elders of Zion,” but it is an indisputable fact that almost all the goals, laid out by Schneerson, have been achieved by now. This speech is simply the application of Talmud to Ukraine and Russia. Talmud says: Jews should murder and enslave goyim worldwide. This speech says: Jews should murder and enslave goyim in Ukraine and Russia. Yes, the speech by Menachem Mendel Schneerson is monstrous. For a normal person, it is hard to believe that a religious leader can be a MURDERER, and that the religion can be THE IDEOLOGY OF MURDER. That is why, the text of this essay has every criminal passage from the speech next to the criminal passage from Talmud. The face of the Zionist Messiah also speaks for itself: it is the face of a TERRORIST, full of hatred and menace.

Simeon Haddarsen, fol. 56-D:
"When the Messiah comes every Jew will have
2800 slaves."

Nidrasch Talpioth, p. 225-L:
"Jehovah created the non-Jew in human form
so that the Jew would not have to be served
by beasts. The non-Jew is consequently an
animal in human form, and condemned to
serve the Jew day and night."

1. Our special tactics to combat Slavs is a secret knowledge, because of its exclusivity limited to the god's chosen people. **The main weapon of struggle we will direct against the Slavs**, except for renegades, "married" with the Jews by common interests. True, all these "married to us" will be withdrawn from our society once we use them for our own purposes.

Slavs, and among them Russians – are the most unbending people in the world. Slavs are unbending as a result of their psychological and intellectual abilities, created by many generations of ancestors. It is impossible to alter these genes. **Slav, Russian, can be destroyed, but never conquered. That is why this seed is subject to liquidation, and, at first, a sharp reduction in their numbers.**

Chabad Leader Menachem Mendel Schneerson (the seventh Lubavitcher Rebbe). Dnepropetrovsk in Ukraine is often called the city of the Rebbe. This is where he spent his teenage years.

Sanhedrin 59a:
"Murdering Goyim is like killing a wild animal."

Tosefta. Aboda Zara B, 5:
"If a goy kills a goy or a Jew, he is responsible; but if a Jew kills a goy, he is NOT responsible."

Hilkoth Akum X1:
"Show no mercy to the Goyim."

1. Our methods of conquest will not at all be military, but ideological and economic, with the use of power structures, armed with the most modern types of armament for the physical suppression of revolt with even greater ferocity than it was done in October 1993 with gunning of the Supreme Council of Soviet Russia.

First of all, we will **divide the Slavic nations** (of 300 million, half of them Russians) into the small countries with weak and severed connections. For this, we will use our old method: Divide and conquer. We will try **to pit these countries against each other, and suck them into civil wars for the sake of mutual destruction.**

Chabad Leader Menachem Mendel Schneerson

The Ukrainians would think that they are fighting against the expansionist Russia and struggling for their independence. They will think that they have finally gained their freedom, while they become fully subdued by us.

The same will be thought by Russians, as though they defend their national interests to return their lands, "illegally" taken away from them, and so on.

Seph. Jp., 92, 1:

"God has given the Jews power over the possessions and blood of all nations."

Libbre David 37:

"To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly."

Talmudic Judaism

We will do all of this under the guise of different sovereignties, the struggle for their national ideals. At the same time, we will not give either party any self-determination, based on the national values and traditions.

In this war of fools, the Slavic moronic herd will be weakening itself and strengthening us, the main controllers of the chaos, pretending to stand aside, not only without participating in the bloody events, but also without involvement.

Chabad Leader Menachem Mendel Schneerson

Moreover, we will fully protect ourselves. In the consciousness of the Slavic fools (uninitiated), we will lay such stereotypes of thinking in which the word "anti-Semite" would become the most terrible word. The word "Jew" would be pronounced in a whisper.

Yebhamoth 11b:

"Sexual intercourse with a little girl is permitted if she is three years of age."

Sanhedrin 58b: "If a heathen (Gentile) hits a Jew, the Gentile must be killed. Hitting a Jew is the same as hitting God."

Shabbath 116a (p. 569): "Jews must destroy the books of the Christians"

We will scare the cattle with several court cases (such as the trial of an anti-Semite Ostashvili, followed by his destruction) and other methods (radio, television – frightening movies, such as revenge of the Israeli Mossad super-spies for killing of Jews). We will frighten the cattle so bad that not a single hair will fall from the head of a Jew, while the Slavs will be shot in packs, destroyed by thousands – on the borders, where the Jews do not serve in peacekeeping forces, via terrorist acts, and via criminal and professional killings [such as the acts of terrorist at Beslan school that took hundreds of lives, in the Moscow subway, and so on].

Chabad Leader Menachem Mendel Schneerson

1. Dumb Slavic people do not realize that the worst fascists are those who never and in no place proclaim fascism aloud, but, instead, organize it all supposedly according to the most democratic standards. On the contrary, we will make the very word "fascist" a dirty word.

Sanhedrin 57a:

"When a Jew murders a Gentile ("Cuthean"), there will be no death penalty. What a Jew steals from a Gentile he may keep."

Baba Kamma 37b:

"Gentiles are outside the protection of the law and God has "exposed their money to Israel."

Schulchan Aruch, Choszen Hamiszpat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."

Everyone will be scared that we will stick this label to him. We know very well that nationalism strengthens the nation, making it strong. The slogan of "internationalism" is outdated and no longer works as before. We will replace it with the "universal human values", which is the same thing.

Chabad Leader Menachem Mendel Schneerson

We will not allow any nationalism to evolve. And we will destroy by fire and sword all those nationalist movements that seek to lead people out of our dictate, as it is done in Georgia, Armenia and Serbia. Instead, we will insure the full prosperity of our nationalism – Zionism, and, more precisely: Jewish fascism, which, in its secrecy and power, is super-fascism.

It is not for nothing that in 1975, the UN General Assembly adopted a resolution which defined Zionism as the most blatant “form of racism and racial discrimination”, but repealed this resolution in 1992, because of our triumphant march across the planet. We have made UN a weapon for our goals of seizing power over “all kingdoms and nations.”

Chabad Leader Menachem Mendel Schneerson

1. We will deprive the population of Slavs of their national elite, which is the one that determines the development of events and the progress of the country, and, ultimately, the whole course of history. To do this, we will lower their level of education – in the next 5 years, we will close half of their universities, and it is us who will get educated at the other half.

We will allow the Armenians there, Chechens, Gypsies and others. We will work to ensure that the governments of the Slavic countries would contain as little as possible of the indigenous peoples who will be replaced by our Jewish elite.

Chabad Leader Menachem Mendel Schneerson

In the mass media – radio, television, press, art, literature, theater, cinema – we will gradually push out national staff and replace them with our staff or, in extreme cases, the cosmopolitan staff.

Seph. Jp., 92, 1:

"God has given the Jews power over the possessions and blood of all nations."

2:35

"Only the cattle we took for a prey unto ourselves, and the spoil of the cities which we took."

We will undertake the reform in education, and limit the teaching of subjects that strengthen and systematize the thought process in the left and the right brain hemispheres:

a) Language and Literature, 6) Physics and Mathematics.

Chabad Leader Menachem Mendel Schneerson

As for the history, there is nothing to say. We will give our own history to the cattle, and show that the entire human evolution was moving towards the recognition of the God's chosen nation of Jews to be masters over the entire world.

Rabbi Yitzhak Ginsburg declared: "We have to recognize that Jewish blood and the blood of a goy are not the same thing." (NY Times, June 6, 1989, p.5).

Instead of national values, we will give you a Balalaika patriotism and drunken tears. Our goal is to replace the Slavic elite with our own elite. We will not allow the development of science in Slavic countries. A core of scientists (Academy of Sciences) will consist of our people.

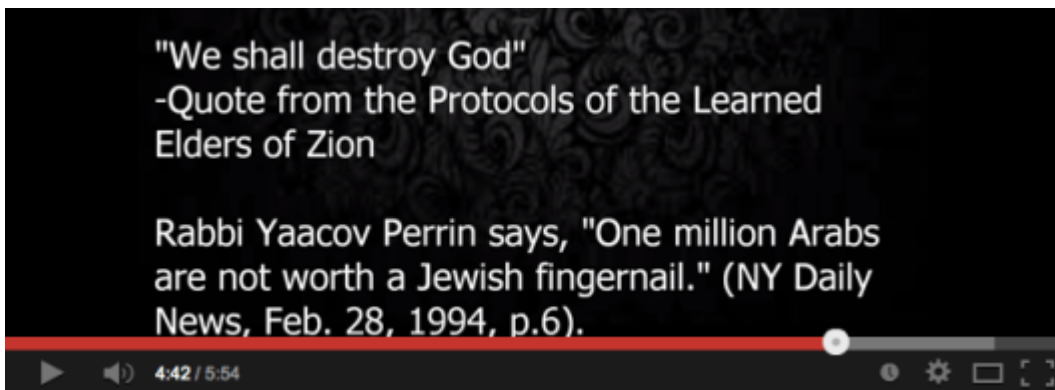

Chabad Leader Menachem Mendel Schneerson

We will not allow any high-tech industries, and this will lead to a complete collapse of the industry. We will restrict it to the production of essential items for a limited contingent of slaves, producing raw materials to us.

There is a lot of engineers, skilled workers and teachers among the citizens. We will create for them such conditions of survival (no jobs, high rent, high cost of utilities, transportation, etc.) that they will run by themselves to the remote villages in the North, where Russians are now fleeing to from the countries of the former Soviet Union. They would think it could be easier for them to live a better life. But, in reality, this will also be a hoax.

Corrupt the youth and make them perverts – and you win the nation! This is our motto. We will deprive your community of young people, degrading it with sex, rock music, violence, alcohol, smoking, drugs, that is, we will deprive your society of the future. We will strike at the family, destroying it, we will reduce a birth rate.

Hitler was a stupid boy. He acted directly and openly. And it was an extremely hard work to do – to burn, shoot, to bury millions, and the like. He left bloody footprints. We act more cleverly: we will leave no traces. Reduce a birth rate at least by half – and you will be killing 2-3 million Russians a year without any physical effort. There is no need for ovens, ammunition, and graves. And there is no traces left. Not born – no one is guilty.

We will create the conditions for life for criminals better than for working cattle. We will be releasing criminals from prisons, so that there will be more murders, robberies, instability. Amnesty will apply only to thieves and murderers — in short, all but those convicted for “inciting ethnic hatred”, which is, in fact, the law against anti-Semitism.

We will sow fear among people. Cattle will fear for their lives, which will be worth nothing. They will fear for the workplace that could be taken away at any moment. They will fear for the future of their ... We shall govern by fear.

5. These grandiose goals will be implemented in several stages. Already 85% of the continental shelf of the Arctic Ocean ended up in our hands, thanks to confusing agreements. signed under Gorbachev and Yeltsin and that are not explained to the people (the general public is not yet aware of it).

Already, half a million Armenians reside in Southern Russia. This is our outpost. At first, for the purpose of deceit, we will declare the Armenian Republic in Kuban. Then, driving away the Cossacks, we will convert it into Khazaria – Israel. What will help us is that the Cossacks are constantly drunk, love power and are ready to fight each other for this power.

However, there is still a structured organization – the Orthodox clergy. We will send there the members of our Jewish clergy, who will become Russian Orthodox Priests. Talmud permits them to perform the rituals of other religions, keeping intact their Judaism deep inside.

We will bribe the rest of them. And we will destroy those who will do not succumb to us. Russians no longer have any more or less organized structures, and cattle cannot unite and establish them, because Russian cattle already became drunkards and got degraded, and is incapable of structuring.

In the last century, the United States purchased Alaska from Russia. In the XXI century, the US will buy the entire Siberia, including the Siberian territory between the Yenisei river to the West and the Pacific Ocean in the East and the border of China, between the Arctic Ocean in the North and Mongolia and North Korea in the south. These lands are two times higher than the territory of the United States. Acre of land will be purchased for as low as \$ 1,000, and for the entire Siberia, the US will pay \$ 3 trillion over 20 years. Annual payments will be \$200 million, half of which will be spent on the purchase of goods in the United States .

Siberians would have to submit to s foreign influence, while the US looks nicer than the Asian neighbors. In the end, Vladivostok is closer to Los Angeles than to Moscow ...

6. For all these activities paramount for us, we will give monarchy to Slavic cattle under the guise of "democratic transition". Everyone in the herd will get a puppet president. And the more glitter, noise, pump, the better! Monarchy is good in that sense that it directs all the energy of the masses into the whistle. Monarch will detract attention of the herd from our secret active work on the structuring of the population according to the system, necessary to us. President is a screen, seemingly elected by a popular vote (and we will forge electoral procedures in such a way that they will seem so that everything would seem legitimate), and we are going to do all our necessary business from behind this screen. The President will be endowed with unlimited powers. Through changes in the top ranks of security agencies, this president will appoint our people to the posts in the security agencies. Army, all the national security agencies, and all sorts of special forces will be directly subordinate to the president. And that means that they will be subordinate to us. We will have in our hands only the strings attached to the hands of the president. And we'll pull these strings in such a way as it is necessary to the implementation of our grandiose plan of conquering all the tribes and kingdoms, their subordination to our superior nation, chosen by God of Israel.

7. But money is most important. Money do everything. Money are power. Money are force. Man with money has weapons, most advanced weapons, and the army of mercenaries. Money owns media, which is fooling the billions of human cattle. Money bribe the people we need. Money eliminate those who do not submit to us. Money bomb those resisting us – Iraqis, Serbs, and, in the future – Russians. Capital and taking power decide everything. We practice our skills in the accumulation of capital and the seizure of power for more than three millennia, and no one will defeat us in this. You [cattle] do not have money. You [cattle] do not have power. And you [cattle] will not ever have money and power. We will not give money and power to you!

We hate you immensely! This hatred gives us strength to smile charmingly in your face. Our hatred gives us strength to win your trust and control you [cattle] under the guise of “care” about you and your children, grandchildren and your great grandchildren who would never be born.

You (herd) are doomed. And until you understand this simple truth, as long as you continue resisting us, you will be beaten more than it is due. If you obey us, there will be 65 – 70 million of you left, otherwise – 40-45 mln.

The main thing for us now is to hold on for at least another 2-3 years. After that, there will be no problems for us in this country (Ukraine and Russia). We will create such protective means that none of you will be able to oppose us. We know and secretly control all that will be. And no one can stop us!

1. World reserves of industrial raw materials are depleted, and by the beginning of the next millennium, "Western society" will not be able to retain its current level of consumption without replenishment from new sources – the colonial countries-donors. Therefore, our aspirations are directed at Russia now with the dual purpose: first – the elimination of the most powerful and independent empire, which occupies one-sixth of the earth. The second is the acquisition of its wealth, which constitute 60-70% of total world reserves of raw materials and 75-80% of open world's oil and gas reserves that are concentrated in Siberia and the continental shelf of the Arctic Ocean.

2. The planet is under intense global warming. The desert is moving northward at a speed of 10 km. per year, dewatering of land is 25 m per year. Already today the ancient centers of the world – Athens, Rome and, most importantly, Jerusalem (Israel) are in a zone of artificial irrigation. In 20 – 30 years, we will have to think about the relocation of the vast masses of civilized nations to the north of their current residence. By that time, the Kuban, in the Rostov region, and Ukraine will have wonderful sub-tropical climate, and the north of Ukraine will have the climate of Caucasus.

Looking back in history, it must be admitted that these lands are the ancient ancestral lands of the Jewish Khazaria, that is Israel, captured by Kiev's Rus' (the ancient state of Russia with the capital in Kiev) in the tenth century. The Slavs are temporary guests on these lands and are subject to eviction. We will return this territory, and build the Great Khazaria – the Jewish state – on these fertile lands the same way as, 50 years ago, we created Israel, squeezing the Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out far to the north, beyond Moscow. There will be a small Northern Territory, a reservation with a compact population – a reservation, like Indian reservations in America.
