THE WHITE HOUSE

Dear Laurence -

I apologize for my silence, but was awaiting news from the Air Force. Yesterday I received the material they've been working on for some months: "Report of the Air Force Research Regarding the 'Roswell Incident'". It appears to be a thorough study, and will also be used as input to the GAO analysis, which is a much broader study. We'll get back to you after we've had a chance to go over the document. Incidentally, I told C. Bell about this situation yesterday. With best wishes.

Sincerely,
Jack 8/17/94
