Sunday – Low minus 14, High minus 10.

Mon/Tues/Wed - Warming trends with lows of minus 12 and highs of plus 1.

OVERVIEW

Freedom Convoy 2022 will be the biggest protest movement in Canada – ever. The size of the four main convoys (plus others) have already exceeded expectations. Canadians have been lining the roads, sometimes with temperatures in the minus twenties to cheer on the convoy.

Tamara Lich is expected in Ottawa now on Saturday morning. The convoy has been slowed by weather, its own massive size and some limited obstructionism.

ITEMS OF INTEREST

1. The Freedom Convoy 2022 is truly underway. Early arrivals in Ottawa are on the ground and the staging grounds outside Ottawa are full. The numbers are still uncertain in total due to the large numbers of individuals in light trucks and cars who are joining as the various convoys move along.
2. JUST A REMINDER: Prime Minister Justin Trudeau was elected by about 21% of all REGISTERED VOTERS in Canada. In other words, Trudeau represents a 'fringe minority' of about 20% and not the 80% of other registered voters. You are not a 'fringe minority,' but rather representatives of the majority of Canadians.

4. Tucker Carlson interviewed convoy spokesperson BJ Dichter on the evening of 27 January 2022. The interview can be seen at <https://twitter.com/TuckerCarlson/status/1486879324825427972>

5. Richard Syrett of Sauga Radio 690 AM has interviewed Tom Quiggin on how the trucking supply chain itself is breaking down under the Chinese chokehold on parts as well as massively increasing costs and government regulations.

6. A large number of social media comments are critical of the Freedom Convoy 2022. Most of them seems to have few followers and are most likely “butt bots” run by those supportive of Prime Minister Trudeau and the Liberal Party. See, for example,

7. There will be a religious service on Parliament Hill on Sunday morning. Pastor Hildebrandt and others will officiate. All are welcome.

8. Of note, Deputy Prime Minister and Finance Minister Chrystia Freeland is on the Board of Trustees for the World Economic Forum. She is a key figure there along with President Xi of China, Bill Gates and other globalists. It was the Global Economic Forum that stated: It is 2030. You will own nothing and you will be happy.

9. A convoy will leave the St Jerome area of Quebec and head for Ottawa at about 0730 on the morning of 29 January 2022.
