OSTP-FOIA No. 98-23

Dear Mr. Boyajian:

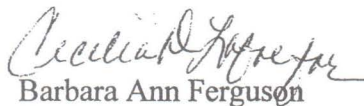

This is in response to your request dated May 27, 1998, received in this office on June 11, 1998 under the Freedom of Information Act, 5 U.S.C. § 552. Your request to the Office of Science and Technology Policy (OSTP) sought the following information:

- (1) All UFO related correspondence to and from Dr. John Gibbons and OSTP from February 28, 1997 to present; and,
- (2) An edited tape or written document of the informal roundtable discussion held September 13-15, 1993 at Laurence S. Rockefeller's JY Ranch.

In response to your first request, we have located ten (10) responsive documents, which have been provided for you. As for your second request, neither Dr. Gibbons nor OSTP received a tape or document pertaining to the discussion mentioned above.

If you consider this to be a denial of your request, appeals may be made in writing within 30 days of receipt of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Determinations of administrative appeals are required within 20 working days.

Sincerely,

Barbara Ann Ferguson
