

ADMINISTRATIVE FUND

1971

JUNIOR SAILOR'S ACADEMY - JSAF

I. PURPOSE

1. This Administrative Fund is for the subsidization of an organization having the same aims as the United States Government in its efforts to combat Communism in South America. JSAF does not purport to have any control over the activities of the group for it is merely financing their actions.

II. BUDGET

2. The JSAF Executive Committee has appointed a former PIRELLI Certified Public Accountant, as comptroller. Under his direction, and with RUMAK's advice and consent, an accounting system has been installed to provide appropriate data for funds received and expended by JSAF. The JSAF Controller shall submit monthly budget estimates for expenditure for review and approval by RUMAK as a basis for monthly funding. These estimates shall be reviewed and approved by the Chief of Station, JSAF, providing they are in conformance with prior approved limitations imposed by SHATE. Budgets in excess of the SHATE limitation must be forwarded to SHATE for approval.

III. FUNDING

3. Funding of JSAF is conducted under the overall project code approval within funds provided in the Project JSAF budget. Allocation of funds will be conducted in accordance with the instructions of the controller from the Office of the Comptroller and accountability thereafter transferred to the Certifying Officer, JSAF.

IV. FINANCIAL REPORTS

4. Monthly, shall be prepared by a PIRELLI certified by the JSAF Certifying Officer, listing for funds received and disbursed during the month. In addition, the Comptroller, SHATE, shall provide the Certifying Officer, JSAF with a copy by 1100 of balancing and forward payment made by him. These documents shall show at least the

beginning cash balance on hand, cash receipts during the period and the general purpose for which the funds were expended, together with a monthly financial statement. These statements shall be certified to be true and accurate by the NMEDD Comptroller. Because of the large sums which are expected to be provided NMEDD during the course of Project JHATE, the responsible NMHAV2 Case Officer should encourage the submission of detailed forms or the minimum accounting requirements stated above to the maximum extent permitted by the operational relationship.

V. WRITE OFF

3. Based upon the transfer of accountability from Headquarters, and acknowledgment of receipt of funds in the monthly A-200 Accounting, the NMHAV2 Certifying Officer is authorized to write such amounts off to expense and to establish them in appropriate account books accounts for further disbursement. The monthly summary accountings shall be reviewed by the Chief of Finance, NMATE, to ascertain they are in general conformance with the budget estimate submitted for administrative audit review, and forwarded to NMATE Headquarters for approval. The Chief of Finance and/or Political Action Section, NMATE, will review the accountings. The reviewers shall certify that to the best of their knowledge and belief the accountings are true and correct and funds spent for purpose for which intended. After review they will forward to the Chief, NMATE, for his certifying signature. On the basis of knowledge and belief that the amounts so certified therein are reasonable and proper, the Director, NMATE, may authorizes a "MARK" on the accountings. This will indicate that the accountings are to be paid and disbursed.

VI. APPROVAL

The accountability will be waived in cases of emergency or administrative necessity by the NMATE Comptroller, NMEDD Comptroller, NMATE Staff and NMATE Director.

VII. LIQUIDATION

All this activity shall not be liquidated except under the provisions of an approved Liquidation Plan.
