MEMORANDUM FOR THE RECORD

9 August 1978

1	
1	On this date I spoke with HSCA staffer Surrel Brady re her
	trip to to interview Thomas B. Casasin. I informed Ms. Brady
	that Casasin will be free to see her at the American Embassy at 10 a.m.
	on 17 August 1978; Room number and any other arrangements for the
	meeting would be given to her in she was given the name
	of 296 1202, ext 2769 as the Station contact point.
_	Ms. Brady asked if the meeting could be moved up one day to 16 August.
	Since her departure date/time from Washington is scheduled for
	tomorrow, I opined that it would be difficult to change the
	plans and notify her prior to her departure. I suggested that
	she contact and seek to make adjustments once she is
	actually in Ms. Brady & agreed to follow my suggestion.
