#### Event Invitation

**Title:** CBD synbio online forum briefing (#4)  
**When:** Wednesday, June 28, 2017 5:00 PM – 6:00 PM  
**Organizer:** Isabelle Coche <isabelle@emergingag.com>  
**Description:**

Dear all

I am sending out several invitations to briefings on the CBD online forum to try to accommodate as many people as possible.

You only need to join one! Just accept or decline the invitation depending on what works for you.

If you are not planning to participate in the CBD online forum on synthetic biology, the calls may not be relevant to you. If you wish to join nonetheless, you are welcome

Best,

Isabelle
