

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF SCIENCE AND TECHNOLOGY POLICY
WASHINGTON, D.C. 20506

T-8/93

May 26, 1993

Dear Scott,

Thanks for the materials. I look forward to working through them after the current heavy overload abates. I note that the books came from the Foundation's library and will be happy to return them to you when I am finished.

With best wishes and regards to Lawrence.

Sincerely,

John H. Gibbons
Director
