Freedom Convoy 2022/Report 005/02 February 2022

**SPECIAL REPORT ON THE
SHEPHERDS OF GOOD HOPE**

OVERVIEW

On Saturday the 29th of January 2022, a group of individuals entered the Ottawa premises of the Shepherds of Good Hope and began to harass staff while demanding food handouts. An individual who lives in the shelter was also harassed. The media immediately reported that it was personnel from Freedom Convoy 2022 who were responsible.

Freedom Convoy 2022, depending on video evidence, states that no one associated to the convoy carried out the harassing actions. The persons responsible who local individuals who would see themselves as associated to the actions of Anti-Fa or similar ideologically driven violent groups.

Freedom Convoy driver Ray has since delivered an eight-foot-long box of food supplies to the Shepherds of Good Hope.

Freedom Convoy 2022 is also pleased to note that citizens have stepped up their donations of food and money to the Shepherds of Good Hope. The violent actions of those who attempted to spread violence and fear has only resulted in more support from the citizens and members of the convoy to this worthy organization. Please continue this support organizations in Ottawa that support the homeless.

Freedom Convoy 2022 also wishes to draw attention to the statements of PM Justin Trudeau whereby he states the convoy has been stealing food from the homeless. The Government of Canada and its agencies were fully aware on 31 January that convoy supporters were not responsible for this action but continued to make the false claim.

Freedom Convoy 2022 has been aware of intentions of certain groups to discredit or disrupt the convoy. A day earlier, Freedom Convoy 2022 had published a report on these sorts of groups.
