### Witness Statement of Malcolm Sinclair

---

I, Malcolm Sinclair, will say as follows:-

1. I have been asked to provide a witness statement in relation to the Inquiry's Westminster investigation.
2. I previously provided a witness statement to Wiltshire Police dated 12 December 2017, referred to as **WTP000011**. In it, I stated that in 1977 or 1978 my police colleagues and I were ordered by a Chief Superintendent Neil Diver to cease an investigation into sexual offences involving young male prostitutes and several prominent MPs.
3. I have been asked by the Inquiry to provide further information about the matters included in my statement to Wiltshire Police, and have also been asked to clarify certain matters within that statement. I have also been asked to address other matters which relate to the statement I gave in December 2017.
4. As the days, months, years go by - I am now in my 70's - the memory deteriorates and things are not as clear as they used to be. I wish I could turn the clock back and relate what I actually knew about the 'Meat Rack' etc.
5. I have no idea what C/Supt Diver's motives were for pulling us off the inquiry but anything I said would be supposition on my part. I have nothing to add to the statement I gave in December 2017.
