(23:23:14) **Singi201@jabber.ccc.de**: Danny Clark, has made contact with Bradley manning...

(23:24:02) **Singi201@jabber.ccc.de**: J you here?

(23:24:25) **Singi201@jabber.ccc.de**: Manning gave Danny a list of items to do; I will have access to this when Danny returns to Boston this week. he has some information which cannot be repeated to the media.

(23:29:57) **Singi201@jabber.ccc.de**: (23:24:38) **D**: A civilian lawyer is now working with Manning, on the promise of later payment. The 50k USD that Courage to Resist has raised will go to this lawyer, along with some private funds of Mr. Clark.

(23:25:07) **D**: However, Manning's counsel has not yet heard back from WL regarding their 50k USD pledge, which as far as I can tell, is still much-needed.

(23:25:42) **D:** Now that Courage to Resist and the Manning Support Network has raised 50K USD, and Manning has civilian counsel, it would be a good time to make contact regarding the WL pledge.

(23:30:52) **Singi201@jabber.ccc.de:** (23:30:13) **D:** I will give you a full writeup over Jabber after I meet with Mr. Clark this week.

(23:35:11) **Theocean@jabber.ccc.de:** who is the civ counsel?

(23:38:13) **Singi201@jabber.ccc.de:** (23:37:55) **D:** I do not know the name of the civil counsel yet. I will know after my meeting with Clark on or about Tuesday.

(23:38:59) **Singi201@jabber.ccc.de:** (23:38:39) **D:** Please do not let it be known to the press that Manning has a civil counsel. I am presently one of the few people that know this, and if this makes it into the media, Clark will begin to distrust me.

(23:43:51) **Singi201@jabber.ccc.de:** (23:43:01) **D:** Is there anything you wish to be relayed to either Clark or Manning?

(23:44:02) **Singi201@jabber.ccc.de:** (23:43:26) **D:** Please bear in mind that anything going to Manning must first pass through Clark, and thus should not be information that may incriminate Clark in any way.

(23:46:25) **Theocean@jabber.ccc.de:** "We're with you all the way, no matter how many years it takes."

(23:48:08) **Singi201@jabber.ccc.de:** (23:47:42) **D:** I will make sure this message is relayed to Manning. How should I advise Clark or Manning's civil counsel regarding the 50K USD?

(23:48:38) **Theocean@jabber.ccc.de:** we're still ready there

(23:48:42) **Theocean@jabber.ccc.de:** and are raising more

(23:50:06) **Singi201@jabber.ccc.de:** (23:49:43) **D:** By what mechanism should Manning's civil lawyer make contact with WL regarding fund transfer?

(23:58:06) **Singi201@jabber.ccc.de:** any respond?

(00:05:27) **Theocean@jabber.ccc.de:** send letter to ██████████@sunshinepress.org

(00:08:31) **Singi201@jabber.ccc.de:** btw is it possible now to re enable the email addresses?

(00:08:49) **Theocean@jabber.ccc.de:** not yet. why?

(00:09:35) **Singi201@jabber.ccc.de:** that's the email address the lawyer has, and David House and Nadim

(00:11:20) **Singi201@jabber.ccc.de:** Update you on the meeting with Danny on tuesday?
