

Freedom Convoy 2022

OFFICIAL DAILY EVENT AND SAFETY REPORT

END THE MANDATES is the message

Freedom Convoy 2022/Report 006/02 February 2022

INSPIRATIONAL THOUGHT FOR TODAY

“The only real prison is fear, and the only real freedom is freedom from fear.”

WEATHER IN OTTAWA

Thursday 03 February Low of minus 14 to high of minus four. Some light snow.

Friday 04 February – low of minus 20 and high of minus 10. Mix of sun/clouds.

ALBERTA

The RCMP had been instituting a policy of starving out the blockade in Coutts Alberta on the Montana border. On 01 February 2022, the RCMP made a concerted effort with an Tactical Team and warned truckers they would be arrested and their trucks towed. The RCMP organized multiple tow trucks from Calgary to remove the trucks.

Just as police were physically moving in to arrest the truck drivers, a group of farm tractors, operated by local concerned citizens who support the movement, used field and roadside access routes to circumvent the police barricades. Their tractors then formed a new set of blockades. At that point, the RCMP chose a tactical withdrawal.

THE FEDERAL GOVERNMENT AND JUSTIN TRUDEAU

At this point, we assess that the Prime Minister has no intention of negotiating with Freedom Convoy 2022 nor removing the mandates. Rather, Justin Trudeau has attempted to vilify the movement by calling it racist, extremist, misogynistic, Islamophobic, homophobic and terroristic. Given the political wave of support being created in Canada and around the world, his aim is to discredit and destroy the entire movement. (There will be a separate report on the political aims of Justin Trudeau.)

EVENTS AND ISSUES

1. Erin O'Toole has been voted out as leader of the Conservative Party. His positions favouring a national vaccine mandate, another carbon tax, the gun grab and his support for globalism had made him unpopular. He can be fairly seen as the first political casualty of the political shockwave set up by the Freedom Convoy. WIIINNNNNIINNNNNGGGGGG!!!!!!!
2. It is becoming increasingly clear that the City of Ottawa/Mayor Watson are supporting the strategy of starving out the convoy while at the same time having small businesses become collateral damage in the situation. Without naming names at this point, some hotels have cut off room service, food and hot water to trucker guests while others have been neutral or cooperative. It should be remembered that Mayor Watson is closely tied to the Liberal Party and Justin Trudeau. Both of them also have extensive scandals/issues tied to SNC Lavalin.
3. The situation with front line police officers remains positive with a genuine spirit of cooperation. The only negative issues have been with one (so far unnamed) Ottawa Police senior officer who has lied to convoy organizers about contentious issues – such as the alleged truck hitting a barricade event. His replacement would likely be seen as positive and a new way to move forward in this peaceful protest.
4. A tractor convoy to Ottawa, originating in the North Glengarry village of Alexandria, is being organized for Saturday, 05 February 2022. <https://www.msn.com/en-ca/news/canada/plans-underway-for-farm-tractor-convoy-from-alexandria-to-ottawa/ar-AATpul4?ocid=msedgntp>
5. A small number of saboteurs have been putting nails and other metal objects under the tires of trucks. Keep an eye on your own rig as well as the ones beside you. Also do the same for police cars, paramedic vehicles and ambulances.
6. On 01 February, several formations of police from Ottawa, Hamilton, Ontario Provincial Police and others were seen walking around the Freedom Convoy area on Wellington Street and the associated areas. They are becoming increasingly bored with nothing to do so they are simply walking around. With the City of Ottawa complaining about the costs of Freedom Convoy 2022, perhaps they should send most of the police home as they have nothing to do.
