

AIDS, MURDER OR MYSTERY?

(MAY 23, 1991, "Please Note all addresses and phone numbers in this document may no longer apply")

THE INFORMATION IN THIS PACKAGE IS ADDRESSED TO:

(Information packages submitted to over 100 Civil Rights Groups, attorneys and private citizens.)

Millions of people are dying today from AIDS and other cancer causing diseases. Many of these new diseases seem to be mysterious due to the fact that until now, mankind has never been affected by them.

The question one should bear in mind is; how is it that a whole new menagerie of diseases, unknown to mankind, have suddenly popped up all at once? In addition, we should question if drug addicts or homosexuals are supposedly spreading this disease, why are heterosexuals in AFRICA dying from it.

The final questions we should seriously consider are: Why would anyone want to eliminate or control the population of minority races and poor white people? Is this another attempt to create a master race an the planet greater than the attempt of Hitler? When Germany attempted to produce a master race, the results were MASS MURDER OR THE HOLOCAUST. Today we are facing something far worse than the HOLOCAUST of yesterday. CAN VACCINATIONS CAUSE AIDS or any of these new diseases? Are any vaccines verified for purity or contamination? HOW LONG BEFORE WE WAKE UP?? Are these new diseases part of the next HOLOCAUST?

In July, 1980, Secretary of State Edmond Muskie endorsed as official Carter administration policy, THE GLOBAL 2000 REPORT, which calls For the WORLDWIDE ELIMINATION OF 2 BILLION HUMAN BEINGS by the year 2000. Today that policy of "GLOBAL GENOCIDE" remains the official policy of the United States Government. On the cover of the Global 2000 report it states: "Volker and Haig continue Carter's Global 2000, GENOCIDE 100 TIMES WORSE THAN HITLER".

Men, women, children and babies are dying systematically from AIDS and other cancer causing diseases. Throughout the United States, young children and babies are dying slowly from a CHRONIC FATIGUE SYNDROME. This new illness will probably be traced to another animal RETRO-VIRUS, and by the time it's traced, millions will have died. HOW LONG BEFORE MANDATORY TESTING AND CERTIFICATION OF VACCINES ARE DEMANDED BY ANYONE? In the State of California it's been suggested by the local news, that welfare recipients may be forced to participate in mandatory vaccination programs and no welfare check will be issued until proof of vaccinations are given. CAN VACCINATIONS CAUSE AIDS? IS THIS THE DAWN OF A NEW HOLOCAUST?

AIDS, MURDER OR MYSTERY?

Can vaccinations cause any kind of disease? If we read Bulletin of the World Health Organization, Volume 47, number 3, page 259 of their Memoranda, we find that in 1972, a plan was being implemented by the World Health Organization, to test in a systematic evaluation the effects of viruses on immune functions in human subjects. In reading this document carefully, prior to their recommendations we find Leukemia, Hepatitis, Herpes Simplex and Measles viruses are of special interest for study of their selective effects on "Immune Function".

How was this study to be conducted in humans? The Fogerty International Center Proceedings, No. 3, May-June 1972, reports the proceedings of a workshop held at the National Institute of Health, Bethesda, Maryland, July 27-30, 1970. One of the conference committees for the conference was sponsored by the John E. Forgerty International Center For Advanced Study In The Health Sciences and the World Health Organization, suggest at page 1102:

"...In relation to the immune response, a number of useful experimental approaches can be visualized. One would be a study of the relationship of HL-A type to the immune response, both humoral and cellular, to well defined bacteria and viral antigens during preventive vaccinations. This would be particularly informative when applied to sibships."

(Sibships being children of the same parents.)

Finally, the Seventh National Cancer Conference proceedings, sponsored by the American Cancer Society, Inc., and the United States National Cancer Institute, published by the J.B. Lippencott Company, Philadelphia and Toronto, 1972, in a report on epidemiology by John Higginson M.D., Director of the International Agency for Research On Cancer, Dr. Higginson suggest at page 680:

"...The complex biology of cancer makes it essential to approach observational studies in man with the same technical sophistication that characterizes animal experimentation."

It should be obvious scientists intended to inject known viruses into human beings and the inoculation of viable (living) diseases with its related Retro-Viruses should be an alarming indication of the irresponsible acts against mankind by doctors and scientists since the time of Hitler.

AIDS, MURDER OR MYSTERY?

In conclusion, we should ask ourselves: Are these new diseases including AIDS, A MYSTERY OR MURDER? The lives of every human being on this planet are at stake due to the irresponsible actions of some Doctors and Scientists. **HOW LONG BEFORE WE WAKE UP AND BECOME CONCERNED? WILL HEPATITIS AND MEASLES VACCINATION PROGRAMS BECOME COMPULSORY THROUGHOUT THE UNITED STATES?**

My suggestion to those of us seriously concerned about our heritage, is to prove or disprove beyond a reasonable doubt the documentation which suggest AIDS being GENOCIDE. In addition, we should see to it that all vaccines currently being used in preventative vaccination programs, be tested and verified not to contain contaminants, cancer causing agents or animal Retro-Viruses for experimental purposes on human beings, especially children and babies. Verification by Doctors willing to practice true science for the safety and well being of all human beings.

My efforts in articulating the Truth about AIDS in meaningful dialogue has yet to reach working minds. Should AIDS be a weapon of destruction? We should try to-redefine our reality as human beings, thinking and understanding that we are all collectively and equally important as a whole, focusing on the possibility of becoming one as a race of people in order to survive as a race. All of us no matter how selfish, are dependent on each other and should we carelessly overlook this AIDS problem, by the time we do wake up four or five years down the road, it will obviously be too late, and we'll undoubtedly have to face the Greatest Reality. That Reality will be ALMIGHTY GOD, MOST GRACIOUS, MOST MERCIFUL and MASTER OF THE DAY OF JUDGMENT.

There is no reasonable excuse not to investigate and resolve this problem. Please review the information in this package carefully. I do believe there is enough information in it to assist any responsible human being to be well on their way to investigating this problem of AIDS BEING GENOCIDE. Should you have any meaningful dialogue in reference to this package or information suggesting your present involvement in resolving this AIDS problem, please address it to:

AIDS, MURDER OR MYSTERY?

The information in this package is only a small part of the Truth about AIDS. In it you'll find how scientists decided as early as 1970, to inject known viruses and bacteria into human subjects, including children during allegedly preventive vaccination programs to study their effects. These medical injections of Smallpox Measles and Hepatitis 'IS' vaccines are just the tip of the iceberg and AIDS is only one of a number of "KILLER VIRUSES" we should expect to see in our near future. AIDS all by itself being so deadly that it is "SPECIES THREATENING" to the Human Race.

THE CONTENTS OF THIS PACKAGE ARE: (Information that was contained in packages mailed CERTIFIED or hand carried.)
