## INTRODUCTION

TO BEGIN WITH, ACCORDING TO WHAT A CLOSE FRIEND OF MINE SAID, THAT DEMONS JUST LOVE IT WHEN A PERSON WHO USES A RADIONICS MACHINE, USES IT FOR ACCOMPLISHING TIME TRAVEL. THE REASON FOR THIS HE SAID, WAS DUE TO THE FACT THAT THESE DEVICES OPEN UP A DOORWAY FOR ENTITIES TO COME THROUGH ON. IF THIS SHOULD BE THE CASE, THEN ALL THINGS WHICH WERE MADE, OR EVER WILL BE MADE, IS OF THE DEVIL, AND THIS CAN'T BE FOR THE SIMPLE REASON, WHENEVER YOU TUNE SOMETHING YOUR USING A RADIONICS MACHINE. SO BASICALLY BEFORE ANYTHING CAN BE BUILT OR OPERATED, THE TUNING PRINCIPLE MUST ALWAYS BE USED. THEREFORE IF A CERTAIN DEVICE OR MACHINE DRAWS IN DEMONS, ITS NOT BECAUSE THE DEVICE ITSELF IS PULLING THEM IN, BUT RATHER THE PERSON WHO BUILDS OR USES IT. THIS IS WHY I ALWAYS SUGGEST THAT A PERSON SHOULD PRAY BEFORE BUILDING OR OPERATING ANYTHING WHICH REQUIRES TUNING, OTHERWISE YOU OPEN YOURSELF UP TO THE HORRORS WHICH AWAITS ALL PEOPLE WHO MIS-USE THESE DEVICES. AND THIS MY FRIENDS IS A SERIOUS MATTER!!!

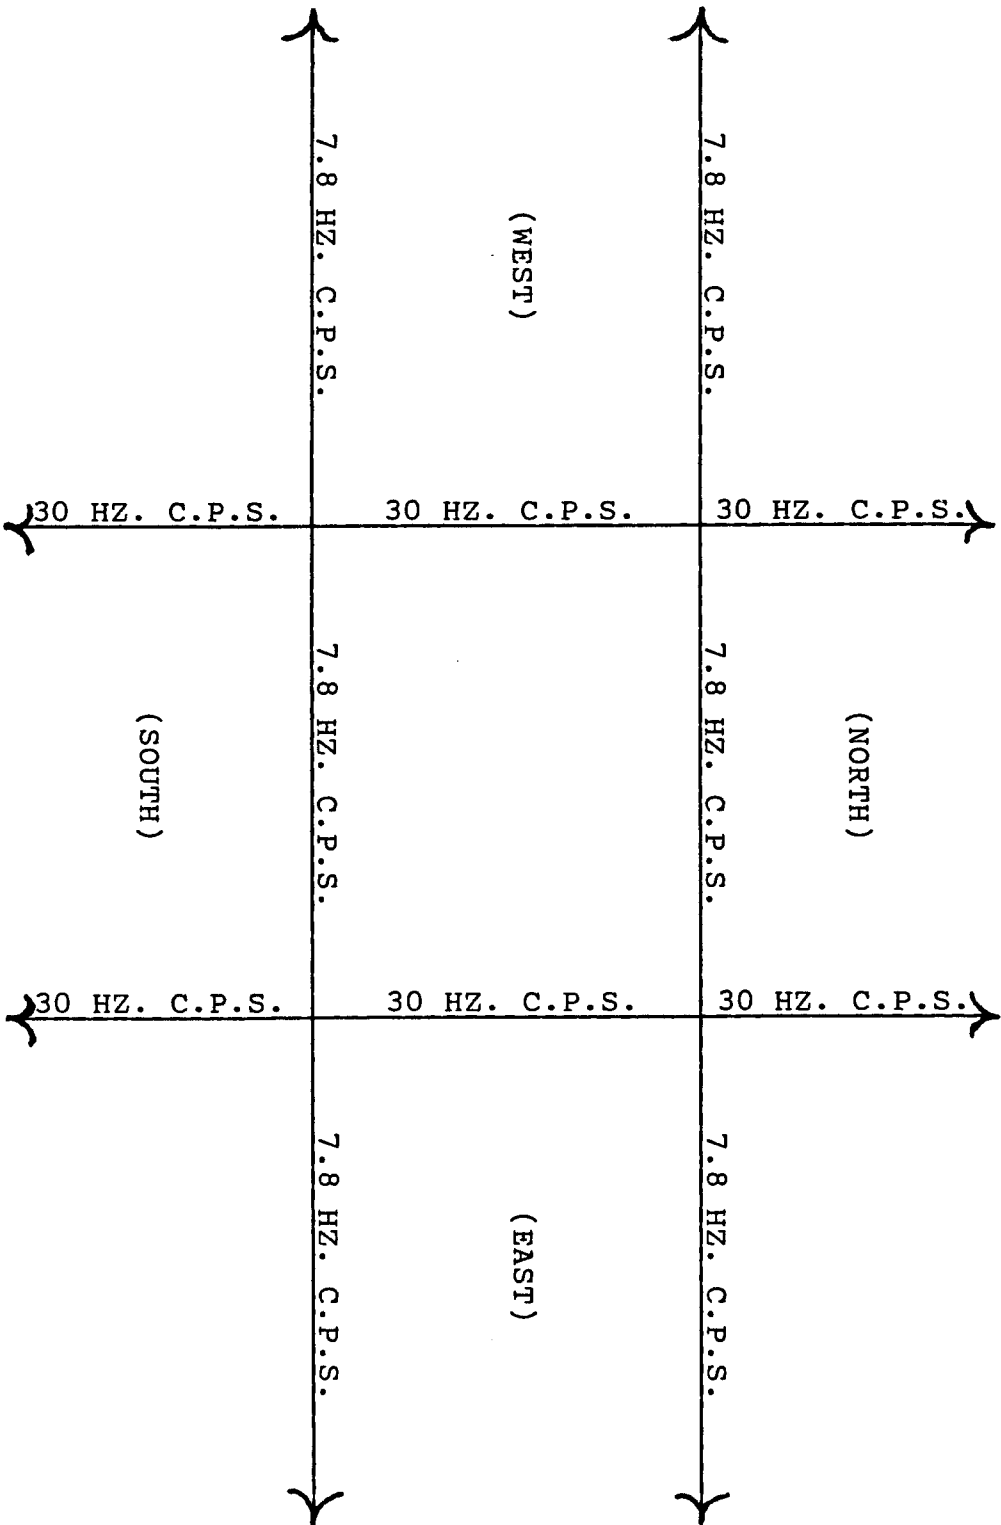

BEFORE WE CAN HAVE A FULL KNOWLEDGE OF WHAT TIME TRAVEL IS AND HOW IT CAN BE ACHIEVED, ONE MUST FIRST UNDERSTAND, THAT THERE ARE MANY DIFFERENT WAYS TO TRAVEL THROUGH TIME. FOR EXAMPLE, THERE IS (SPIRITUAL) TIME TRAVEL WHERE ONE OF THE SPIRITUAL BODY'S IS PROJECTED INTO THE PAST OR FUTURE OF THIS EARTH, (MENTAL) TIME TRAVEL WHERE THE PERSON CAN QUANTUM LEAP INTO ONE OF HIS OTHER DOUBLES IN ANOTHER UNIVERSE, AN (PHYSICAL) TIME TRAVEL WHERE THE MASS OF THE INDIVIDUAL IS TRANSPORTED PHYSICALLY THROUGH TIME.

ALSO, EACH TYPE OF TIME TRAVEL CAN ALSO BE ASSOCIATED WITH A CERTAIN HARMONIC, THUS, (SPIRITUAL) = 144, (MENTAL) = 288, AND (PHYSICAL) = 432. SO BASICALLY, BEFORE ANY TYPE OF CIRCUIT CAN BE BUILT FOR ACCOMPLISHING (SPIRITUAL), (MENTAL), OR (PHYSICAL) TIME TRAVEL, ONE OF THE PREVIOUS HARMONICS SHOULD BE USED, AND THAT'S ALL THERE IS TO IT. BUT THE THING WHICH HAS OFTEN DISTURBED ME AND OTHERS TO DEALS WITH THE FACT, THAT BEFORE PHYSICAL TIME TRAVEL CAN BE ACHIEVED, A MIRROR IMAGE OF THE (432) HARMONIC MUST ALSO BE USED. AND THE MIRROR IMAGE OF (432) IS (234). THEREFORE IF WE ADD (432) TO (234) WE GET:  $432 + 234 = 666$ , AND THIS IS WHAT BOTHERS ME, FOR THIS ANALYTICALLY PROVES THAT TIME IS DIRECTLY RELATED TO THIS NUMBER, BUT ONLY ON THE PHYSICAL PLANE.

NOW IN ORDER TO SHOW WHY THE (234) MIRROR HARMONIC MUST BE USED BEFORE PHYSICAL TIME TRAVEL CAN BE ACHIEVED, CAN CLEARLY BE SEEN ON THE FOLLOWING PAGE. FOR EXAMPLE, THE GRID LINES OR FIELDS WHICH RUN FROM NORTH TO SOUTH, OSCILLATES AT

2/8/93

GRID CHART WITH  
FREQUENCY'S

30 HZ. C.P.S. AND THE GRID LINES OR FIELDS WHICH RUN FROM EAST TO WEST, OSCILLATES AT 7.8 HZ. C.P.S. SO IN OTHER WORDS, IF WE MULTIPLY 30 HZ., TIMES 7.8 HZ., WE GET: HARMONIC (234). SO BASICALLY WHENEVER THE (432) PHYSICAL HARMONIC IS USED IN RELATION TO THE (234) MIRROR HARMONIC, A DOORWAY CAN THEN BE OPENED UP TO A PAST OR FUTURE UNIVERSE.

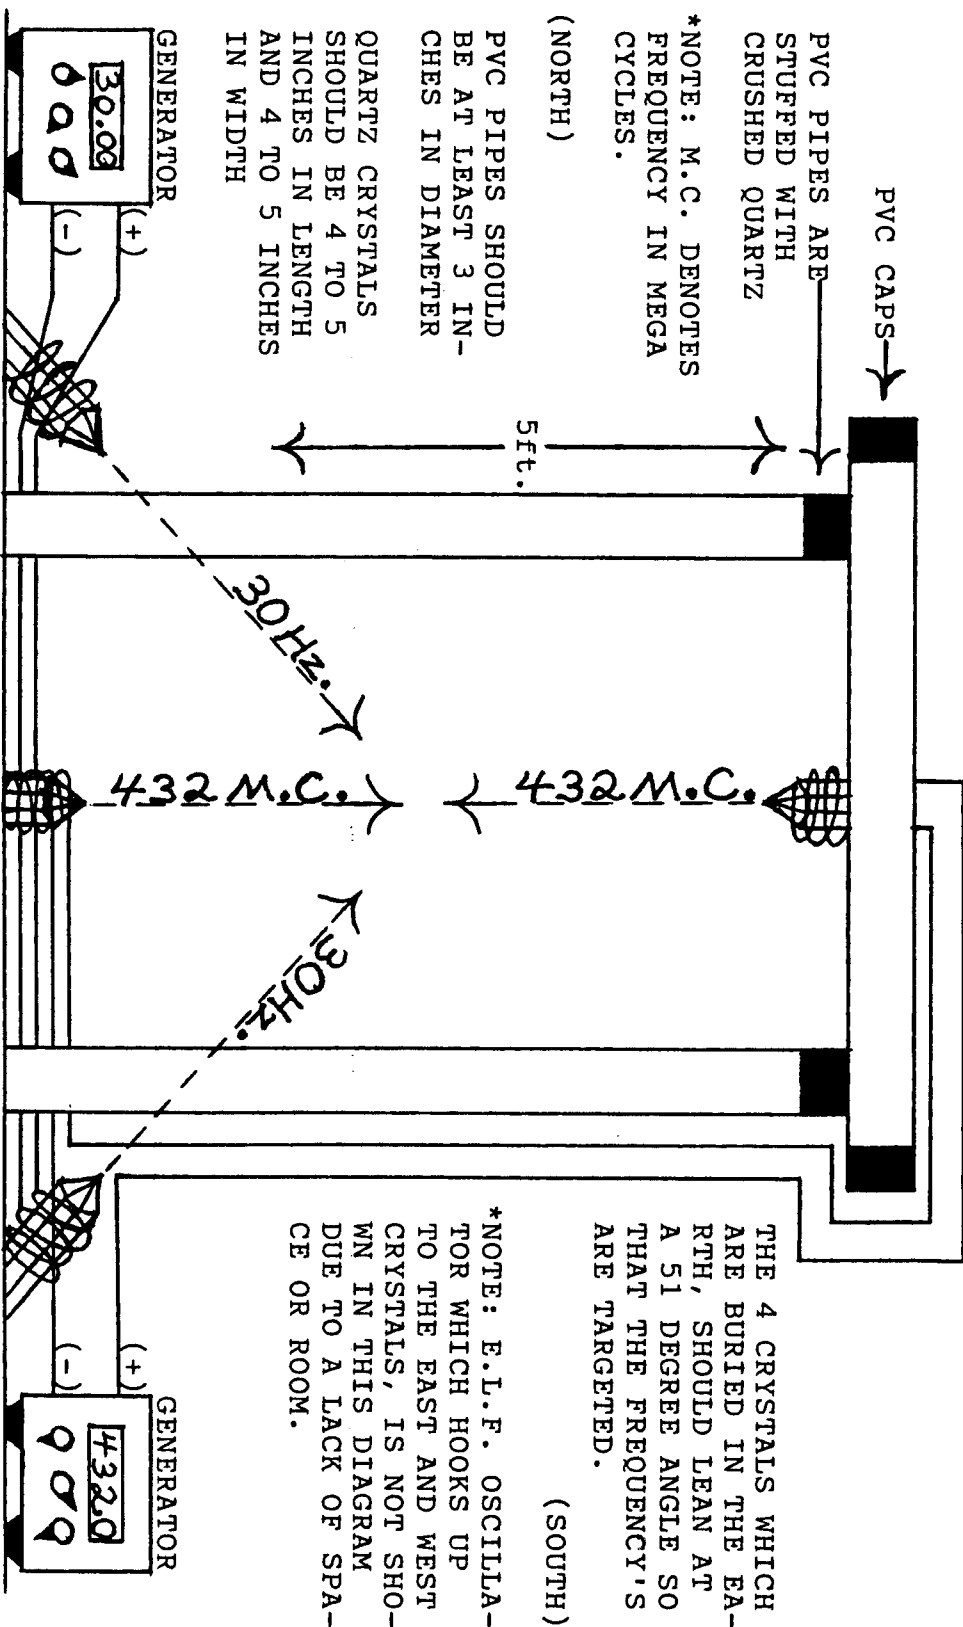

AS WITH ALL PEOPLE YOUR PROBABLY WONDERING, HOW DO WE CREATE A DOORWAY WHICH MAKES USE OF THE PREVIOUS HARMONIC'S? ITS SIMPLE, BY THE USE OF A TIME PORTAL. HOWEVER, SINCE GRID POINTS MAY BE HARD TO FIND, BY TRANSMITTING CERTAIN FREQUENCY'S AT RIGHT ANGLES TO THAT OF THE FIRST, WE CAN ALSO CREATE AN ARTIFICIAL GRID POINT. SEE PAGE (4).

IF YOU WILL NOTE, 2 FUNCTION WAVE GENERATORS AND ONE E.L.F. OSCILLATOR IS HOOKED UP TO 6 SINGLE TERMINATED QUARTZ CRYSTALS, EACH HAVING COILS WRAPPED AROUND THEM. ALSO, THE 2 VERTICAL CRYSTALS WHICH FACE UP AND DOWN, TRANSMIT A 432 MEGA CYCLE FREQUENCY, WHEREAS THE OTHER 4 CRYSTALS WHICH ARE BURIED IN THE EARTH, TRANSMIT THE 30 HZ. AND 7.8 HZ. FREQUENCY. IN OTHER WORDS, EACH SET (HAVING 2 CRYSTALS EACH) TRANSMIT THEIR OWN FREQUENCY. HOWEVER, EACH OF THE CRYSTALS SHOULD ALSO BE AIMED, SO THAT THE FREQUENCY'S BEING TRANSMITTED, HIT THE CENTER OF THE PORTAL. IF THE CRYSTALS BEING USED ARE NOT AIMED CORRECTLY, IT COULD DISRUPT THE FIELDS.

I ALSO FORGOT TO MENTION, THAT WHEN YOU BURY THE FOUR CRYSTALS, MAKE CERTAIN THAT THEY LEAN AT A 51 DEGREE ANGLE. THE REASON FOR THIS ANGLE, IS TO DRAW IN BOTH POSITIVE AND NEGA-

THE ULTRA DIMENSIONAL TIME PORTAL  
WITH FUNCTION WAVE GENERATORS

\*NOTE: THIS DEVICE IS NOT A PLAYTHING. DEMONS, DEVILS, AND EVIL SPIRITS HAVE BEEN KNOWN TO COME THROUGH THESE PORTALS. SO IF YOU FAIL TO PRAY YOU MAY REGRET IT!

TIVE TACYON PARTICLES. TO EXPLAIN, TACYONS ARE SOFT LIGHT PARTICLES, WHICH THROUGH A PROCESS OF POLARIZATION, COME FROM THE ZERO VECTOR. IF ENOUGH OF THESE (TACYONS) ARE FORMED, WE GET WHAT IS KNOWN AS (SPIRITUAL) ENERGY.

AMONG OTHER THINGS, (TACYON) PARTICLES CAN ALSO BE DIVIDED INTO 3 DIFFERENT CATEGORIES, EACH HAVING A (POSITIVE), (NEGATIVE) OR (ZERO) POLARITY. HOWEVER, WHAT MOST PEOPLE DON'T REALIZE IS THE FACT, THAT (POSITIVE) TACYONS ARE TRAVELING INTO THE FUTURE, (NEGATIVE) TACYONS ARE TRAVELING BACK TO THE PAST, AND (ZERO) TACYONS ARE TRAVELING THROUGH ZERO SPACE OR TO PUT IT SIMPLY, TO OTHER DIMENSIONAL REALMS.

ALSO A 4 SIDED PYRAMID WITH A 51 DEGREE SLOPE ANGLE, IS EXCELLENT FOR ILLUSTRATING HOW TACYONS ARE FORMED. SEE PAGE (6). THUS, IN EQUATION FORM THIS PROCESS WOULD BE DESCRIBED AS SUCH. FOR EXAMPLE:-  $(X1, Y1 = E_0)$ .

\*NOTE: IF  $(X1)$  IS FIRE, AND  $(Y1)$  IS ICE, THEN  $(E_0)$  DENOTES (POSITIVE), (NEGATIVE), AND (ZERO) TACYONS.  $(E_0)$  CAN ALSO REPRESENT (PURE ELECTRICITY) WHICH COMES FROM THE ZERO VECTOR FROM WHICH THESE TACYON PARTICLES ARE FORMED. THEREFORE  $(E_0)$  CAN IN A SENSE, REPRESENT THE CREATOR.

SO BASICALLY IF MY EQUATION IS CORRECT, THEN ALL THINGS IN THE UNIVERSE WAS MADE AND FORMED BY PURE ELECTRICITY. IF YOU WILL NOTE, ALL OBJECTS CARRY AN ELECTRICAL CHARGE.

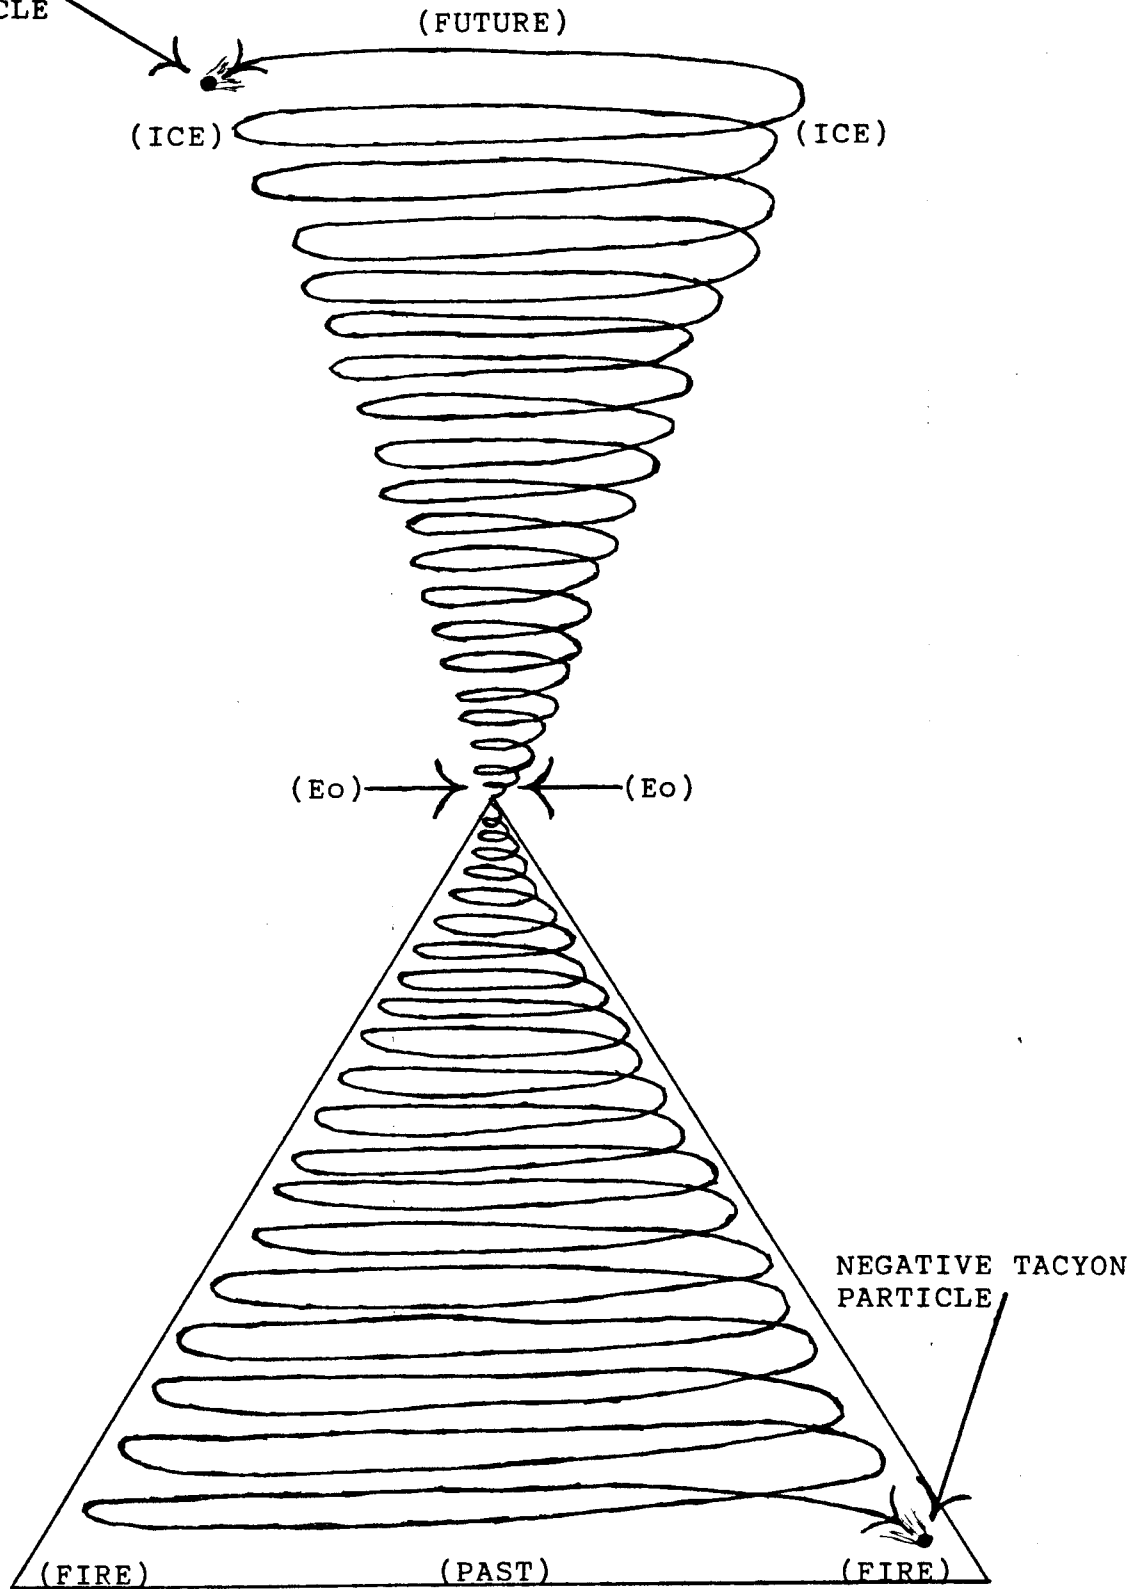

REMEMBER! EVEN DESPITE THE PREVIOUS INFORMATION, THERE ARE SOME THINGS WHICH MAN SHOULD NOT KNOW. THEREFORE WITHOUT FURTHER ADO, THIS TOPIC ON ALCHEMY MUST END.

HOW TACYONS ARE FORMED

(6)

2/11/93

POSITIVE TACYON  
PARTICLE

ACCORDING TO MY EQUATIONS, IF ANY TYPE OF PSIONICS MACHINE IS ACTIVATED OVER A NATURAL OR ARTIFICIAL GRID POINT, PHYSICAL TIME TRAVEL CAN EASILY BE ACHIEVED, PROVIDED OF COURSE, THAT THE UNIT WHICH IS USED HAS BEEN PROPERLY TUNED. HOWEVER, ONE SHOULD KEEP IN MIND, THAT ARTIFICIAL GRID POINTS ARE STILL IN THE EXPERIMENTAL STAGES, BUT IF BUILT CORRECTLY OR BURIED IN THE RIGHT SPOT, THEY CAN BE USED TO ACHIEVE THE LATTER. NOW THE EQUATIONS WHICH I USED TO ARRIVE AT THIS THEORY, ARE GIVEN BELOW. FOR EXAMPLE:-

$$X1, Y1 = \emptyset 1 = 6 \times 36 = 216$$

$$X2, Y2 = \emptyset 2 = 108 + 108 = 216$$

$$\emptyset 1, \emptyset 2 = PT = 216 + 216 = 432$$

$$X3, Y3 = MH = 30 \times 7.8 = 234$$

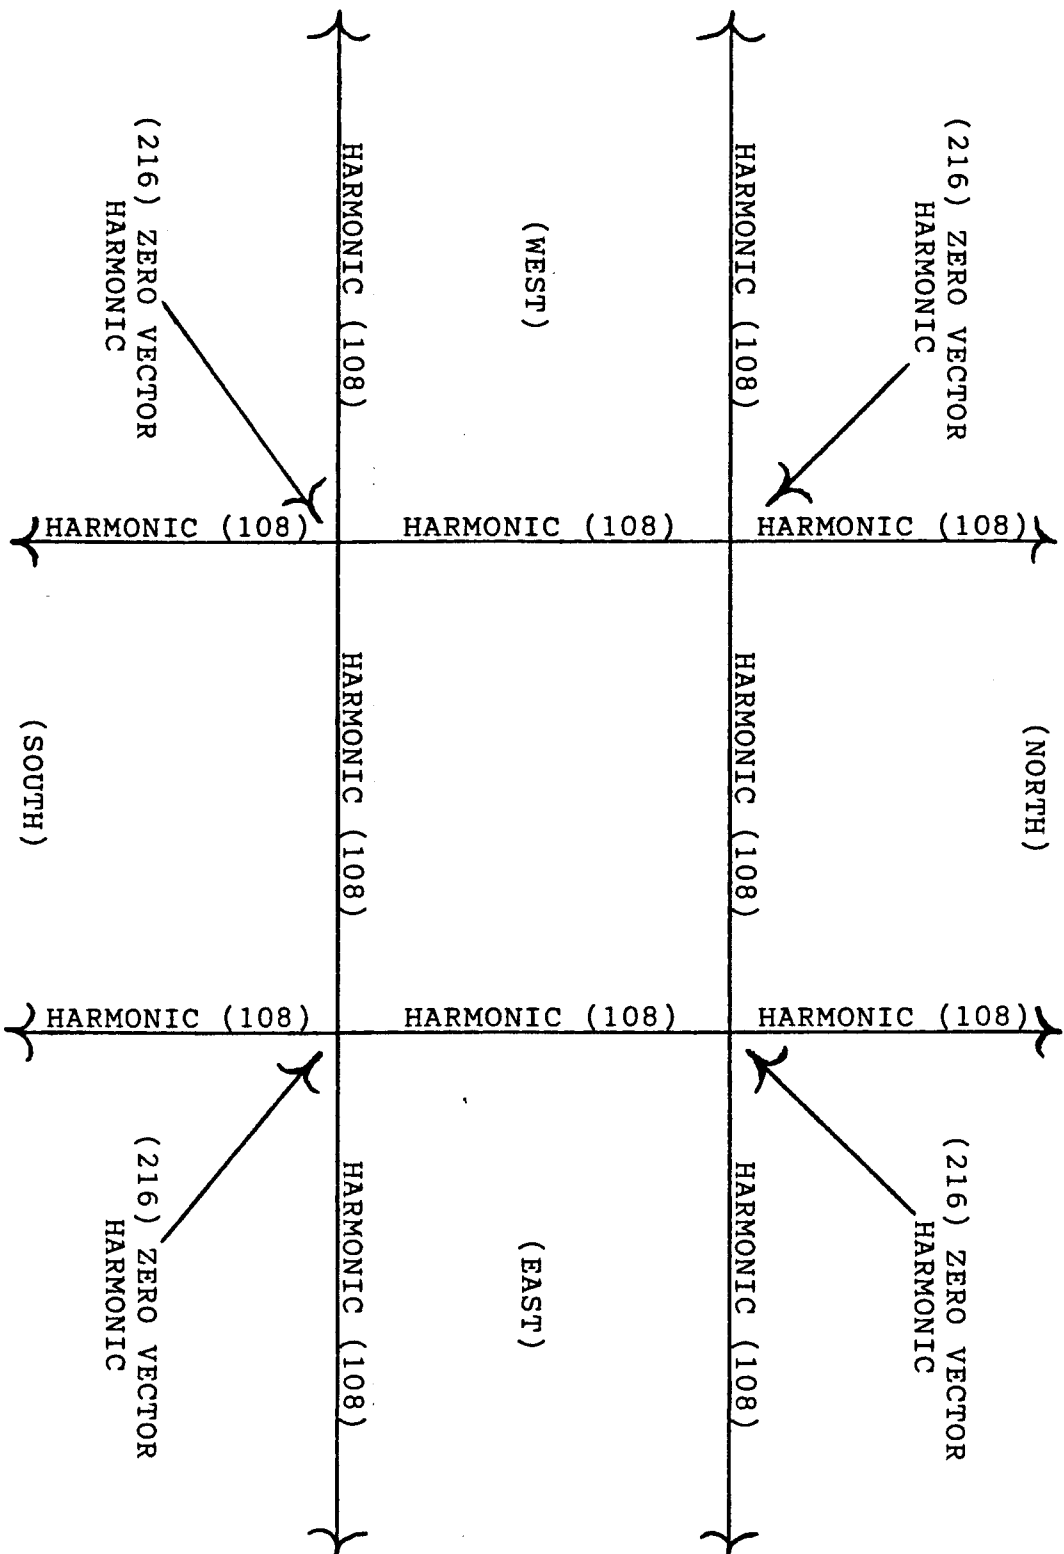

$$PT, MH = T1 = 432 + 234 = 666$$

SO BASICALLY, WHAT MY EQUATIONS STATE, THAT IF ANY TYPE OF PSIONICS MACHINE IS TUNED WHILE USING A RUBBING PLATE, OUR MINDS WILL AUTOMATICALLY LOCK ONTO THE (216) ZERO VECTOR HARMONIC, OR AS SOON AS WE GET THE STICK. AND SINCE GRID POINTS ALSO GENERATE THE (216) ZERO VECTOR HARMONIC, SEE PAGE (8), THEN (216) PLUS (216) WILL GIVE US THE (432) PHYSICAL T.T. HARMONIC. AND ALSO SINCE THE GRID POINT ITSELF GENERATES THE (234) MIRROR IMAGE HARMONIC, (AS STATED IN MY EQUATIONS), WE THEREFORE HAVE THE MEANS FOR TRAVELING PHYSICALLY THROUGH TIME. SO THIS PROVES BEYOND ANY DOUBT, THAT WHAT I SAY IS CORRECT. FOR IF SOMETHING CAN BE PROVEN MATHEMATICALLY, IT CAN EXIST IN FACT. BUT EVEN THEN, NUMBERS ARE ONLY SYMBOLS.

2/21/93

(X2, Y2 = Ø2)

HARMONIC GRID CHART

NOW IN REFERENCE TO PAGE (8) WE WILL FIND, THAT THE HARMONIC OF GRAVITY IS (108). THEREFORE IF THE GRAVITY HARMONIC WHICH RUNS FROM (NORTH) TO (SOUTH), IS ADDED TO THE GRAVITY HARMONIC WHICH RUNS FROM EAST TO WEST, WE GET:  $108 + 108 = 216$ . AND THIS CONFIRMS THE EQUATION  $(X2, Y2 = \emptyset 2)$ .

AS FOR THE GRAVITY FACTOR, I HAVE REASON TO BELIEVE, THAT THIS FUNDAMENTAL OF NATURE IS CAUSED BY THE INTERACTION BETWEEN THE (432) PHYSICAL HARMONIC AND THE (234) MIRROR IMAGE HARMONIC. IN OTHER WORDS, FOR EVERY PHYSICAL OBJECT THERE EXISTS A CONTINUUM OR VORTEX AT RIGHT ANGLES TO THAT OF THE FIRST. SO, WHEN AN OBJECT IN ZERO GRAVITY BEGINS TO ROTATE, THIS VORTEX BEGINS TO EXTEND ITSELF, WHICH IN TURN CREATES A MINIATURE (BLACK HOLE) ON A MULTI-DIMENSIONAL SUBATOMIC LEVEL. THIS IN TURN, CREATES A SUCTION EFFECT WHICH PULLS PHYSICAL MATTER TO THE OBJECT WHICH IS ROTATING IN (ZERO SPACE). SO BASICALLY, IF ENOUGH OF THESE SUBATOMIC (BLACK HOLES) ARE CREATED, WE GET WHAT IS KNOWN AS GRAVITY, AND THIS CONFIRMS MY EQUATION  $(PT, MH = T1)$ . SEE PAGE (10).

IF YOU WILL NOTE, THE FIRST VORTEX IN FIG.1, IS NOT EXTENDED. THEREFORE THERE IS LITTLE OR NO GRAVITY AT ALL. IN FIG.2, THE VORTEX IS EXTENDED, BUT ONLY BECAUSE THE OBJECT IN (ZERO SPACE) IS ROTATING. THIS FORCE IN NATURE HAS LEAD ME TO BELIEVE, THAT THE GRAVITY WHICH IS FELT ON THE MOON, WAS CREATED BY ARTIFICIAL MEANS. SO IN OTHER WORDS, THIS WOULD PROVE TO SOME DEGREE, THAT THE MOON IS A MAN MADE SATELLITE. BUT, AS I HAVE SAID BEFORE, THERE ARE BOUND TO BE SCEPTIC'S.

FIG. 1

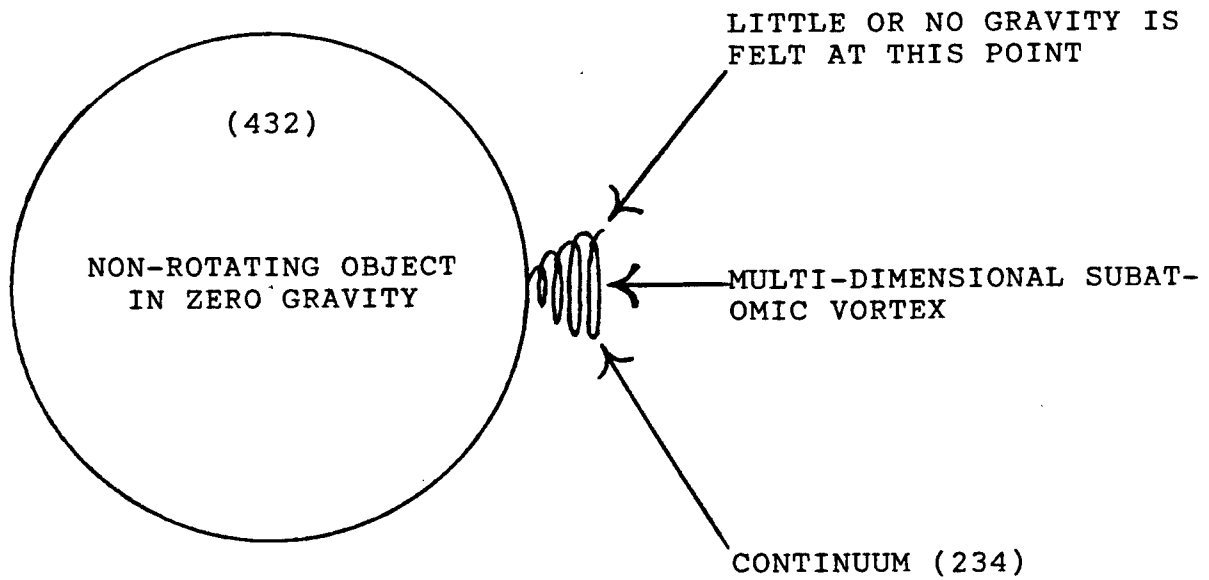

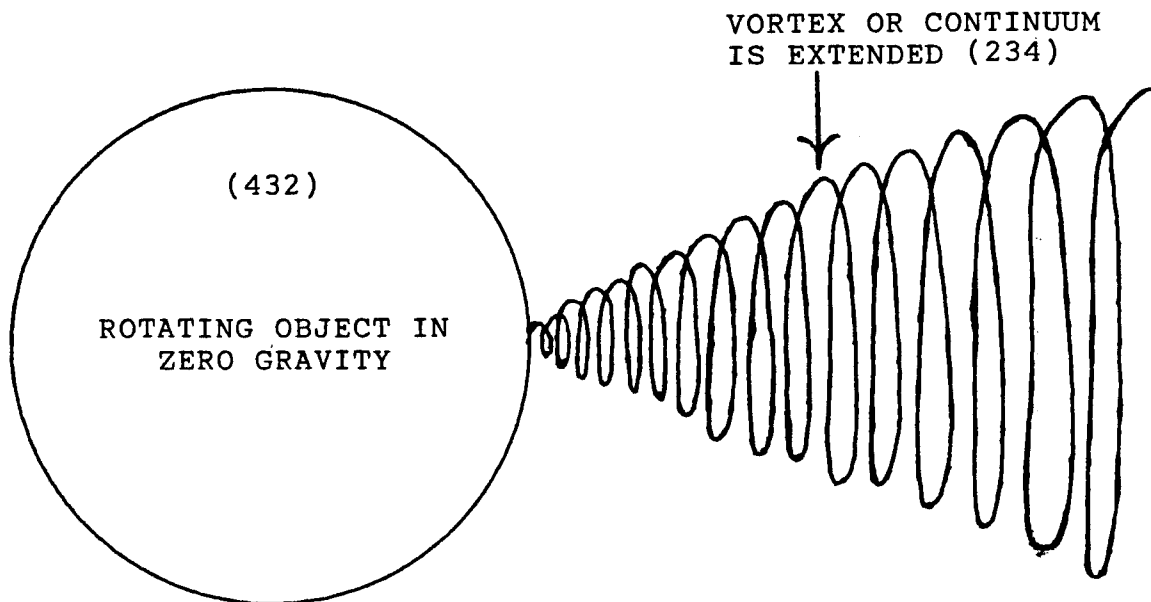

FIG. 2

IT SHOULD ALSO BE ADDED, THAT THE VORTEXS WHICH ARE FORMED IN (FIG.1) AND (FIG.2), ORIGINATE FROM GRID POINTS WHICH SURROUND THE OBJECT. HOWEVER, TO A NONE ROTATING OBJECT IN ZERO GRAVITY, AS SHOWN IN (FIG.1), THE GRID POINTS AREN'T AS STRONG AS THE ONES WHICH ARE FORMED IN (FIG.2).

ANOTHER THEORY WHICH I THINK IS VALID, DEALS WITH THE FACT, THAT EACH (VORTEX) WHICH IS FORMED ON A ROTATING OBJECT LIKE OUR EARTH, IS COMPOSED OF AN INFINITE NUMBER OF (GRAVITON) PARTICLES. AS WITH (TACYON) PARTICLES, THEY ALSO HAVE 3 DIFFERENT POLARITIES, NAMELY (POSITIVE), (NEGATIVE) AND (ZERO). EACH OF THESE GRAVITON PARTICLES WHEN USED IN EQUATION FORM, MAY ALSO BE DESCRIBED AS SUCH:-  $G(+), G(-) = G(o)$ .

THERE ARE MANY DIFFERENT WAYS TO USE THIS EQUATION, FOR EXAMPLE, IF WE WISH TO CREATE A (ZERO) GRAVITON FIELD AROUND A CERTAIN OBJECT, THEN A (POSITIVE) AND (NEGATIVE) GRAVITON FIELD MUST ALSO BE PRESENT. ALSO A (POSITIVE) GRAVITON FIELD CANNOT EXIST WITHOUT THE OTHER TWO.

SO BASICALLY, WHENEVER TWO FIELDS WITH OPPOSITE POLARITIES ARE COMBINED WITH ONE ANOTHER, A THIRD FIELD WITH A POSITIVE, NEGATIVE, OR ZERO POLARITY, IS CREATED AT RIGHT ANGLES TO THAT OF THE FIRST. THIS SAME RULE CAN ALSO BE APPLIED TO ANY PARTICLE OR FIELD WHICH HAS A TANGIBLE REALITY.

\*NOTE:- THERE ARE SOME PARTICLES WHICH DO NOT ACTUALLY EXIST, FOR THE SIMPLE REASON, THEY ARE MERELY A CONCEPTION OF WHAT MAN BELIEVES TO BE A REALITY. FOR WITHOUT BELIEF, NOTHING COULD EXIST OR EVEN BE CREATED.

BELIEVE IT OR NOT, BACK IN THE 1960'S, A WEEKLY TELEVISION SERIES KNOWN AS THE (TIME TUNNEL) WAS REVEALED TO THE PUBLIC ON A NATION WIDE SCALE. BUT WHAT THE PUBLIC DIDN'T REALIZE WAS, THAT THE (TIME TUNNEL) SERIES WAS ACTUALLY A SIMULATED VERSION OF THE (PHOENIX) EXPERIMENT, WHICH AT THE TIME, WAS ALREADY IN PROGRESS. BUT ANYHOW, IN THE EXPERIMENT THESE SCIENTISTS DISCOVERED, THAT WHENEVER A (432) MEGA CYCLE FREQUENCY WAS TRANSMITTED THROUGH SOME COILS WHICH WERE RADIONICALLY TUNED, A DOORWAY COULD THEN BE OPENED UP TO A PAST OR FUTURE UNIVERSE. SEE PAGE (13).

EACH OF THESE COILS I BELIEVE, WAS POSITIONED NEAR A LARGE METAL TUNNEL WHICH HELPED TO FOCUS THE FIELDS IN THE FORM OF A VORTEX. THEREFORE WHEN COILS (1) AN (2) WERE ACTIVATED, THIS IN TURN CREATED A 3RD FIELD WHICH WAS AUTOMATICALLY TUNED TO THE (ZERO VECTOR).

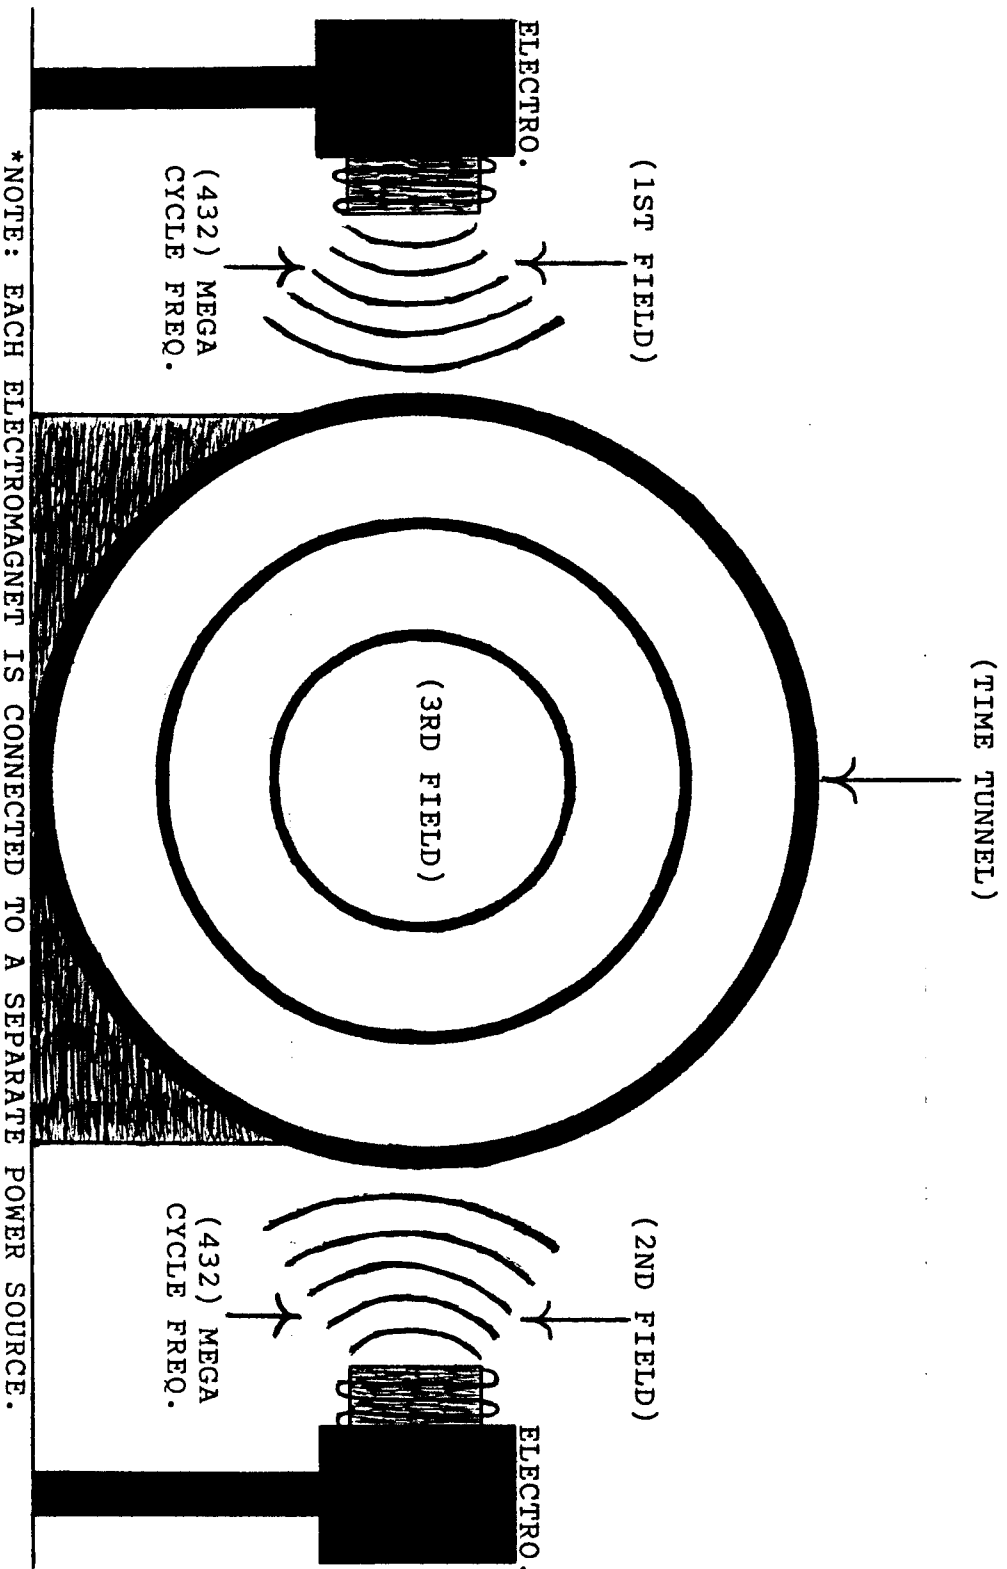

\*NOTE: COILS (1) AN (2) ON THE FOLLOWING PAGE, ARE CONNECTED TO SEPARATE POWER SOURCES.

NOW EVEN DESPITE THE COMPLEXITY OF THIS CIRCUIT, THERE ARE STILL MANY DIFFERENT WAYS TO BUILD THIS DEVICE. FOR EXAMPLE, INSTEAD OF PLACING COILS NEAR A TUNNEL, WHY NOT WRAP THE COILS AROUND TWO PVC TUBES, SO AS TO RESEMBLE A PORTAL. NEXT, HOOKUP TWO PULSE GENERATORS TO EACH OF THE COILS, SO THAT EACH COIL IS CONNECTED TO A SEPARATE POWER SOURCE. NOW ALL YOU HAVE TO DO, IS RADIONICALLY TUNE THE PORTAL. TO DO THIS, SIMPLY PUSH ONE OF THE PVC UPRIGHTS TOWARDS THE OTHER PVC TUBE WHILE STROKING THE RUBBING PLATE. AS SOON AS YOUR FINGERS ST-

3/20/93

THE PHOENIX EXPERIMENT

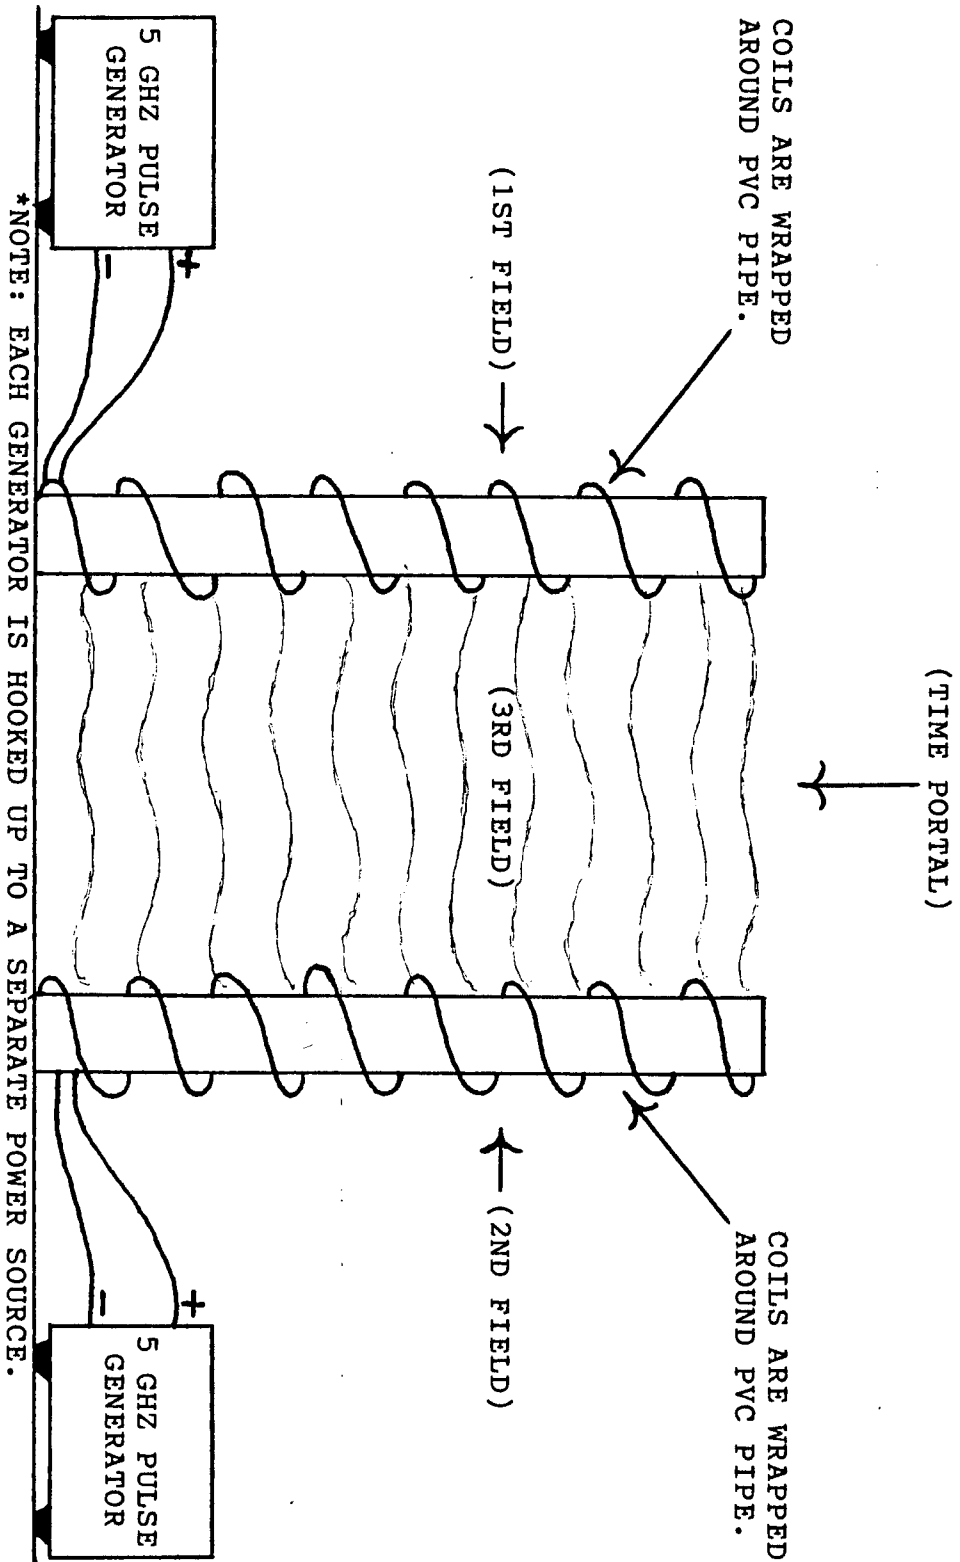

ICK, THE PORTAL SHOULD ACTIVATE IN LESS THAN 40 MINUTES. HOWEVER, PLEASE BE CAREFUL. THIS DEVICE IS NOT A TOY OR PLAYTHING. AS I MENTIONED EARLIER, (DEMONS), (DEVILS) AND (EVIL SPIRITS) HAVE BEEN KNOWN TO COME THROUGH THESE THINGS. SO IF YOU FAIL TO PRAY YOU MAY REGRET IT! THE REASON I SAY THIS IS BECAUSE, A PERSON TO WHOM I KNOW, WHO LIVES IN (LONG ISLAND) NEW YORK, BUILT A DEVICE WHICH WAS QUITE SIMILAR TO THE DRAWING SHOWN ON PAGE (15). THE ONLY DIFFERENCE WAS, HE USED TWO TRANSFORMERS IN PLACE OF TWO PULSE GENERATORS. WELL ANYHOW, TO MAKE A LONG STORY SHORT, WHEN HE TRANSMITTED A (432) MEGA CYCLE FREQUENCY INTO BOTH OF THE COILS, A GROTESQUE LOOKING HEAD POPPED OUT OF THE PORTAL. THIS SCARED HIM SO BAD, THAT HE SHUT BOTH OF THE UNITS OFF. BUT AS SOON AS HE SHUT THINGS DOWN, THE HEAD VANISHED. TO THIS DAY, HE DOESN'T WANT TO HAVE ANYTHING MORE TO DO WITH TIME TRAVEL.

SO THE MORAL OF THE STORY IS, IF THE PERSON HAD PRAYED BEFORE CONDUCTING THE EXPERIMENT, THIS LITTLE MIS-HAP MAY HAVE NEVER OCCURRED. BUT I GUESS, WE ALL LEARN FROM OUR MISTAKES, OR AT LEAST SOME OF US DO.

IT MAY ALSO PAY TO PUT A (CROSS) NEAR THE PORTAL ENTRANCE. SOME SUGGEST USING (HOLY WATER). IF YOU DECIDE TO TAKE THIS ROUTE, MAY CERTAIN THAT YOU ATTACH EACH OF THE VIALS CONTAINING THE (HOLY WATER), TO EACH OF THE (PVC) UPRIGHTS. ANOTHER METHOD WHICH YOU CAN USE, IS TO BIND THE ENTITY AWAY IN THE NAME OF (JESUS CHRIST). ONLY USE THIS PROCEDURE, WHEN THE CROSS OR THE HOLY WATER IS INEFFECTIVE.

A SIMPLIFIED VERSION OF THE  
PHOENIX EXPERIMENT

3/22/93

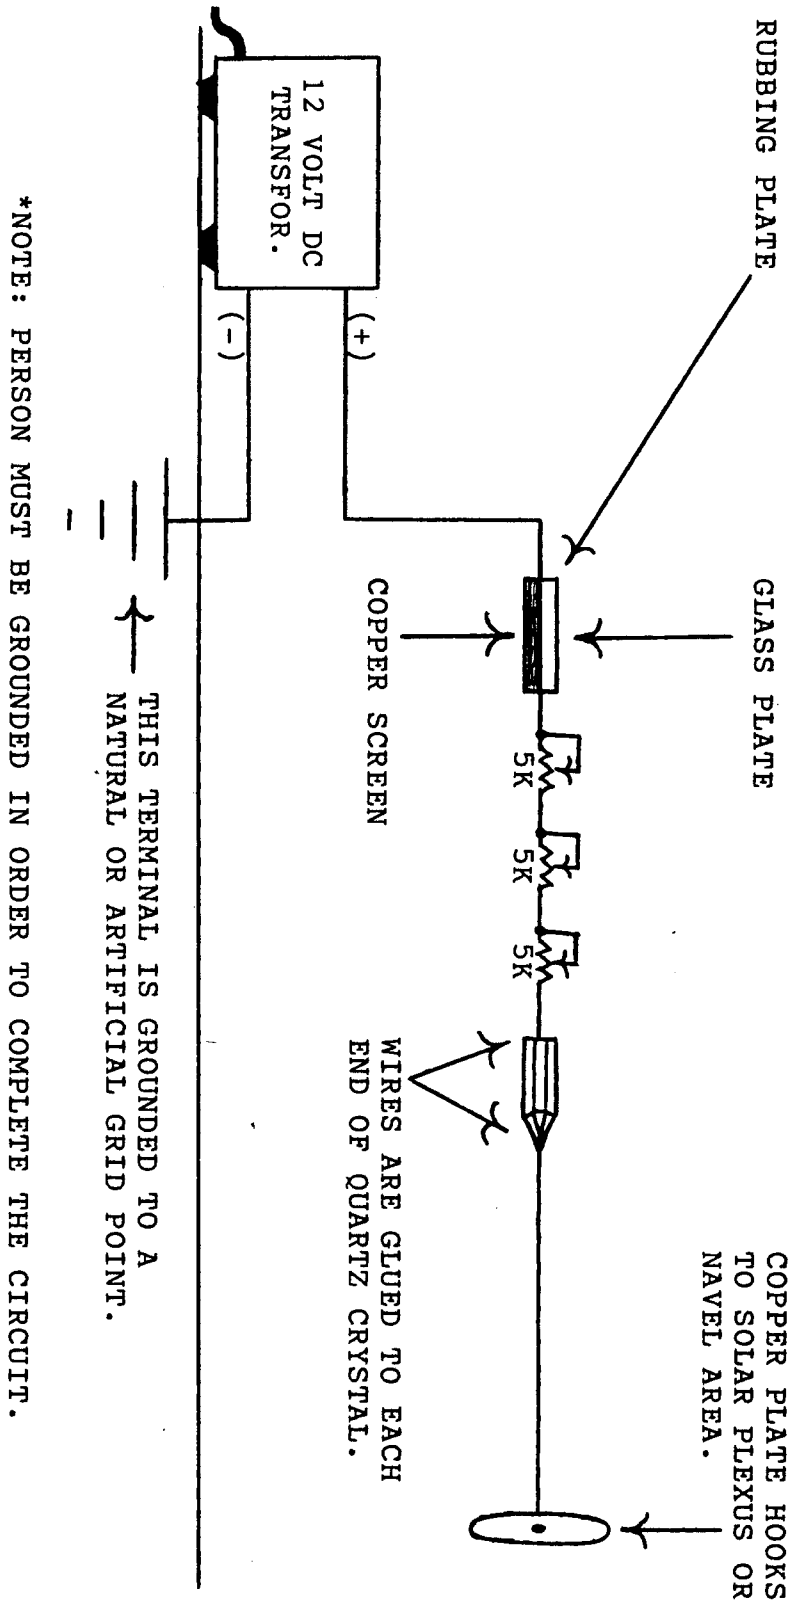

THIS NEXT DEVICE WHICH IS SHOWN ON PAGE (17), WAS GIVEN TO ME IN A VISION. THE BEINGS WHICH SHOWED ME THIS SCHEMATIC TOLD ME, THAT THIS DEVICE CAN BE USED TO MAKE OBJECTS FLOAT IN THE AIR. THE ONLY PROBLEM THEY SAID, WAS FINDING THE CORRECT DIAL SETTINGS. HOWEVER, I HAVE REASON TO BELIEVE, THAT IF IT CAN BE USED TO LEVITATE OBJECTS, IT CAN ALSO BE USED FOR TIME TRAVEL. THE REASON FOR THIS IS BECAUSE, THE SCHEMATIC IS BASED ON THE FOLLOWING EQUATION:-  $\text{THOUGHT} \times \text{TUNING} = \text{RESONANCE}$ , OR IN REFERENCE TO PAGE (7),  $(X1, Y1 = \emptyset 1)$ .

SO BASICALLY, WHAT THESE EQUATIONS STATE, IF THE (XD 7000) IS RADIONICALLY TUNED, IT CAN BE USED TO ACCOMPLISH ANYTHING, PROVIDED OF COURSE THAT YOUR INTENTIONS ARE PURE. IF NOT, THEN YOU'LL PROBABLY GET PUNISHED, JUST LIKE A CHILD WHO REBELS AGAINST HIS PARENTS. SO REMEMBER PEOPLE, THE (CREATOR) KEEPS A RECORD OF EVERYTHING WE DO!!!

3/23/93

THE XD 7000

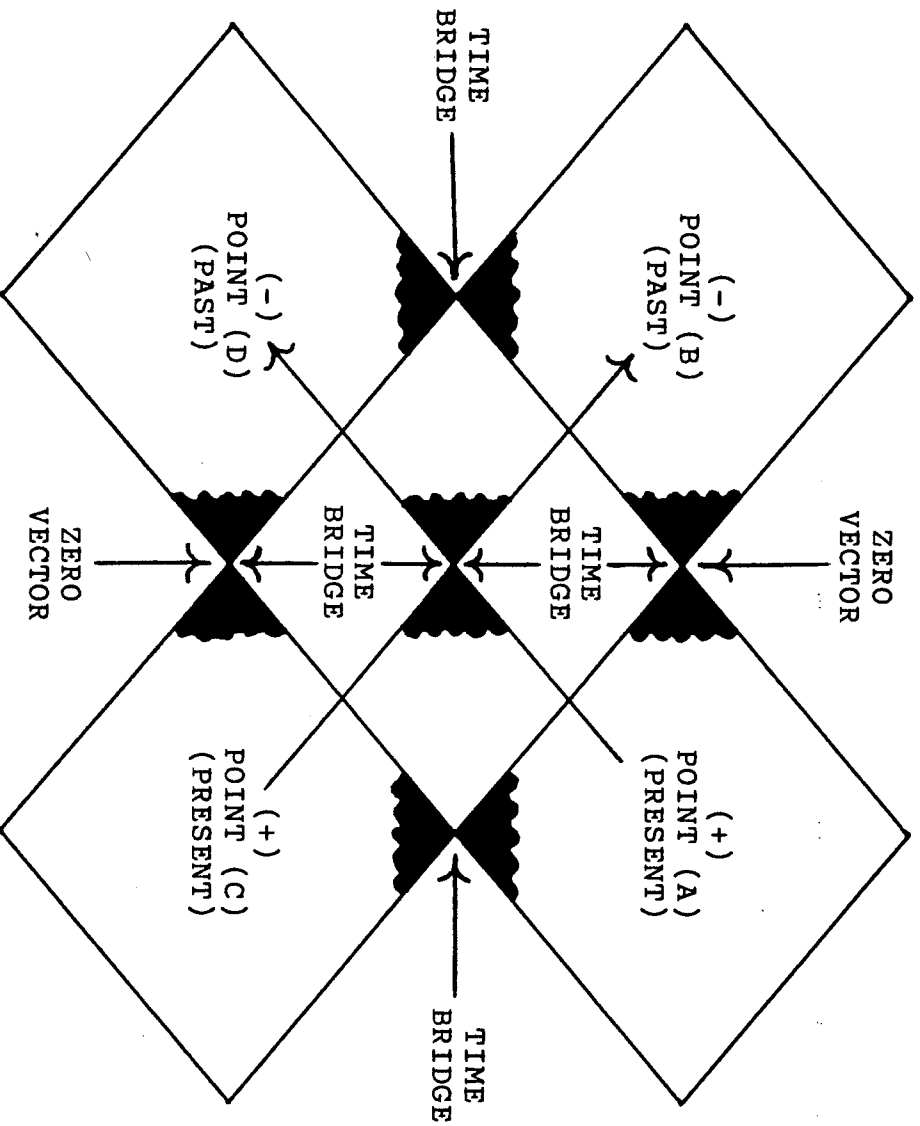

FOR THOSE WHO CAN RECALL, IN MY REPORT TITLED THE (ZERO VECTOR) I MENTIONED, THAT WHEN A PERSONS PHYSICAL BODY IS TRANSPORTED THROUGH TIME, ALL HE IS DOING, OR AT LEAST IN MOST CASES, IS JUMPING OVER INTO ANOTHER UNIVERSE. HOWEVER, THERE IS ALOT MORE TO IT THAN THIS.

IN OTHER WORDS ACCORDING TO MY EQUATIONS, NOT ONLY DOES HE JUMP INTO ANOTHER UNIVERSE, BUT ALSO INTO A (PARALLEL) UNIVERSE, DEPENDING ON WHICH MODE OF TRAVEL HE USES. THE PROCESS OF HOW THIS OCCURS, CAN CLEARLY BE SEEN ON THE FOLLOWING PAGE. FOR EXAMPLE, IF EACH OF THE UNIVERSES ARE LABELED, POINT (A), POINT (B), POINT (C), AND POINT (D), WHEN A PERSON FROM POINT (A) TRAVELS BACK INTO THE PAST TO POINT (D), HIS COUNTER PART AT POINT (C) IS ALSO MAKING THE SAME JUMP TO POINT (B). SO IN A SENSE, WHEN WE TRAVEL THROUGH TIME, ALL WE ARE DOING IS SIMPLY EXCHANGING PLACES WITH OUR COUNTER PARTS IN ANOTHER UNIVERSE.

NOW THE BIG QUESTION IS, CAN A PERSON WHO TRAVELS BACK INTO THE PAST CHANGE HISTORY. WELL MY ANSWER TO THIS QUESTION IS, YES HE CAN, BUT ONLY IN CONNECTION WITH CERTAIN EVENTS. THE REASON FOR THIS IS BECAUSE, IF A PERSON AT (A), TRAVELS BACK TO PREVENT AN ACCIDENT AT POINT (D), THE PERSON AT POINT (C) WHEN HE TRAVELS BACK TO POINT (B), MAY NOT MAKE THE SAME CHOICES AS HIS COUNTER PART, AND FOR THIS REASON, ONLY CERTAIN EVENTS CAN BE ALTERED. SO IF ANY OF YOU DECIDE TO CHANGE THE PAST, AFTER YOU RETURN TO THE PRESENT, YOU MAY BE IN FOR A BIG SURPRISE!!!

3/25/93

HOW A PERSON TRAVELS THROUGH TIME  
WHEN JUMPING UNIVERSES

\*NOTE: EACH (TIME BRIDGE) CONTRACTS AN EXPANDS AT 7.8 HZ. C.P.S.

AS YOU CAN SEE, IN REFERENCE TO THE CHART ON PAGE (19), THERE ARE MANY DIFFERENT WAYS TO TRAVEL THROUGH TIME. SO MUCH IN FACT ITS MIND BOGGLING! SO BASICALLY THE CHART PROVES, THAT NOT ONLY CAN WE JUMP INTO A PAST OR FUTURE (PARALLEL) UNIVERSE, BUT ALSO FROM POINT (A) TO POINT (B), OR FROM POINT (C) TO POINT (D) OR VISA-VERSA. NOT ONLY THAT! BUT A PERSON CAN ALSO JUMP FROM POINT (A) TO POINT (C), OR FROM POINT (B) TO POINT (D), DEPENDING ON YOUR PREFERENCE.

ALSO WHEN JUMPING DIRECTLY TO A PAST OR FUTURE UNIVERSE OR FROM POINT (A) TO POINT (B), OR FROM POINT (C) TO POINT (D), THE SAME RULES APPLY FOR ALTERING EVENTS, AS WITH (PARALLEL) TIME TRAVEL. HOWEVER, JUMPING INTO A (DIRECT) PAST OR FUTURE UNIVERSE IS MUCH MORE DANGEROUS THAN JUMPING INTO A PARALLEL UNIVERSE. THE REASON I SAY THIS IS BECAUSE, IF YOU SHOULD EVER COME INTO CONTACT WITH ONE OF YOUR OTHER SELVES, YOU COULD SPLIT YOUR TIME LINES. IF THIS SHOULD EVER OCCUR, THIS COULD END UP PUSHING YOUR DOUBLE INTO AN (ALTERNATE) UNIVERSE, OR WORSE YET, WHEN YOU RETURN TO THE PRESENT THERE MAYBE TWO OF YOU INSTEAD OF ONE! SO JUMPING INTO A (DIRECT) PAST OR FUTURE UNIVERSE, WOULD IN MY OPINION BE DANGEROUS. THEREFORE I STRONGLY SUGGEST, THAT YOU SHOULD AVOID COMING INTO CONTACT WITH YOUR OTHER SELF. BECAUSE IN SO DOING, YOU MAY SCREW UP GOD'S CREATION, AND IF THIS SHOULD EVER OCCUR, THE LORD WOULD MOUNT YOUR HEAD ON A SILVER PLATTER AND SERVE IT TO THE DEVIL. SO PEOPLE IF YOU DECIDE TO TAKE THIS ROUTE, PLEASE BE VERY VERY CAREFUL, FOR THIS IS NOTHING TO JOKE ABOUT!

IF YOU HAVEN'T GUESSED IT BY NOW, WHEN A PERSON QUANTUM LEAPS INTO A PAST OR FUTURE UNIVERSE, ALL THAT IS MOVING IS SIMPLY HIS MIND. AND SINCE OUR THOUGHTS ARE STORED IN THE AURA WHICH SURROUNDS OUR PHYSICAL BODY, WHEN OUR MIND JUMPS INTO ANOTHER DOUBLE, THE (AURA) MOVES WITH IT. IT IS ALL QUITE SIMPLE, BUT AT THE SAME TIME DANGEROUS!

NOW THE INTERESTING THING ABOUT QUANTUM TIME TRAVEL, IS THAT IT HAPPENS MORE OFTEN THAN MOST PEOPLE THINK. FOR EXAMPLE, HAVE YOU EVER NOTICED, THAT DURING A CERTAIN DAY OF THE WEEK, THAT IT MAY BE (THURSDAY) INSTEAD OF (FRIDAY) OR VISA-VERSA. WELL USUALLY WHEN THIS HAPPENS, ITS NOT BECAUSE WE HAVE MADE AN ERROR IN JUDGEMENT, BUT BECAUSE, WHILE WE WERE ASLEEP PRIOR TO WHEN THE DAY BEGAN, WE QUANTUM LEAPED INTO ONE OF OUR OTHER DOUBLES IN ANOTHER UNIVERSE. AND WHATS SURPRISING ABOUT ALL OF THIS, MOST PEOPLE DON'T REALIZE IT!

SO BASICALLY, ALMOST ANY TYPE OF RADIONICS MACHINE CAN BE USED FOR QUANTUM TIME TRAVEL, PROVIDED OF COURSE THAT THE DEVICE IS NOT ACTIVATED OVER A NATURAL OR ARTIFICIAL GRID POINT. THE REASON I SAY THIS IS BECAUSE, IF A RADIONICS MACHINE IS ACTIVATED OVER ONE OF THESE GRID POINTS, THEN YOUR PHYSICAL BODY IN THIS CASE, WOULD PROBABLY BE TRANSPORTED TO ANOTHER UNIVERSE. WHEREAS IF YOU DIDN'T, ALL THAT WOULD BE TRANSPORTED, IS SIMPLY YOUR AURA.

\*NOTE: QUANTUM TIME TRAVEL USUALLY OCCURS WHEN YOUR (MIND) COMPONENTS ARE ACTIVATED. SOME PEOPLE WILL BE ABLE TO DO THIS, WHEREAS OTHERS WON'T.

EVEN DESPITE WHAT PEOPLE THINK, THERE IS STILL ONE TYPE OF TIME TRAVEL WHICH I BELIEVE IS STRICTLY TABOO. THE REASON I SAY THIS IS BECAUSE, WITH THIS TYPE OF TIME TRAVEL, NOT ONLY CAN WE JUMP TO OTHER TIME PERIODS IN EARTHS HISTORY, BUT CAN DO SO WITHOUT JUMPING UNIVERSES.

SO YOUR PROBABLY WONDERING, HOW IS THIS POSSIBLE? WELL ACCORDING TO SOME ASTRONOMERS WHO CLAIM UP AND DOWN, THAT ON OCCASION, PLANETS HAVE BEEN KNOWN TO REVERSE OR EVEN SPEED AHEAD IN THEIR ORBITAL PATHS AROUND THE SUN. SO IN A SENSE, THESE PLANETS ARE TRAVELING FORWARDS AND BACKWARDS THROUGH TIME. AND IF THIS OCCURS WHICH I'M CERTAIN IT DOES, THEN IT STANDS TO REASON, THAT THE UNIVERSE FROM TIME TO TIME, REVERSES ITSELF TO THE POINT OF CREATION OR SPEEDS AHEAD TO THE POINT OF DESTRUCTION. SO IF MY THEORY IS CORRECT, THEN THE UNIVERSE MUST REPLENISH ITSELF ON CERTAIN OCCASIONS.

SO BASICALLY IF THE UNIVERSE REVERSES ITSELF ON CERTAIN OCCASIONS, THEN IT IS ALSO POSSIBLE TO RIDE THIS TIME LINE BACK TO ANY POINT IN EARTHS HISTORY AS WELL AS THE FUTURE. NOW THE DANGEROUS THING ABOUT ALL THIS IS, THAT IF A PERSON WERE TO ALTER AN EVENT WHICH WOULD CHANGE THE COURSE OF HIS FUTURE OR PRESENT, THIS WOULD RIP A HOLE IN THE FABRIC OF SPACE TIME ITSELF, WHICH COULD BRING AN END TO LIFE AS WE KNOW IT, OR AT LEAST, SO IT WOULD SEEM.

HOWEVER IF A PERSON IS PRE-DESTINED TO RIDE THIS TIME LINE BACK TO ANY POINT IN EARTHS HISTORY, THEN IT IS PROBABLY MET TO BE. SO AS YOU CAN SEE, THIS STUFF IS DANGEROUS!

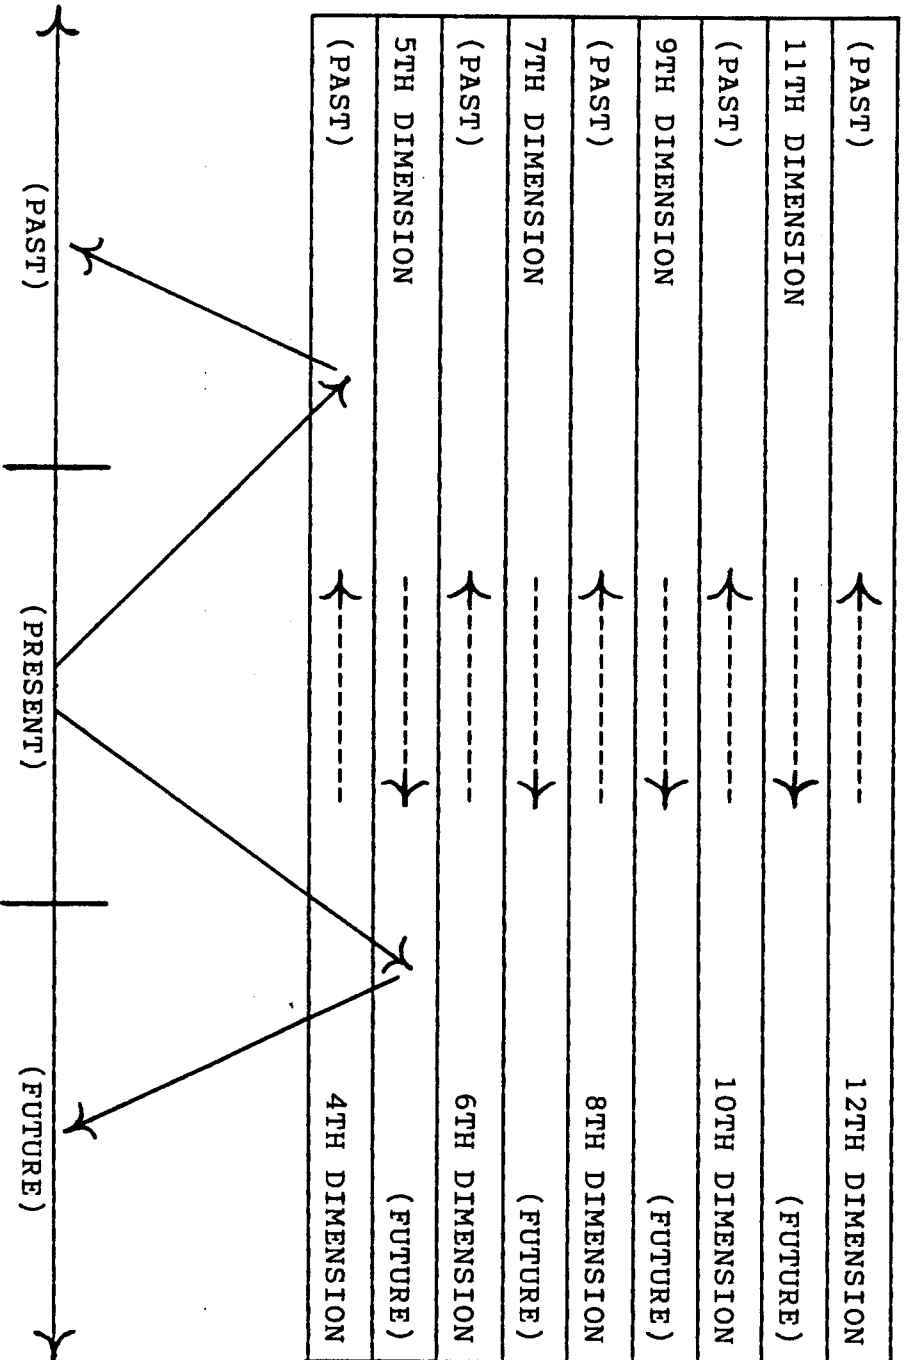

SINCE ALL THINGS ARE POSSIBLE I ALSO BELIEVE THAT A PERSON CAN TRAVEL TO THE PAST OR FUTURE (WITHOUT JUMPING UNIVERSES) SIMPLY BY ZAPING HIMSELF TO ANOTHER DIMENSION, AND THEN RETURNING TO THE 3RD DIMENSION IN SOME OTHER TIME. THE THEORY BEHIND THIS IS, THAT EACH DIMENSION IS MOVING FORWARDS OR BACKWARDS THROUGH TIME. IN OTHER WORDS, SINCE THE 3RD DIMENSION IS MOVING FORWARDS IN TIME, THEN IT IS LOGICAL TO ASSUME THAT THE 4TH DIMENSION IS TRAVELING BACKWARDS IN TIME. THIS SAME RULE CAN ALSO BE APPLIED TO THE HIGHER DIMENSIONS AS WELL. TO EXPLAIN HOW THIS OCCURS, SEE PAGE (24).

SO AS YOU CAN SEE, THIS TYPE OF TIME TRAVEL IS MUCH EASIER TO ACCOMPLISH, THAN TO FIGURE OUT WHEN THE UNIVERSE REVERSES ITSELF, OR SPEEDS AHEAD TO THE POINT OF DESTRUCTION. I PERSONALLY THINK ITS A BETTER ALTERNATIVE.

HOW DIMENSIONS MOVE FORWARDS AND BACKWARDS  
THROUGH TIME IN RESPECT TO 3-D SPACE

4/1/93

\*NOTE: THE 4TH DIMENSION MAY BE MOVING INTO THE FUTURE, WHEREAS THE 5TH DIMENSION MAY BE MOVING BACKWARDS INTO THE PAST.

# MILLENNIUM CRYSTAL QUIZ RIDDLE

BY TIM GOUVARD

## ACKNOWLEDGEMENT

Special thanks go to Bruce Perreault whose guidance and inspiring ideas made all of this possible. It was Bruce who suggested that I replace the transducer on the HT9 with the round piece from a metal detector. This simple change led to a discovery which seemed worthy of writing it all down and putting it out there for researchers to perhaps go even further with it and maybe someone else will discover something. Right around this time a friend of mine Steve Gibbs wrote a book called How to construct a time portal, based on some information that I had sent to him. With his permission, I am pleased to be able to add his book in with mine. In 1985, I sent an electrical schematic to Steve which I had given the name sonic resonator. Steve built one and developed it even further, and is listed in this book as the Hyper Dimensional Grid Point. That's how all of this came into being. In the drawing Millenium Crystal Quiz Riddle, there is a gyroscope on a faultline with a motor attached to the top of it. This concept is an idea to put an end to earthquakes and is explained in Margaret Cheney's book Tesla, Man out of Time. The thrust from the gyroscopes at timed intervals can reverse earthquake activity when placed on a faultline. The centrifugal force that it creates is exactly identical to the force that is created when the earth spins on its axis through space. This force is what holds the planet in one piece and prevents it from splitting apart. When the gyroscopes are placed on the faultline, the same force that holds the planet together is what prevents the plates in the faultline from separating. If this knowledge were to be utilised to its full capacity, many lives could be saved. Even though there has been great interest in this theory, the seismographic institutes that I've contacted have not indicated any knowledge of the development and use of the gyroscope theory. Please feel free to respond in writing to help in this search to see if the gyroscope theory is being put into practice. The address to write to is on the next to the last page. Also, feel free to write in response to the ideas that have been put across in this book. Follow the path of least resistance. Knowledge can be derived from logic.

THE MAGNIFICENT HERTZIAN  
SYMPHONY

What I've discovered is a way in which you can hear several power line transformers all at the same time. It took a special device to be able to listen to it and that I will reveal the secret of. First, I will explain what is meant by the term hertz. Hertz is a measurement of electrical impulses. In an electrical socket, there is either 110 volts or 115 volts and sometimes 220 volts, depending on the location. The standard measurement for a wall socket is sixty hertz, which means that the voltage pulses are sixty times a second. Power line transformers are the metal boxes that you see on the top of telephone poles. These metal boxes step up the voltage from place to place, so that everyone receives enough electrical power to run their utilities. The energy in these transformers is quite high and the vibrations being emitted from these transformers travel down through the poles and into the ground. The earth is a tremendous conductor of electrical current. The density of the earth is what makes it such a good conductor. The metals contain conductive qualities and they are in the earth also. Try and imagine what it would be like if you could hear the sound of dozens or even hundreds of power line transformers all humming and vibrating at the same time, at the same place. The sound of all those transformers would produce a type of "symphony" of electrical impulses, conducted and orchestrated by none other than that age old maestro, the earth. After making this discovery I decided to tape it and listen to it with headphones. I was surprised to find that there were several different types of signals varying from low pitch sounds to high pitch sounds, to oscillating sounds to occasional "beep" sounds which can be heard near the end of side A within the last five or ten minutes of the tape. I found that these areas where these types of sounds can be heard must be in an area near the top of a large hill or near the top of a mountain. The place where I discovered what I call "power spots" was on a hill where there is large deposits of granite, which is basically quartz, which is an element that is very conductive. I feel quite fortunate to be living in that area for that reason. The name of the area where this discovery was made is called Flatrock due to the enormous size of granite deposits and the shape of the top of the hill, which is primarily flat. I began to notice that on cloudy, misty days the sounds I was hearing in the listening device were much more distinct and full of other sounds which I had not heard previously. From this I was able to conclude that the weather had a definite effect upon the inductance in that area. When I went back a second time on a misty day I found that it was the same as the previous time. Once again, there were sounds being picked up that were different than those heard on a dry day when there were no clouds at all. It seemed at this point that one discovery was leading to another. High inductance on a cloudy day opened up a whole new world of thought for me and an understanding of the true nature of weather and magnetism began to unfold.

III  
LOCATING YOUR OWN POWER  
SPOT

If you are interested in taking up this kind of research on your own, and would like to continue learning more about this field, here's how you can go about obtaining the necessary materials; write a letter to Information Unlimited, Box 716, Amherst N.H., 03031, and request one of their catalogs. Then order HT9- High Frequency Translator. This is the listening device I used to make the discovery at Flatrock. By itself, the HT9 is not sensitive enough to pick up the Hertzian Symphony, so you will have to replace the transducer on the HT9 with the round piece that is used on a metal detector. To refine the sound even a bit further, you could place one or two picafarad capacitors across the input of the metal detector piece. This will filter out any incoming radio signals which might interfere with the overall ultrasonic signals. These adjustments are not difficult to do, but if it seems difficult, just ask the help of someone who knows electronics. This is how I've gone about these things over the years. It was an electrician who suggested I use a metal detector piece and it was that same electrician who suggested I use the capacitors across the input. After a while you can easily develop a feel for this kind of thing even though you may not have any previous experience in any of this research. I hope that someone else will go even further than I have and discover something even more significant than what I found. There's a world of sound out there that we can't ordinarily hear and with the ultrasonic detector, that world becomes very familiar to you very quickly. It's been said that cats can see into the fourth dimension, and that ants can communicate by vibrating their antennae, and that dogs can hear things that we can't, and that bees can see infrared. Perhaps it is the slant in a cat's eye that allows it to see into a world that to us is invisible, and perhaps that is why every once in a while you see a cat jumping at nothing. Maybe there is something there after all. The fourth dimension is a realm consisting of spirits and entities which to a cat, must seem like an everyday experience. It's a known fact that dogs and cats that have gotten lost, have found their way back home, even in cases where the distance was in the hundreds of miles. Where creatures can't conceive of abstract thought like we can, they seem to make up for it in their keen ability to see, hear, feel, and find their way home as well as anybody could expect them to. When we study them closely we are learning from nature firsthand. There was a jet engine that was once designed by an inventor who got the idea from observing a preying mantis. Another scientist designed a racing vehicle after studying insects very closely. It is this kind of observation that has been the backbone and source of inspiration for scientists, writers, researchers, and inventors since the beginning of time. The greatest thing that has come about as a result of careful study has been the gift of knowledge, and from this we can learn how to coexist without violating. This is the biggest challenge that the human race has ever faced.

## COMMENTS

Here's some details which might make a difference in the effectiveness of the timewindow. For the wiring, use 14 gauge wire, solid strand, 500 ft. length. This should do for one 5 ft. length PVC tubing, so you will need about 3 500 ft. spools to cover all 3 tubes. Purchasing wire in 500 ft. strands is extremely less expensive than buying 50 or 100 ft. at a time from a hardware store. Not only that, when you use the 500 ft. strands, you will have quite a bit of wire left over for other projects. This type of wire should be available in any local electrical supply store. Make sure when you make the ground connection for the timewindow, that you use either brass or steel rods. Make sure also that the rods are as long as you can get them. Two or three feet long is quite sufficient. Make sure all electrical connections are solid and intact. The bottom of the two tubes which stand erect, can go down a couple of inches into the ground when you set it up for operation. You may need some wooden stakes spliced thin to hold up the PVC tubing, due to its heavy weight. Make sure also that there are at least 370 turns of wire on each tube. If you follow the instructions in this book all the way through, there should be no problem getting results in one form or another. One thing to keep in mind is that there are no timewindow repair servicemen that you can call in the event that it might not work the first time. Be patient. You may find that the greatest difficulties may lie in the reality that no one believes in what you are trying to accomplish. You could very easily be pegged as an escapist. The easiest route might be to say that the whole thing is an experiment and you don't know what is going to happen. If you come across as a know it all, anyone with half an intellect will see right through you. Best to be on the safe side. Try and realise that this whole endeavor is designed and meant to create a bridge between this world and the next world. This whole realm of research is being conducted by people who are curious and are willing to face the consequences as a result of the experiments to see for themselves if time travel is really possible. If it is possible, and if it is real, and if it could benefit man in some way, then it should be known to all mankind at this time in history as a commonly accepted fact that anyone, who has the courage to do so, can either witness his or her own destiny or even transcend this time zone and time travel, just like any one person might purchase a plane ticket to another country and arrive there within 8 or 10 hours, which at one other time in history was considered to be impossible. We live in an age now where anything is possible. Time travel is no exception.

At the stroke of midnight on July 9/10, 1856, a child was born in a small village in Yugoslavia, the likes of which the world had never before seen. This child was destined to change the course of history forever. From this one mind came the entire electronic revolution. His name was Nicola Tesla. Almost unknown today, but at one time his influence was widely felt. During his lifetime, he invented 1200 devices, 700 of which became patented. To his credit, are the inventions of light bulb, radio, t.v., xray, neon lights, helicopter, computer, Tesla coil, and hundreds of others. Many scientists took credit for his work, but that was mostly due to the fact that Tesla did not have enough time to patent and market all of his ideas. Tesla, in a strange kind of way, was grateful that other scientists took the patents for his ideas and gave them to the world. It was his original intention to set the world free with electronics rather than enslave it. But this masterminded plan did not succeed. The world was not ready to make such a drastic transformation. When Tesla gave us the AC polyphase, which is the generator that produces AC current from waterfalls, we began paying for what I call the gravity bill. This is electricity that is created from a generator that is turned by the force of a waterfall, which is kept in motion by the force of gravity. Investors opted for a system that would draw tremendous profits and keep the people enslaved to paying the gravity bill. Tesla became a statistic. His free energy idea along with many other concepts were not only ignored, but the notes and paperwork based on those ideas were almost completely lost. Some of his ideas were so advanced, that the notes on them were destroyed. Of what was left, much of it was translated and utilised. Tesla physics is now once again becoming recognised as having scientific validity and substance. Tesla's plan was not only to establish free energy, but to put an end to war once and for all, by way of a force field which could not be penetrated by any known force, including nuclear warheads. This device is known as the Tesla shield and is under the listing of #1-119-732 in the list of patents, Washington D.C. Even with a device like this, that could end all wars, it was ignored. The Russians however, were not so ignorant and sent spies into the U.S. to confiscate Tesla's notes. Some believe with strong conviction that the Soviets succeeded in developing many of Tesla's greatest concepts, giving them superiority over us in a militaristic sense. One thing is for certain: we do not have the Tesla shield as a part of our defense system. We could however, develop it and incorporate it into our military and gain equality with the Soviets. Tesla once made a very profound statement about the Tesla shield. He said that it was not necessary to construct the shield in order for there to be peace in the world. It's been said that such a shield does in fact exist, in the Himalayan mountains.

There are two kinds of force fields, physical and consciousness induced. The Tesla shield is definitely a physical device, but the Himalayan shield is created by the consciousness of the minds of the monks that dwell in the mountains. Part of the reason why we depend so heavily upon technology is due to the fact that we use such a small portion of our mental capacity. The physical shield and the consciousness shield are exactly the same thing: only one is created by the mental aspect, and the other is created by the nuts and bolts aspect. We are living in a very strange and peculiar period of history right now. It's almost like the future destiny of the human race depends upon a democratic system of thinking: in other words, the greatest number of people who think a certain way will determine the fate of the human race. If the greatest trend of thought is death and destruction, nuclear war would be its greatest servant. And if the greatest trend of thought goes in the direction of solving all of the world's problems, then solutions would come in many forms. It all depends on how well and how long someone can maintain a thought and carry it out to its completion. To build a house takes time, skill, and persistence. If someone gives up, it never gets completed, but if that same person were persistent, the house would be built, and plans for a second house would be drawn up. The war is over, if you want it. Desire is the key element. Follow the path of least resistance. Prophecies of doom do not necessarily have to turn out like they are written. They serve more as a guide book for one's own choice. The future can be changed. It can become whatever we want it to become. When the time is right, there will be a sign in the sky, one that everybody will see all at the same time, and it doesn't matter what the sign is, just as long as everyone sees it, hears it or thinks it. It could be anything. Each person will have their own perception of it. The imbalance between good and evil will eventually balance off and become equal. The ticking of the cosmic clock is getting louder as the hand gets closer and closer to midnight. Either time will run out, or we'll have all the time in the world. Tesla ran out of time. He was too far ahead of his time for the world to catch up with him. Even now, it is a desperate struggle. Only a handful of his inventions are what provided the entire basis for mass communication. He was at least a thousand years ahead of his time. The dream is still yet to be realised. Perhaps there could be a sense of refuge within the whole concept of time travel. There must be a reason why the knowledge came to us in such a way that at least now it exists as a possibility. My first instinct is to improve the conditions around my immediate area. It doesn't hurt to show respect toward others. If the desire to time travel came as a temptation, it would be for all the wrong reasons, but if there were a purpose behind it, it could be of great benefit. I think the sad part of it all is that so many people seem to be lost and without any kind of direction, without any purpose to be right here right now, and I oftentimes feel that same way myself.

In 1924, the age of Aquarius began. Each degree in astrological ages last 64 years. As of the spring equinox of 1988, the first degree came to an end, and the second degree began. In 1956, Elvis Presley became world known. The electronic revolution had given rise to a cultural revolution. Seven years later, in 1963, the U.S. had just lost a president to an assassin and the Beatles were on their way to becoming the greatest attraction since Elvis Presley. The cultural revolution began to take shape as the musical interest went from rock and roll to many different types of music, such as country and western to blues to classical. In 1980 John Lennon was murdered on the streets of New York. President Reagan was quoted as saying that violence in the streets had to come to an end and many believe that he was hinting at the possibility of gun control, which would conflict with constitutional rights. President Reagan had also been shot right around that time, and someone also shot the Pope, both of whom survived. These incidents take us up to the present time, but the riddle is focused on the period of time when the continent of Atlantis was in existence. During that time, their technology was quite advanced. Records indicate that they had flying machines, communication systems, and were able to utilise enormous crystals to extract electrical energy. The crystals were said to be as big as buildings, and were partly buried in the ground to draw up earth current and change it into electricity. From this, they extracted for their demand for energy, but a war soon developed over who had full control over the crystal. The forces of good and evil took sides until there was no in between. Conflicts such as the one that took place during the time of Atlantis have been known to happen now and then throughout the cycles of history. The world at the present time is undergoing a similar tug of war between good and evil, the struggle to control power and energy sources, and faces the possibility of global annihilation. The question of the riddle is this: What is the crystal?

ANSWER TO THE RIDDLE IS ON THE FOLLOWING PAGE

THE HYPER DIMENSIONAL RESONATOR

THIS HERE IS A TWO DIAL, ONE BANK TREATMENT INSTRUMENT, WHICH PLUGS INTO A NORMAL 110V OUTLET. THIS DEVICE GENERATES AN AC/DC, 60-CYCLE, ALTERNATING FREQUENCY WHICH GENERATES AN UNLIMITED AMOUNT OF WHITE LIGHT ENERGY. THIS DEVICE COMES EQUIPPED WITH A WITNESS WELL, PHENOLIC RUBBING PLATE, MULTI-DIMENSIONAL STABILIZER, CLEAR SWITCH, POWER SWITCH, TIME COILS, AND ONE ELECTROMAGNET. THE NICE THING ABOUT THIS UNIT IS, WHEN GIVING A TREATMENT, YOU MAY BROADCAST THE FREQUENCY BY MEANS OF A WITNESS, OR YOU MAY HOOK-UP THE ELECTROMAGNET DIRECTLY TO THE PERSON. AMONG OTHER THINGS, THIS UNIT CAN ALSO BE USED FOR OUT OF THE BODY TIME TRAVEL. AS FAR AS THE PHYSICAL ASPECTS ARE CONCERNED, YES YOU CAN USE THE HYPER-DIMENSIONAL RESONATOR FOR PHYSICAL TIME TRAVEL, BUT ONLY WHEN ACTIVATED OVER A NATURAL GRID POINT, OR IN A PLACE WHERE UFO'S ARE SIGHTED.

#### BONUS FEATURES

EACH UNIT THAT I SELL HAS A BUILT IN ELECTRONIC SENSOR COIL WHICH IS LOCATED DIRECTLY BENEATH THE RUBBING PLATE. THESE COILS ARE SPECIFICALLY DESIGNED TO PICK-UP AND AMPLIFY THOUGHT INDUCED WHITE LIGHT ENERGY. NOT ONLY THAT, BUT THESE COILS ARE ALSO DESIGNED TO HELP INCREASE THE STICK REACTION WHEN USING THE RUBBING PLATE.

#### OPERATION PROCEDURES

THIS DEVICE WORKS JUST LIKE A RADIONICS MACHINE. IN OTHER WORDS, AFTER THE UNIT HAS BEEN CONNECTED TO A 110V OUTLET, THE DIALS ON THE MACHINE ARE THEN TUNED RADIONICALLY FOR THE YEAR, MONTH, AND DAY THAT YOU WISH TO TRAVEL TO. THIS IS DONE WHILE THE TIME COILS ARE POSITIONED AROUND THE HEAD. BUT ANYHOW, AFTER THE RATES HAVE BEEN FOUND, THE UNIT IS ACTIVATED, AND THE ELECTROMAGNET IS PLACED OVER THE SOLAR PLEXUS FOR THE SPACE OF 3 MINUTES. AFTER THE TREATMENT IS OVER WITH, THE UNIT IS DE-ACTIVATED AND THE TIME COILS REMOVED. THE PERSON NOW FINDS A COMFORTABLE PLACE TO RELAX IN ORDER FOR THE ENERGIES TO TAKE EFFECT. IF YOU HAVE DONE EVERYTHING CORRECTLY, YOU WILL THEN BE PROJECTED TO THE YEAR, MONTH, AND DAY. AS FOR THE HEALING PROCEDURES, THIS INFORMATION IS INCLUDED IN MY INSTRUCTION MANUAL.

THE HYPER DIMENSIONAL RESONATOR WITH TIME COILS AND ONE ELECTROMAGNET, SELLS FOR \$360.00, INSTRUCTION MANUAL IS INCLUDED. ITEM (#11).

#### DOUBLE TERMINATED QUARTZ CRYSTALS

IT HAS BEEN PROVEN THAT IF A DOUBLE TERMINATED QUARTZ CRYSTAL IS PLACED INSIDE THE WITNESS WELL ON THE HYPER DIMENSIONAL RESONATOR, IT WILL GREATLY IMPROVE ITS PERFORMANCE FOR WHATEVER THE PURPOSE MIGHT BE. THESE CRYSTALS AVERAGE FROM 1 TO 3 INCHES IN LENGTH. PRICE: \$12.00 PER CRYSTAL. ITEM (#12).
