Hi Tony,
I just had a conference call with the TNG for Class 6. Below is the list of names already on the TNG docket for section 61.
However, the deadline for nominations is July 5th.
Could you send out a note to the section 61 members indicating that if they have somebody else in mind and can send in the CV (or send to me) by July 5th, s/he can be considered.
Thanks
Fred
