INSPIRATIONAL THOUGHT FOR TODAY

"The secret of happiness is freedom. The secret of freedom is courage."

WEATHER IN OTTAWA

Saturday 05 Feb: Highs of minus 13 and lows of minus 21. Sunny with some cloud.

Sunday 06 Feb: Lows of minus 10 and highs of minus 7. Cloudy with flurries and 1-3 CMS of snow.

VEHICLE MOVEMENTS

During the evening of 02/03 February, Freedom Convoy 2022 moved 25 trucks, 2 trucks with trailers and 7 x 4 wheelers onto Wellington Avenue.

CITY OF OTTAWA

We assess that Mayor Watson is not acting in good faith with Freedom Convoy 2022 nor on behalf of the citizens of Ottawa. He has fallen into lockstep with Prime Minister Trudeau as has done multiple times in the past. The mayor has forced small businesses to remain closed, costing them money at a time when the downtown core has a huge new customer base.

Mayor Watson is forcing the closures as part of the overall strategy to starve out truckers by removing access to food, water, medical care and other services.

IF YOU SEE VIOLENCE – Call 911 or if you see suspicious activity report it to Truck Captains.

As a sidenote, cooperation with front line police officers of the City of Ottawa (and all others) remains outstanding. Recurring problems are occurring with some mid-level OPS officers.

POLITICAL DIVIDES

Freedom Convoy 2022 is noting that fractures are occurring in multiple political jurisdictions. Among them are:

- a. Conservative Party of Canada – Although former party leader Mr O'Toole had been in significant trouble with his own party before Freedom Convoy 2022, his position against the convoy resulted in a final caucus revolt and his removal.
- b. Mayor Watson and some city councillors have demanded the military enter Ottawa to disperse the truckers. The Ottawa Chief of Police, who works for them, responded by saying this is neither a police nor military situation. It is a political situation which required politicians to fix it.
- c. Premier Kenny of Alberta stated that trucker drivers had rammed a police car. The RCMP on scene contradicted him later and said no such event occurred.
- d. Prime Minister Trudeau spoke of how having the military deployed would be a “difficult decision” but did not reject the idea. On the same day, the Defence Minister rejected the idea in its entirety. Trudeau (appears) to have now recanted the idea.

The breakdown in messaging and the unwillingness of many to “fall into line” behind Prime Minister Trudeau indicates confusion and division in the political ranks.

LIBERAL MEMBERS OF PARLIAMENT

Information is difficult to obtain, but it appears several Liberal Members of Parliament are worried about where the Liberal Party is going on the Freedom Convoy 2022 movement. Some are worried that the constant use of identity politics to call everyone who does not submit to Trudeau a racist/extremist/misogynist etc is not a good look for the party.

DEFUND THE POLICE

Freedom Convoy 2022 notes with some irony that many politicians who supported the DEFUND THE POLICE movement are the same ones who are now demanding greater police actions to serve their own personal or ideological agendas.

TODAY'S HUMOUR

Q: How many truck drivers does it take to change a light bulb?

A. None. Unlike Justin Trudeau, a light bulb is self aware and will change itself.
