Hi Royden:

Sorry. I am not available during any of the proposed times. Please include Stas on the planning team. Between the two of us, we are more likely to be able to find time for the calls.

Best,

Jamie

Hi All,

I know doodle sux - if you want to let me know which of the following US EDTs would work best for you, I will schedule. I have heard from Fred - many thanks.

Thur Jun 8 3PM EDT YES NO

Thur Jun 8 4PM EDT YES NO

Fri Jun 9 3PM EDT YES NO

Fri Jun 9 4PM EDT YES NO

Also, my pick for FDA rep is a no go. She is leaving the agency. She still offered to help, which has some benefits and costs. I would like your thoughts on the matter.

Thanks
Royden

Subject: First Planning Meeting on Gene-Drives and Regulatory Environment

Good Afternoon All,

Here is a doodle poll to start the process of planning a meeting in the fall dealing with Gene Drives and the US Regulatory system. The first meeting(s) will focus on introductions, date, objectives, and key invitees. I have a request to participate out to Brinda Dass of the FDA, but that request will likely not be processed for a week due to leave. Copying Brinda and Heather for awareness.

Here is the poll - Please fill out and I will process asap.
