Good Afternoon All,

Here is a doodle poll to start the process of planning a meeting in the fall dealing with Gene Drives and the US Regulatory system. The first meeting(s) will focus on introductions, date, objectives, and key invitees. I have a request to participate out to Brinda Dass of the FDA, but that request will likely not be processed for a week due to leave. Copying Brinda and Heather for awareness.

Here is the poll – Please fill out and I will process asap.
