#### **INSPIRATIONAL THOUGHT FOR THE DAY**

“When a resolute young fellow steps up to the great bully, the world, and takes him boldly by the beard, he is often surprised to find it comes off in his hand, and that it was only tied on to scare away the timid adventurers.” Emerson

#### **OTTAWA WEATHER**

Thursday 10 Feb: Lows of minus 7 and highs of plus 3. Possible light rain and 1 cm of snow.

Friday 11 Feb: Lows of 0 and highs of plus 1. Possible light rain and 1 cm of snow.

#### **LIBERAL MEMBER OF PARLIAMENT BREAKS RANKS**

Liberal Member of Parliament Joel Lightbound has broken ranks with Justin Trudeau and says that the Prime Minister must stop driving up divisions and deliver a roadmap to end public health mandates. Of note, MP Lightbound is/was also the Quebec Lieutenant for the Liberal Party and the Parliamentary Secretary for Public Safety. He is a ‘riser’ in the party and would not likely have made these statements without broad support from within his organization.

#### **GERRY CAN MARCHES**

Large numbers of citizens have been walking around downtown Ottawa with empty gerry cans. The intent is to mock Ottawa Police Chief Stoly, Mayor Watson, Councillor Deans and others who have advocated starving out Freedom Convoy 2022. The raid on the convoy’s fuel supplies has backfired in a spectacular manner and resulted in more support.

## **POLICE MORALE AND SUSTAINABILITY**

Freedom Convoy 2022 assess that a variety of figures in police forces are increasingly uneasy with their role in being told to raid the Freedom Convoy or use aggressive police tactics. Absenteeism is up and the demand for resources is leaving other police forces stretched for manpower (Durham Regional, Peel Regional, OPP, Toronto etc). Some individuals in the Senior NCO ranks may have stepped back from their operational positions due to concerns about the legality and morality of senior police officials. Other issues arising are:

- a. Do truck drivers have an expectation of privacy in their trucks, especially those who live in their trucks? In other words, a person's home is their castle, and a search warrant may be required to enter/search/move the home.
- b. If a trucker is locked in his vehicle while a police raid is occurring, is that person a "barricaded person" with respect to how police must react? This complicates how police must treat individual situations.

## **FRONT LINE POLICE**

Despite a series of unconscionable statements/actions from senior police officials such as Chief Stoly, Freedom Convoy 2022 assess that relations with front line officers remains positive. A review of video evidence show that police officers involved in the raid of fuel supplies were largely unable to look anyone in the eye while doing it. Freedom Convoy 2022 assess they were ashamed of the role they were playing.

## **OTHER ACTIVITIES**

Although not controlled by Freedom Convoy 2022, a number of actions continue to occur across Canada. The Sarnia crossing was closed again, the Windsor crossing has been the subject of activity, the Manitoba Legislature is seeing more activity as well. If the Freedom Convoy 2022 movement is subjected to aggressive actions such as mass arrests, Freedom Convoy 2022 assesses that the reaction from Canadians will be to join the movement and carry out protest actions across the country.

## **DAILY HUMOUR**

Q: Why did the duck cross the road?

A: To be on the right side of history.
