

12.9.2010 15:07:23 on

(15:07:26) **Detente@jabber.ccc.de:** Good morning!

(15:07:26) **Detente@jabber.ccc.de:** Or afternoon, I suppose

(15:08:21) **Detente@jabber.ccc.de:** Should I just type a letter to J and have you deliver it? We seem to have trouble connecting..

(15:08:42) **Singi201@jabber.ccc.de:** he's not online now though

(15:08:51) **Singi201@jabber.ccc.de:** but yes you can write a letter and i can deliver it

(15:08:54) **Detente@jabber.ccc.de:** ok

(15:08:59) **Detente@jabber.ccc.de:** I will do this today

(15:09:02) **Singi201@jabber.ccc.de:** ok;)

(15:19:37) **Detente@jabber.ccc.de:** Ok, so the rest of the site (aside from static backups) should be good to go tonight

(15:19:43) **Detente@jabber.ccc.de:** What's the plan?

(15:20:20) **Singi201@jabber.ccc.de:** you tell me you are the leader on Operation Website

(15:21:10) **Detente@jabber.ccc.de:** Haw! If I am to be the leader during production, I will need a lot more information about where the site is going

(15:21:20) **Detente@jabber.ccc.de:** But I am unclassified, so I cannot know this

(15:21:30) **Detente@jabber.ccc.de:** So you tell me what the plan is :)

(15:22:11) **Singi201@jabber.ccc.de:** haha

(15:22:19) **Singi201@jabber.ccc.de:** when the website is 100% ready

(15:22:38) **Singi201@jabber.ccc.de:** we will move it to a secure server that can't be traced either here in iceland,sweden,lebanon or somewhere

(15:22:59) **Detente@jabber.ccc.de:** cool, so it will be safe from Mossad :)

(15:23:08) **Singi201@jabber.ccc.de:** haha yes

(15:23:16) **Detente@jabber.ccc.de:** ok

(15:23:29) **Detente@jabber.ccc.de:** I shall work towards this end and let you know when it is ready!

(15:46:08) **Detente@jabber.ccc.de:** I see Bradley Manning this coming weekend

(15:46:49) **Detente@jabber.ccc.de:** Please tell J in case there's anything in particular he wants said or gifted

(15:47:17) **Detente@jabber.ccc.de:** Also, the office construction is underway :)

(19:45:53) **Singi201@jabber.ccc.de:** hoi

(19:45:58) **Detente@jabber.ccc.de:** hoi

(19:46:43) **Detente@jabber.ccc.de:** what's up?

(19:47:37) **Detente@jabber.ccc.de:** how did the pictures turn out? :)

(19:47:55) **Singi201@jabber.ccc.de:** i got some for you:)

(19:48:00) **Singi201@jabber.ccc.de:** just not home right know

(19:48:01) **Detente@jabber.ccc.de:** !!

(19:48:02) **Detente@jabber.ccc.de:** ok

(19:48:09) **Detente@jabber.ccc.de:** How are things going?

(19:48:15) **Singi201@jabber.ccc.de:** just good:)

(19:48:17) **Detente@jabber.ccc.de:** I have not heard much news from you recently!

(19:48:31) **Detente@jabber.ccc.de:** This site is going to be amazin

(19:48:32) **Detente@jabber.ccc.de:** g

(19:48:39) **Singi201@jabber.ccc.de:** that's great:)

(19:48:47) **Singi201@jabber.ccc.de:** do you have the letter to JA?

(19:48:50) **Detente@jabber.ccc.de:** I was thinking last night, how reasonable you have been recently

(19:48:59) **Detente@jabber.ccc.de:** And how honest you have been about htings

(19:49:00) **Singi201@jabber.ccc.de:** oh really? how so?

(19:49:01) **Detente@jabber.ccc.de:** *things

(19:49:21) **Detente@jabber.ccc.de:** Trusting me with the real version of events, and telling me what J thinks, and what to expect

(19:49:31) **Detente@jabber.ccc.de:** And being open about the concerns I've had

(19:49:48) **Detente@jabber.ccc.de:** You give me a lot of faith in WL because you are very reasonable

(19:50:29) **Detente@jabber.ccc.de:** And I think "Ok, even if I don't know anything about J, and even if I don't know how things will turn out, Siggi has been extremely forthcoming and trustworthy"

(19:50:31) **Singi201@jabber.ccc.de:** how am i reasonable:P

(19:50:38) **Detente@jabber.ccc.de:** And that strengthens my resolve

(19:50:44) **Detente@jabber.ccc.de:** About the Nadim thing

(19:50:52) **Detente@jabber.ccc.de:** You did not assume things

(19:51:14) **Detente@jabber.ccc.de:** You wanted evidence, and you wanted to hear all sides, and you were willing to talk about miscommunications that happened and identify problems

(19:51:56) **Detente@jabber.ccc.de:** And with the security officer, you stood up for me to someone who was trying to look at my situation in a very black-and-white sense

(19:52:06) **Detente@jabber.ccc.de:** Which reminds me, there is something I need to tell you

(19:52:47) **Detente@jabber.ccc.de:** I need to explain to you (and possibly to J) some things

(19:52:51) **Detente@jabber.ccc.de:** So tell me when you have time for this

(19:52:59) **Detente@jabber.ccc.de:** It does not have to be now

(19:53:07) **Singi201@jabber.ccc.de:** go ahead

(19:53:09) **Singi201@jabber.ccc.de:** ahead

(19:53:14) **Detente@jabber.ccc.de:** Are you in a safe place?

(19:53:27) **Singi201@jabber.ccc.de:** yes i am

(19:53:43) **Detente@jabber.ccc.de:** Ok

(19:54:04) **Detente@jabber.ccc.de:** So when the Manning story first broke, I was immediately in support of WL

(19:54:15) **Detente@jabber.ccc.de:** And so were many of my friends

(19:54:32) **Detente@jabber.ccc.de:** Many, many people in Cambridge talked openly about how in support of WL they were

(19:54:47) **Detente@jabber.ccc.de:** Many people had heard of Bradley, etc

(19:54:56) **Detente@jabber.ccc.de:** After HOPE, Nadim told me of his involvement

(19:55:05) **Singi201@jabber.ccc.de:** wait what

(19:55:15) **Singi201@jabber.ccc.de:** did nadim tell you about his involvement?

(19:55:24) **Detente@jabber.ccc.de:** Yes, you told him to did you not?

(19:55:30) **Detente@jabber.ccc.de:** The same day you and I met, online

(19:55:41) **Singi201@jabber.ccc.de:** ok ok yes i told him i remember

(19:55:43) **Detente@jabber.ccc.de:** Ok

(19:56:08) **Detente@jabber.ccc.de:** So when Nadim told me of his involvement, I immediately knew that my role would progress from WL supporter to an active participant

(19:56:54) **Detente@jabber.ccc.de:** Sorry, people are trying to talk to me

(19:57:17) **Detente@jabber.ccc.de:** At that point, I had a big problem

(19:57:32) **Detente@jabber.ccc.de:** Because I had already been with many people in Boston who were vocal in their support of WL

(19:58:23) **Detente@jabber.ccc.de:** Do you understand?

(19:59:04) **Detente@jabber.ccc.de:** I had also sent an unencrypted message to Julian

(19:59:13) **Detente@jabber.ccc.de:** Before I knew of WL through you

(19:59:22) **Detente@jabber.ccc.de:** So there were many things that had to be covered up.

(19:59:26) **Singi201@jabber.ccc.de:** yes i knew about you email

(19:59:30) **Detente@jabber.ccc.de:** Ok

(19:59:37) **Detente@jabber.ccc.de:** So around this time, the War Diary came out

(19:59:59) **Detente@jabber.ccc.de:** And a few of my friends (no one knew I was involved in WL) began to doubt WL

(20:00:13) **Detente@jabber.ccc.de:** And say, "oh, the informants in Afghanistan will die"

(20:00:25) **Detente@jabber.ccc.de:** And I had a conversation with you about this

(20:00:27) **Detente@jabber.ccc.de:** Do you remember>

(20:00:28) **Detente@jabber.ccc.de:** ?

(20:00:29) **Singi201@jabber.ccc.de:** yes i do

(20:00:33) **Detente@jabber.ccc.de:** Yes

(20:00:40) **Detente@jabber.ccc.de:** So I decided something at that point

(20:01:22) **Detente@jabber.ccc.de:** I decided that I would continue my involvement, because you were correct that no one had been hurt, and that it was all overblown

(20:01:53) **Detente@jabber.ccc.de:** And even though I felt differently, I knew that WL was important enough that it did not matter

(20:01:57) **Detente@jabber.ccc.de:** comparatively

(20:02:11) **Detente@jabber.ccc.de:** And I did one other thing: I used the War Diary to mask my previous WL support

(20:02:25) **Detente@jabber.ccc.de:** I told my friends, "Oh, I do not like WL anymore, they are putting people at risk"

(20:02:46) **Detente@jabber.ccc.de:** Investigators came back to Boston in August (as we talked about), and they talked to some of my friends

(20:03:13) **Detente@jabber.ccc.de:** And at least one of them said "David and many of us used to like WL, but after the War Diary we stopped because they are radical"

(20:03:36) **Detente@jabber.ccc.de:** And this cover has worked out very well.

(20:04:06) **Detente@jabber.ccc.de:** When the FBI called me to meet, they asked me if I had ever had email contact with J

(20:04:32) **Detente@jabber.ccc.de:** And I knew that they could _maybe_ see that unencrypted email that I sent him in early July

(20:04:37) **Detente@jabber.ccc.de:** And that would be very bad.

(20:05:07) **Detente@jabber.ccc.de:** I've told the FBI that I am angry at WL for "hijacking the open-government movement"

(20:05:30) **Detente@jabber.ccc.de:** And that I run an anti-censorship software group in Cambridge

(20:05:38) **Detente@jabber.ccc.de:** (these are the offices we are building)

(20:05:53) **Detente@jabber.ccc.de:** I am currently making a website for my software group, called Counsel

(20:06:22) **Detente@jabber.ccc.de:** it is a digital activism network, and I plan to release several software projects I have been working on in the near future

(20:06:28) **Detente@jabber.ccc.de:** and use Counsel as a cover for travel

(20:06:36) **Detente@jabber.ccc.de:** So what I am saying is this:

(20:07:03) **Detente@jabber.ccc.de:** I have a counter-narrative which is that I am an open-government advocate, but I believe WL is hurting the movement

(20:07:17) **Detente@jabber.ccc.de:** And I author anti-censorship software to help people in Iran, China, etc

(20:07:28) **Detente@jabber.ccc.de:** And I use this development group as a reason for travel

(20:07:45) **Detente@jabber.ccc.de:** This should keep the heat off of me for a little while, if I manage this narrative properly

(20:08:09) **Singi201@jabber.ccc.de:** all this it looks exactly like you were saying "your position loose"

(20:08:15) **Detente@jabber.ccc.de:** And since many people in WL also have links to the open-government movement (Appelbaum, etc) it provides a decent reason for MEETING with these people

(20:08:21) **Detente@jabber.ccc.de:** ?

(20:09:17) **Singi201@jabber.ccc.de:** i've had a couple of conversation with people, where the tell me about them , what the belive in etc....and they end the conversation be resignin from wikileaks

(20:09:28) **Singi201@jabber.ccc.de:** but continue:)

(20:09:37) **Detente@jabber.ccc.de:** Hm?

(20:09:39) **Detente@jabber.ccc.de:** No

(20:09:43) **Detente@jabber.ccc.de:** I do not ACTUALLY believe these things

(20:09:46) **Detente@jabber.ccc.de:** This is my cover

(20:09:52) **Detente@jabber.ccc.de:** This is what people who know me think

(20:10:00) **Detente@jabber.ccc.de:** This is why I am so discreet.

(20:10:05) **Detente@jabber.ccc.de:** Even my girlfriend thinks I do not like WL.

(20:10:10) **Singi201@jabber.ccc.de:** aah ok got it

(20:10:26) **Detente@jabber.ccc.de:** I am trying very, very hard to make myself look unimportant to the feds.

(20:10:49) **Detente@jabber.ccc.de:** Please, go back and re-read everything I typed, but keep in mind that it is my public image and not actually me.

(20:12:07) **Detente@jabber.ccc.de:** Please tell me your opinion on this.

(20:12:11) **Detente@jabber.ccc.de:** I have a big question:

(20:12:25) **Detente@jabber.ccc.de:** Is it better to be public in my support for WL, or to be 'undercover'?

(20:12:43) **Detente@jabber.ccc.de:** Because at this point, I can do either.

(20:13:31) **Detente@jabber.ccc.de:** I need some direction from you on this.

(20:14:23) **Singi201@jabber.ccc.de:** you need directions from me on this hmmm why:)?

(20:14:34) **Detente@jabber.ccc.de:** Because I do not want to upset you or J

(20:14:45) **Detente@jabber.ccc.de:** And I need to work this out now instead of later

(20:14:51) **Detente@jabber.ccc.de:** So we are all on the same page

(20:15:17) **Singi201@jabber.ccc.de:** i am publicly known for involvement with wikileaks, i do not recomend that for you, because at this point, there is no need for you to be publicly known, it can only danger you

(20:15:26) **Detente@jabber.ccc.de:** ok

(20:15:58) **Singi201@jabber.ccc.de:** i am safe and happy from the fbi etc... in iceland on the other hand you are not safe from them if you publicly say im involved with wl

(20:16:12) **Detente@jabber.ccc.de:** Is it okay if I continue with my current persona, and be upset at WL publicly over the war diary in order to make people think I am not involved?

(20:16:20) **Detente@jabber.ccc.de:** Do you understand why I am being cautious?

(20:16:35) **Singi201@jabber.ccc.de:** yes i accept your current persona

(20:16:43) **Singi201@jabber.ccc.de:** i think it's a brilliant idea

(20:16:48) **Detente@jabber.ccc.de:** Ok... :) I have worked VERY hard to build up this false image around myself

(20:16:58) **Detente@jabber.ccc.de:** I was worried that you might think it was a bad idea

(20:17:09) **Detente@jabber.ccc.de:** But yes, if I am ever arrested

(20:17:18) **Singi201@jabber.ccc.de:** did you call the lawyerS?

(20:17:24) **Detente@jabber.ccc.de:** No, not yet

(20:17:33) **Detente@jabber.ccc.de:** I needed to cover this with you first

(20:17:37) **Detente@jabber.ccc.de:** And as SOON as I call them

(20:17:41) **Detente@jabber.ccc.de:** My phone is tapped

(20:17:47) **Detente@jabber.ccc.de:** The FBI will know that I am getting a lawyer

(20:17:56) **Detente@jabber.ccc.de:** And they will make their move, if they are going to

(20:18:07) **Singi201@jabber.ccc.de:** well it is your constitutional right to have a lawyer present right?

(20:18:21) **Detente@jabber.ccc.de:** Yes

(20:18:24) **Detente@jabber.ccc.de:** But listen

(20:18:33) **Detente@jabber.ccc.de:** Here is my plan

(20:18:41) **Detente@jabber.ccc.de:** The next time the government calls me

(20:18:43) **Singi201@jabber.ccc.de:** you might look innocent if you meet them without lawyer

(20:18:50) **Detente@jabber.ccc.de:** Yes

(20:19:10) **Singi201@jabber.ccc.de:** is he just requesting to meet you over a cup a coffee or?

(20:19:23) **Detente@jabber.ccc.de:** Here is my next point

(20:19:35) **Detente@jabber.ccc.de:** I met with them yesterday

(20:19:38) **Detente@jabber.ccc.de:** :)

(20:19:51) **Singi201@jabber.ccc.de:** oh nice thanks for telling me:)

(20:19:53) **Detente@jabber.ccc.de:** I could not talk about it yesterday because I was too busy running around

(20:20:00) **Detente@jabber.ccc.de:** Yeah, yeah, I was playing safe :P

(20:20:02) **Detente@jabber.ccc.de:** Listen

(20:20:04) **Singi201@jabber.ccc.de:** would of been nice to know before though:p

(20:20:11) **Detente@jabber.ccc.de:** I need to tell you what happened

(20:20:15) **Detente@jabber.ccc.de:** I told you before!

(20:20:23) **Detente@jabber.ccc.de:** I told you "The FBI wants to meet this Saturday"

(20:20:32) **Detente@jabber.ccc.de:** I told you that on Thursday or something

(20:20:33) Singi201@jabber.ccc.de: oh you did:S
(20:20:47) Singi201@jabber.ccc.de: ah i read it like the wanted to see you on thursday:s
(20:20:51) Singi201@jabber.ccc.de: my bad
(20:21:01) Detente@jabber.ccc.de: I needed to have this conversation with you first
(20:21:16) Detente@jabber.ccc.de: Ok, do you want to know what happened?
(20:21:36) Singi201@jabber.ccc.de: no
(20:21:36) Detente@jabber.ccc.de: Anyway, yes, I should have said "I HAVE NEWS" yesterday, but I did not because there was too much to explain
(20:21:42) Singi201@jabber.ccc.de: well off course i do:D
(20:21:47) Detente@jabber.ccc.de: :D
(20:21:59) Detente@jabber.ccc.de: Ok
(20:22:02) Detente@jabber.ccc.de: So I meet with two people
(20:22:07) Detente@jabber.ccc.de: One is named Brett
(20:22:10) Detente@jabber.ccc.de: The other is named Lorie
(20:22:19) Detente@jabber.ccc.de: B is from Washington, DC field office
(20:22:24) Detente@jabber.ccc.de: L is from Boston field office
(20:22:38) Detente@jabber.ccc.de: I wore my suit!
(20:22:43) Detente@jabber.ccc.de: I look nice in a suit.
(20:22:46) Singi201@jabber.ccc.de: and they are fbi agents?
(20:22:49) Detente@jabber.ccc.de: And they met me at MIT
(20:22:50) Singi201@jabber.ccc.de: haha good to know that
(20:22:50) Detente@jabber.ccc.de: Yes
(20:22:52) Detente@jabber.ccc.de: Two women
(20:23:02) Singi201@jabber.ccc.de: Brett i thought that was a guy name:P
(20:23:05) Singi201@jabber.ccc.de: but ok continue
(20:23:06) Detente@jabber.ccc.de: Yes, me too
(20:23:19) Detente@jabber.ccc.de: I have their cards if you want to see them, I could scan them or something
(20:23:28) Singi201@jabber.ccc.de: yes please do so)
(20:23:57) Singi201@jabber.ccc.de: shall i call him? hello im calling from wl field office in iceland
(20:23:57) Detente@jabber.ccc.de: ok
(20:24:02) Detente@jabber.ccc.de: Haha
(20:24:07) Detente@jabber.ccc.de: Do not do that!
(20:24:14) Detente@jabber.ccc.de: :P
(20:24:16) Singi201@jabber.ccc.de: but it would be hilarious :P
(20:24:21) Detente@jabber.ccc.de: That is really funny
(20:24:25) Detente@jabber.ccc.de: Ok maybe you should do that
(20:24:27) Detente@jabber.ccc.de: :P
(20:24:30) Detente@jabber.ccc.de: Ok listen!
(20:24:30) Singi201@jabber.ccc.de: haha no i wont
(20:24:35) Singi201@jabber.ccc.de: continue
(20:24:38) Detente@jabber.ccc.de: So they are very nervous
(20:24:44) Singi201@jabber.ccc.de: about
(20:24:47) Detente@jabber.ccc.de: No idea
(20:24:51) Detente@jabber.ccc.de: Just in general
(20:24:56) Detente@jabber.ccc.de: They do not look me in the eye at first
(20:25:02) Detente@jabber.ccc.de: I am being very charismatic
(20:25:10) Detente@jabber.ccc.de: Then they start asking me questions
(20:25:23) Detente@jabber.ccc.de: They want to know if I know of anyone with WL that solicited documents from Manning
(20:25:37) Detente@jabber.ccc.de: I tell them the truth (no)
(20:25:51) Detente@jabber.ccc.de: And then they ask me what I do, what I believe, etc
(20:25:55) Detente@jabber.ccc.de: And I tell them the narrative:
(20:26:03) Detente@jabber.ccc.de: I am an open-government advocate

(20:26:10) **Detente@jabber.ccc.de:** And I am pissed off at WL

(20:26:18) **Detente@jabber.ccc.de:** They asked me if I ever had contact with WL people

(20:26:21) **Detente@jabber.ccc.de:** and I say two things

(20:26:45) **Detente@jabber.ccc.de:** "It is impossible to be involved in anti-censorship software and not know someone who knows someone who works in WL"

(20:26:47) **Detente@jabber.ccc.de:** And

(20:27:26) **Detente@jabber.ccc.de:** "I worked for the Manning support network, and the Support Network had to make contact with WL to receive funds for Manning's defense"

(20:27:29) **Detente@jabber.ccc.de:** All public knowledge

(20:27:39) **Detente@jabber.ccc.de:** (they knew that I was in the Manning support network"

(20:27:47) **Detente@jabber.ccc.de:** I convinced them that I am upset at J

(20:27:51) **Detente@jabber.ccc.de:** Like, really upset

(20:27:59) **Detente@jabber.ccc.de:** And that I think he is "hurting the open-government movement"

(20:28:26) **Detente@jabber.ccc.de:** And I convinced them that many people in Boston liked wikileaks, but many people (myself included) hated WL after the war diary leak

(20:28:32) **Detente@jabber.ccc.de:** So

(20:28:56) **Detente@jabber.ccc.de:** I am confident that my meeting with them, explained many of the evidence they may have about me from June

(20:28:59) **Detente@jabber.ccc.de:** What do you think?

(20:29:25) **Singi201@jabber.ccc.de:** if i was an fbi investigator, i would look at this in two ways

(20:29:34) **Detente@jabber.ccc.de:** ok

(20:29:48) **Detente@jabber.ccc.de:** keep in mind that I am very convincing :)

(20:31:18) **Singi201@jabber.ccc.de:** Either he hates wikileaks really much, than we don't have to mind him more, or he just tried to convince us he hates wl, i don't think you are off the hook, for now, but don't go to the Boston paper and make a front page "DH hates wikileaks" then they will figure out ok he was just trying to convince us, but if you lay low for couple of days, or just behave like you have the last days, than you should be fine

(20:31:33) **Singi201@jabber.ccc.de:** but keep in mind, i don't know how the fbi works, or nothing related to that

(20:32:01) **Detente@jabber.ccc.de:** ok

(20:32:05) **Detente@jabber.ccc.de:** I have been completely normal acting

(20:32:22) **Detente@jabber.ccc.de:** That is another reason why I did not rush to a coffee shop to tell you this yesterday :P

(20:32:32) **Singi201@jabber.ccc.de:** :)

(20:32:54) **Detente@jabber.ccc.de:** I have my computer on my body at all times, my friends think I do not like WL, and I have not told a soul of my involvement

(20:33:17) **Detente@jabber.ccc.de:** Furthermore, I have a legitimate reasons for being mad at WL, and there is no connection between me and WL or me and Manning

(20:33:22) **Detente@jabber.ccc.de:** Except for these chats.

(20:33:28) **Detente@jabber.ccc.de:** And my trip to Canada.

(20:33:33) **Detente@jabber.ccc.de:** But only those two things.

(20:33:48) **Detente@jabber.ccc.de:** And the chats are encrypted, so they only know that I am talking to someone, but cannot see what I say

(20:34:12) **Detente@jabber.ccc.de:** I have tried to be very careful, and I want an honest assessment from you.

(20:34:46) **Detente@jabber.ccc.de:** Do you I am a security risk?

(20:34:50) **Detente@jabber.ccc.de:** *think

(20:35:13) **Detente@jabber.ccc.de:** Or do you think these risks are manageable?

(20:37:22) **Singi201@jabber.ccc.de:** well every staff memeber in wikileaks, wether he has unclassified or classified access he is and will always be a security risk, but nearly all security risk with our current memebers, are manageable, and if you didn't think your risk was manageable is don't think i would be talking to you

(20:37:40) **Detente@jabber.ccc.de:** :)

(20:37:50) **Detente@jabber.ccc.de:** Ok. Then we are now on the same page.
(20:38:01) **Detente@jabber.ccc.de:** I think the risks are definitely manageable.
(20:38:39) **Singi201@jabber.ccc.de:** i need to run, my girlfriends here, i'll be back in about half hour,
(20:38:50) **Detente@jabber.ccc.de:** ok
(20:38:52) **Detente@jabber.ccc.de:** wait ONE MORE THING
(20:38:56) **Detente@jabber.ccc.de:** This is important
(20:39:00) **Detente@jabber.ccc.de:** REALLY IMPORTANT
(20:39:12) **Singi201@jabber.ccc.de:** then continue and tell me instead of telling me it's important:)
(20:39:20) **Detente@jabber.ccc.de:** My hackerspace I run, builds.cc , we have found a vulnerability in OTR chat
(20:39:41) **Detente@jabber.ccc.de:** Essentially, someone can spoof their OTR identity if they ever have access to your computer
(20:39:54) **Detente@jabber.ccc.de:** It is unlikely, but it can happen, and you + J should know about it
(20:39:58) **Detente@jabber.ccc.de:** We are considering publishing it
(20:40:06) **Detente@jabber.ccc.de:** Would you like to see the advance copy?
(20:40:16) **Singi201@jabber.ccc.de:** tell me all about later on, i'll be back in 15-30 minutes
(20:40:22) **Detente@jabber.ccc.de:** I will not be
(20:40:28) **Detente@jabber.ccc.de:** But I will be on in 1-2 hours
(20:40:31) **Detente@jabber.ccc.de:** Bye sir
(02:24:10) **Singi201@jabber.ccc.de:** hi

(02:24:59) **Singi201@jabber.ccc.de:** did i tell you it's only month to my birthday:O

(06:28:35) **Detente@jabber.ccc.de:** Happy birthday :D

(06:28:44) **Detente@jabber.ccc.de:** How old will you be?

(06:28:47) **Detente@jabber.ccc.de:** :)

(15:24:03) **Detente@jabber.ccc.de:** hey sig

(15:25:50) **Singi201@jabber.ccc.de:** hoi+

(15:26:43) **Singi201@jabber.ccc.de:** "J: i have something set up now

(14:34:00) **J:** although only user level presently.

(14:34:11) **J:** but on a well secured machine

(14:34:14) **J:** in sweden"

(15:26:57) **Detente@jabber.ccc.de:** the site just needs input from J about the static issue

(15:28:01) **Singi201@jabber.ccc.de:** has he added you?

(15:28:11) **Detente@jabber.ccc.de:** no

(15:28:27) **Singi201@jabber.ccc.de:** can you write a letter and i'll send it to him

(15:28:37) **Detente@jabber.ccc.de:** yes

(15:28:46) **Detente@jabber.ccc.de:** that will take longer

(15:28:51) **Detente@jabber.ccc.de:** but I can do that

(15:29:02) **Detente@jabber.ccc.de:** who is in charge of migration?

(15:29:09) **Singi201@jabber.ccc.de:** you:P

(15:29:18) **Singi201@jabber.ccc.de:** just write what you need to know:)

(15:29:27) **Detente@jabber.ccc.de:** ok

(15:34:54) **Detente@jabber.ccc.de:** Regarding static pages: As you know, django is template-driven and dynamic. Pages are rendered base on responses from a sqlite3 database -- which means that story headlines and associated content are stored within a database. Your concern is that the content of the site may one day disappear if we do not have static pages. My proposed solution is to generate and archive these pages, but not to serve them using django -- that is, to only keep static versions for our records. This can be accomplished post-production, and will make development with django much easier. After all, django was not meant to

serve static pages, but can generate and store them just fine with a bit of post-production script magic.

(15:35:00) **Detente@jabber.ccc.de:** That's the gist of it

(15:35:53) **Detente@jabber.ccc.de:** To generate static pages post-production, all we must do is keep a copy of the sqlite3 database

(15:36:07) **Detente@jabber.ccc.de:** From this database, every page on the website can be generated

(15:36:27) **Detente@jabber.ccc.de:** And every story can be found and generated

(15:36:54) **Detente@jabber.ccc.de:** So as long as we keep backups of the database, we can generate the static page archive at any point in time.

(15:37:02) **Detente@jabber.ccc.de:** *generate

(15:37:14) **Detente@jabber.ccc.de:** Forgive me typos, I am moving quickly :)

(15:39:27) **Detente@jabber.ccc.de:** In the interest of time, I would suggest taking this approach.

(15:39:56) **Detente@jabber.ccc.de:** Static page serving could be inherent to the system, but we would be much better off using a LAMP stack for this project and not django, if that were the case

(15:40:11) **Detente@jabber.ccc.de:** Which means the backend must be rewritten to make static page-serving inherent :P

(15:40:30) **Detente@jabber.ccc.de:** Or, we take this approach

(15:40:39) **Detente@jabber.ccc.de:** Those are, roughly, the choices I have

(15:41:02) **Singi201@jabber.ccc.de:** which one do you recommend?

(15:41:46) **Detente@jabber.ccc.de:** rewriting the backend would take needlessly long

(15:41:48) **Detente@jabber.ccc.de:** *long

(15:41:57) **Detente@jabber.ccc.de:** I recommend moving ahead with what we have

(15:43:05) **Singi201@jabber.ccc.de:** ok let's do that, j isn't responding

(15:43:12) **Detente@jabber.ccc.de:** ok

(15:43:22) **Detente@jabber.ccc.de:** I need server login details to get started

(15:45:48) **Singi201@jabber.ccc.de:** can you add to the site contact us: news@wikileaks.org

(15:46:01) **Singi201@jabber.ccc.de:** yes login stuff, j needs to respond so i can get those

(15:46:02) **Singi201@jabber.ccc.de:** those

(15:46:03) **Singi201@jabber.ccc.de:** those

(15:48:30) **Detente@jabber.ccc.de:** ok

(15:48:39) **Detente@jabber.ccc.de:** sorry, was in shower :P

(15:49:03) **Singi201@jabber.ccc.de:** for 5 minutes how is that possible

(15:49:14) **Detente@jabber.ccc.de:** I am quick with showers

(15:49:20) **Detente@jabber.ccc.de:** :)

(15:49:30) **Detente@jabber.ccc.de:** ok, I will add a contact us section

(15:50:46) **Detente@jabber.ccc.de:** oh btw

(15:50:50) **Detente@jabber.ccc.de:** happy birthday!

(15:51:00) **Detente@jabber.ccc.de:** well, happy early birthday

(15:51:06) **Singi201@jabber.ccc.de:** it's next month:P

(15:51:15) **Detente@jabber.ccc.de:** how old will you be :)

(15:51:24) **Singi201@jabber.ccc.de:** XX years old:)

(15:51:27) **Detente@jabber.ccc.de:** meh

(15:51:36) **Detente@jabber.ccc.de:** I was thinking, you still need to prove to me that you are not CIA

(15:51:38) **Detente@jabber.ccc.de:** or Mossad

(15:51:57) **Singi201@jabber.ccc.de:** haha and how should i do that:)

(15:52:08) **Detente@jabber.ccc.de:** show me the countryside!

(15:52:31) **Detente@jabber.ccc.de:** in person, not in film

(15:52:45) **Singi201@jabber.ccc.de:** haha:) no prob

(15:57:41) **Singi201@jabber.ccc.de:** btw otr vulnerability?

(15:57:49) **Detente@jabber.ccc.de:** yes

(15:58:11) **Detente@jabber.ccc.de:** one of my hackers at builds has been working on this

(15:58:34) **Detente@jabber.ccc.de:** he discovered yesterday that it is very easy to find the OTR private key stored on your computer

(15:58:43) **Detente@jabber.ccc.de:** The file is not protected or anything

(15:59:01) **Detente@jabber.ccc.de:** And he was able to make all of his computers appear to use the same private key, which sounds trivial

(15:59:04) **Detente@jabber.ccc.de:** (it is)

(16:00:09) **Detente@jabber.ccc.de:** But, then he started testing whether conversations could be intercepted if two people had their computer's physical security compromised

(16:00:24) **Detente@jabber.ccc.de:** (someone sticks in a USB stick and copies your OTR private key, etc)

(16:00:32) **Detente@jabber.ccc.de:** And he said that he wants to show me the results today

(16:01:03) **Detente@jabber.ccc.de:** So A) OTR private keys are easy to access and copy and there is no security as to WHO uses your private key

(16:01:22) **Detente@jabber.ccc.de:** And B) this might lead to a scary vulnerability, which he is currently investigating

(16:01:27) **Detente@jabber.ccc.de:** God, I love having a hackerspace.

(16:03:24) **Singi201@jabber.ccc.de:** when will you meet him

(16:03:31) **Detente@jabber.ccc.de:** do not know

(16:03:32) **Detente@jabber.ccc.de:** when I have time

(16:03:35) **Detente@jabber.ccc.de:** :)

(16:03:49) **Singi201@jabber.ccc.de:** can you inform wl on this befor and if you will go public with this

(16:05:25) **Detente@jabber.ccc.de:** yes

(16:05:57) **Detente@jabber.ccc.de:** wl will have 2 weeks advance notice

(16:06:25) **Detente@jabber.ccc.de:** but I do not think that going public is a good idea right now

(16:06:32) **Detente@jabber.ccc.de:** if it turns out to be a problem..

(16:06:40) **Detente@jabber.ccc.de:** wl must change the way they communicate

(16:06:50) **Detente@jabber.ccc.de:** hey, I must bike to campus

(16:06:55) **Detente@jabber.ccc.de:** I am meeting my boss for lunch

(16:06:58) **Singi201@jabber.ccc.de:** oki dok;)

(16:07:11) **Detente@jabber.ccc.de:** back in 2 hours or less; if you get login details by then, I will be ready ;)

(16:07:12) **Detente@jabber.ccc.de:** bye

(16:09:17) **Singi201@jabber.ccc.de:** is root level access nessasary?

(17:43:25) **Detente@jabber.ccc.de:** Hallo!

(17:43:34) **Singi201@jabber.ccc.de:** hello

(17:43:57) **Singi201@jabber.ccc.de:** no you need root access level to add the site?

(17:44:41) **Detente@jabber.ccc.de:** most likely I will need to install python/django/sqlite3, so yes

(17:44:52) **Singi201@jabber.ccc.de:** ok then the server will be ready tomorrow

(17:44:59) **Detente@jabber.ccc.de:** ok

(17:45:10) **Singi201@jabber.ccc.de:** the girl that is incharge af the facebook wl fan page, just got spooked:'8

(17:45:19) **Detente@jabber.ccc.de:** ???

(17:45:28) **Detente@jabber.ccc.de:** What happened?

(17:46:47) **Singi201@jabber.ccc.de:** no idea

(17:47:29) **Singi201@jabber.ccc.de:** <http://twitter.com/jenny8lee> this is she

(17:48:18) **Singi201@jabber.ccc.de:** [REDACTED]

(17:48:36) **Detente@jabber.ccc.de:** she is associated with wl?

(17:49:09) **Detente@jabber.ccc.de:** she goes to harvard.... close to me

(17:50:15) **Detente@jabber.ccc.de:** and she knows sloane crosley

(17:50:38) **Singi201@jabber.ccc.de:** no she was associiated with wl, sloane crosley...?

(17:50:49) **Detente@jabber.ccc.de:** just some authro

(17:50:51) **Detente@jabber.ccc.de:** *author

(17:51:03) **Singi201@jabber.ccc.de:** she was a famour writer for the NYT

(17:51:09) **Detente@jabber.ccc.de:** she was associated, but no longer?

(17:52:53) **Singi201@jabber.ccc.de:** apperantly not, the facebook page is getting almost none updates, and she stopped using her jabber account so

(17:53:14) **Singi201@jabber.ccc.de:** i just emailed her:P

(17:53:34) **Detente@jabber.ccc.de:** hm

(17:54:05) **Singi201@jabber.ccc.de:** haha i'm just realizing how huge wl is becoming, im just sitting at my

desk in iceland, and the only notice i have off pentagon,fbi,cia or something is in the movies:P

(17:55:16) **Detente@jabber.ccc.de:** :)

(17:55:32) **Singi201@jabber.ccc.de:** hey can you send me the fbi business cards?

(17:56:07) **Detente@jabber.ccc.de:** yes

(17:56:20) **Detente@jabber.ccc.de:** i must scan them first

(17:56:48) **Singi201@jabber.ccc.de:** when do you think you can do that:)'

(17:58:29) **Detente@jabber.ccc.de:** today

(17:58:45) **Detente@jabber.ccc.de:** or tonight after coding

(17:58:58) **Detente@jabber.ccc.de:** but you must first send me a picture so I know you are not cia :(

(17:59:11) **Singi201@jabber.ccc.de:** picture of? me?

(17:59:22) **Detente@jabber.ccc.de:** I send you pictures of me!

(17:59:35) **Singi201@jabber.ccc.de:** but you weren't naked:O

(17:59:40) **Detente@jabber.ccc.de:** :O

(17:59:46) **Detente@jabber.ccc.de:** :P

(17:59:54) **Detente@jabber.ccc.de:** a picture of you and J?

(18:00:07) **Detente@jabber.ccc.de:** that would be all I need

(18:00:07) **Singi201@jabber.ccc.de:** and you really think i have a picture of me and j?

(18:00:15) **Detente@jabber.ccc.de:** ...maybe?

(18:00:18) **Singi201@jabber.ccc.de:** haha no

(18:00:28) **Detente@jabber.ccc.de:** that picture of Appelbaum and J was in rolling stone :P

(18:00:36) **Detente@jabber.ccc.de:** it was funny, did you see it?

(18:00:39) **Singi201@jabber.ccc.de:** no

(18:00:45) **Detente@jabber.ccc.de:** they are both standing awkwardly in an icelandic bath

(18:00:55) **Detente@jabber.ccc.de:** just hanging out

(18:01:02) **Singi201@jabber.ccc.de:** can you find it and send to me?

(18:01:02) **Detente@jabber.ccc.de:** ilva showed me; hang on

(18:05:18) **Singi201@jabber.ccc.de:** wait i might have a picture of us on the glacier trip

(18:06:18) **Detente@jabber.ccc.de:** ok show me

(18:06:19) **Detente@jabber.ccc.de:** [REDACTED]

(18:06:31) **Singi201@jabber.ccc.de:** i am looking for it, i just rememebered

(18:06:58) **Singi201@jabber.ccc.de:** this sisn't icelandic bath, it's the blue lagoon

(18:07:26) **Detente@jabber.ccc.de:** i wouldn't know, I have not visited :)

(18:07:41) **Singi201@jabber.ccc.de:** <http://www.bluelagoon.com/>

(18:09:31) **Detente@jabber.ccc.de:** siggi, do you have any connection to appelbaum?

(18:09:48) **Detente@jabber.ccc.de:** I need to talk to him about haystack

(18:10:02) **Singi201@jabber.ccc.de:** i have him on jabber, but i don't often talk to him

(18:10:37) **Detente@jabber.ccc.de:** is he online now?

(18:10:44) **Singi201@jabber.ccc.de:** yes

(18:10:46) **Singi201@jabber.ccc.de:** or idle

(18:11:01) **Detente@jabber.ccc.de:** hm

(18:11:26) **Detente@jabber.ccc.de:** you know that me and the OTR exploit guy from builds are working on a haystack-like software project

(18:11:44) **Detente@jabber.ccc.de:** appelbaum has recently said some things about haystack

(18:12:14) **Detente@jabber.ccc.de:** I knew that haystack was shitty and insecure, and that the creator was a fraud, but I want to know what Appelbaum found out since we are writing an implementation proper

(18:12:28) **Detente@jabber.ccc.de:** could you share his jabber name, is that ok?

(18:12:58) **Singi201@jabber.ccc.de:** no i can't do that, but i'll ask him to add you ok?

(18:13:05) **Detente@jabber.ccc.de:** yes that works

(18:13:23) **Detente@jabber.ccc.de:** Tell him we had a conversation at HOPE, and fill him in on my recent involvement?

(18:13:47) **Detente@jabber.ccc.de:** He thought 50% I was a fed at hope, so he might not be willing... but we shall see :P

(18:15:40) **Detente@jabber.ccc.de:** did you find any picture, or will I have to do without?

(18:16:13) **Singi201@jabber.ccc.de:** i haven't began searching for it, until i find a picture, you will have to do without it:)

(18:16:23) **Detente@jabber.ccc.de:** :P

(18:16:28) **Singi201@jabber.ccc.de:** i think when the website is up, there is no doubt i am not cia

(18:16:34) **Detente@jabber.ccc.de:** hm

(18:16:42) **Detente@jabber.ccc.de:** ok, that is true

(18:16:49) **Detente@jabber.ccc.de:** :D

(18:19:31) **Singi201@jabber.ccc.de:** before we go online with the website, we have to do major changes on the articles etc..

(18:20:41) **Detente@jabber.ccc.de:** yes

(18:21:12) **Detente@jabber.ccc.de:** The articles should be added after the infrastructure has been switched over

(18:21:13) **Singi201@jabber.ccc.de:** please change the title from Wikileaks Blog to wikileaks news

(18:21:31) **Detente@jabber.ccc.de:** ok

(18:21:42) **Singi201@jabber.ccc.de:** are all the links working?

(18:21:56) **Singi201@jabber.ccc.de:** and the blog tab from Blog to News

(18:22:21) **Singi201@jabber.ccc.de:** can you make the Wikileaks logo if you pressed you will go to the wil site

(18:22:25) **Detente@jabber.ccc.de:** on my local machine, yes, all the links are working

(18:22:30) **Detente@jabber.ccc.de:** sure

(18:22:41) **Singi201@jabber.ccc.de:** Contact us button?

(18:22:52) **Detente@jabber.ccc.de:** ok, I will add this

(18:23:13) **Singi201@jabber.ccc.de:** why is the Vdeio so small:P?

(18:23:26) **Detente@jabber.ccc.de:** I am doing development on my local machine, so you may not see these changes synced until this evening

(18:23:34) **Detente@jabber.ccc.de:** it could be bigger

(18:23:43) **Singi201@jabber.ccc.de:** "youtube" size

(18:24:03) **Detente@jabber.ccc.de:** not a problem

(18:24:07) **Singi201@jabber.ccc.de:** great:)

(18:24:13) **Detente@jabber.ccc.de:** ok

(18:24:22) **Detente@jabber.ccc.de:** I will sync my changes tonight

(18:24:37) **Singi201@jabber.ccc.de:** aweseome:)

(18:24:45) **Detente@jabber.ccc.de:** can Sarah and Nadim add content tomorrow when it is launched?

(18:24:54) **Detente@jabber.ccc.de:** Also, what time should i expect the server login?

(18:25:01) **Detente@jabber.ccc.de:** I will stay up all night making things perfect :)

(18:25:04) **Singi201@jabber.ccc.de:** Why are you asking me:) aren't you incharge of them

(18:25:16) **Singi201@jabber.ccc.de:** :P

(18:25:21) **Detente@jabber.ccc.de:** Yes, but you told me to clear everything with you :)

(18:25:51) **Singi201@jabber.ccc.de:** yes let's hope they can

(18:26:01) **Singi201@jabber.ccc.de:** Sarah is currently gathering 100 articles about wl

(18:26:07) **Detente@jabber.ccc.de:** Great

(18:26:13) **Detente@jabber.ccc.de:** She is never online

(18:26:16) **Detente@jabber.ccc.de:** :\

(18:26:17) **Singi201@jabber.ccc.de:** i know

(18:26:24) **Detente@jabber.ccc.de:** And I do not have any real-world contact info

(18:26:31) **Detente@jabber.ccc.de:** So I am limited in what I know about her movement

(18:26:42) **Singi201@jabber.ccc.de:** her name isin't evern sarah

(18:26:56) **Detente@jabber.ccc.de:** I know :P

(18:28:17) **Detente@jabber.ccc.de:** :O

(18:28:24) **Detente@jabber.ccc.de:** or maybe she is Mossad

(18:28:26) **Detente@jabber.ccc.de:** who knows

(18:28:40) Singi201@jabber.ccc.de: who knows
(18:28:47) Singi201@jabber.ccc.de: it's a mystery

(18:29:37) Detente@jabber.ccc.de: I will start using big words soon
(18:29:42) Singi201@jabber.ccc.de: haha
(18:30:19) Detente@jabber.ccc.de: The amount of geopolitical influence assailing the fourth estate is simply egregious when compared to the decay of journalistic foundations
(18:30:26) Detente@jabber.ccc.de: Right?
(18:30:41) Detente@jabber.ccc.de: Ah, damn, I should have used 'juxtaposed'
(18:31:19) Singi201@jabber.ccc.de: i actually understood this , but if you would have used juxtaposed i would be a large ? mark in the face
(18:31:50) Detente@jabber.ccc.de: In juxtaposition to my face, which would look smug! :)
(18:31:59) Detente@jabber.ccc.de: it is a requirement to look smug when using big words
(18:32:05) Singi201@jabber.ccc.de: haha
(18:32:42) Singi201@jabber.ccc.de: do you want to know how old i will be on [REDACTED]?
(18:33:46) Singi201@jabber.ccc.de: hann er reyndar' a æfingu búinn um hálf 9
(18:34:19) Detente@jabber.ccc.de: He is reyndar'a exercise done in the half 9
(18:34:21) Detente@jabber.ccc.de: ?????
(18:34:23) Singi201@jabber.ccc.de: wups wrong windows
(18:34:31) Singi201@jabber.ccc.de: haha Google Translate?
(18:34:39) Singi201@jabber.ccc.de: it is so terrible translating icelandic
(18:34:43) Detente@jabber.ccc.de: yes
(18:34:55) Detente@jabber.ccc.de: how old will you be on [REDACTED]?
(18:35:04) Detente@jabber.ccc.de: And what do you want as a gift?
(18:35:17) Singi201@jabber.ccc.de: what i sayd there, was ment for my friend, and it says: Actually he isn't finished on practies until 8 30
(18:35:29) Detente@jabber.ccc.de: :S
(18:35:45) Singi201@jabber.ccc.de: why are you so curious about my age:p
(18:35:51) Singi201@jabber.ccc.de: i can tell you this i am younger the nyou
(18:38:24) Detente@jabber.ccc.de: Mostly because I know nothing about you, and sometimes that is alarming :|
(18:38:38) Detente@jabber.ccc.de: But after the site goes up, I will feel better
(18:38:41) Detente@jabber.ccc.de: :)
(18:38:54) Singi201@jabber.ccc.de: i will turn 18 [REDACTED]
(18:40:01) Detente@jabber.ccc.de: :O
(18:40:12) Detente@jabber.ccc.de: :O :O :O
(18:40:16) Detente@jabber.ccc.de: AWESOME
(18:41:14) Detente@jabber.ccc.de: You have a bright future ahead of you, Sig!
(18:41:26) Singi201@jabber.ccc.de: the reason for why i sayed it would be easy for you to find my age, is because in march, i got arrested, with stuff from wl, and after that we accused the icelandic governmetn for spying on us
(18:41:48) Detente@jabber.ccc.de: ah
(18:41:55) Detente@jabber.ccc.de: And this was in the papers?
(18:42:10) Singi201@jabber.ccc.de: cnn,foxnews, russia today, etc...
(18:42:21) Detente@jabber.ccc.de: Do you think the Icelandic government was really spying on you/
(18:42:29) Singi201@jabber.ccc.de: we have proof
(18:42:33) Singi201@jabber.ccc.de: and we showed it
(18:42:36) Detente@jabber.ccc.de: I thought that they liked wl overall?
(18:43:08) Singi201@jabber.ccc.de: yes they like wl, but if the us says you don't like wl then they don't
(18:43:42) Detente@jabber.ccc.de: why do they bow to the US?

(18:43:56) **Singi201@jabber.ccc.de:** they are too scared to say no
(18:44:03) **Detente@jabber.ccc.de:** Ah
(18:44:09) **Detente@jabber.ccc.de:** They are cowards
(18:44:23) **Singi201@jabber.ccc.de:** yes they are
(18:44:31) **Detente@jabber.ccc.de:** It is okay, my country is led by cowards as well
(18:44:32) **Singi201@jabber.ccc.de:** did you know that the prime minister is a lesbian:P
(18:44:43) **Detente@jabber.ccc.de:** That does not make her cowardly, just cute
(18:44:48) **Detente@jabber.ccc.de:** :P
(18:45:12) **Singi201@jabber.ccc.de:** off course it dosen't maker her a coward
(18:45:29) **Singi201@jabber.ccc.de:** brb
(18:45:38) **Detente@jabber.ccc.de:** ok
(18:49:01) **Singi201@jabber.ccc.de:** back
(18:53:35) **Singi201@jabber.ccc.de:** <http://www.mediaite.com/online/best-leak-ever-jon-stewart-mocks-media-coverage-of-wikileaks-controversy/> this is so funny
(19:52:05) **Singi201@jabber.ccc.de:** do you see the link i just sent you:) now it's on the twitter wall for wikileaks

(19:53:48) **Detente@jabber.ccc.de:** ?
(19:54:09) **Singi201@jabber.ccc.de:** (18:45:38) **David:** ok
(18:49:01) **Singi201@jabber.ccc.de:** back
(18:53:35) **Singi201@jabber.ccc.de:** <http://www.mediaite.com/online/best-leak-ever-jon-stewart-mocks-media-coverage-of-wikileaks-controversy/> this is so funny
(19:54:28) **Detente@jabber.ccc.de:** haaha
(19:54:32) **Detente@jabber.ccc.de:** I never saw that
(19:54:53) **Singi201@jabber.ccc.de:** oh my the moment i can proof something i didn't see that that's a scandal
(19:54:54) **Detente@jabber.ccc.de:** I have been away and just returned, but my computer was sleeping
(19:54:58) **Detente@jabber.ccc.de:** :)
(19:55:14) **Detente@jabber.ccc.de:** (03:43:57 PM) **detente:** Siggi, there is a problem
(19:55:19) **Detente@jabber.ccc.de:** did you get that?
(19:55:22) **Singi201@jabber.ccc.de:** no
(19:55:27) **Detente@jabber.ccc.de:** ...
(19:55:31) **Singi201@jabber.ccc.de:** when did you send it
(19:55:40) **Detente@jabber.ccc.de:** 12 minutes ago
(19:55:50) **Singi201@jabber.ccc.de:** i wasn't online 12 mintues ago?
(19:55:55) **Detente@jabber.ccc.de:** o.0
(19:55:59) **Detente@jabber.ccc.de:** It said you were?
(19:56:23) **Detente@jabber.ccc.de:** Hey listen, there is a problem
(19:56:27) **Singi201@jabber.ccc.de:** ah the computer was on, but not sleeping, and it was in the car, and might have picked up some wifi
(19:56:32) **Singi201@jabber.ccc.de:** ok problem tell me'
(19:56:57) **Detente@jabber.ccc.de:** My friend showed me that he can get my OTR private key AND my pidgin password if he has access to my computer
(19:57:18) **Detente@jabber.ccc.de:** He can see all contacts, and communicate as 'verified' with any contacts
(19:57:27) **Detente@jabber.ccc.de:** but there is more
(19:57:58) **Singi201@jabber.ccc.de:** Please send me an report on this, i will distribute it to Wikileaks classified members, and recomend change of communications
(19:58:03) **Detente@jabber.ccc.de:** He is working on an exploit tonight. It is a web page, and if you visit it, it steals your OTR information and jabber password from your computer
(19:58:04) **Detente@jabber.ccc.de:** Ok
(19:58:12) **Detente@jabber.ccc.de:** We believe we have a fix
(19:58:26) **Detente@jabber.ccc.de:** But I need to wait until we test the web page attac
(19:58:28) **Detente@jabber.ccc.de:** *attack

(19:58:38) **Detente@jabber.ccc.de:** I would MUCH prefer to run this by Appelbaum
(19:58:46) **Detente@jabber.ccc.de:** as he knows his stuff when it comes to encryption
(19:58:56) **Detente@jabber.ccc.de:** If you can arrange this conversation, it would be nice
(19:59:02) **Detente@jabber.ccc.de:** And I will prepare a report tomorrow
(19:59:06) **Detente@jabber.ccc.de:** after the site launches
(19:59:20) **Singi201@jabber.ccc.de:** the wiki news site?
(19:59:27) **Detente@jabber.ccc.de:** yes
(19:59:42) **Detente@jabber.ccc.de:** we will not release an exploit for OTR in pidgin unless we first write a patch
(19:59:55) **Detente@jabber.ccc.de:** if we Oday pidgin otr, a lot of good people could be hurt
(20:00:03) **Detente@jabber.ccc.de:** wl has priority on this.
(20:03:13) **Singi201@jabber.ccc.de:** does anyone know that wl has priority on this beside you?
(20:03:22) **Detente@jabber.ccc.de:** no
(20:03:35) **Detente@jabber.ccc.de:** My friend knows that I am involved in anti-censorship work
(20:04:22) **Detente@jabber.ccc.de:** I told him "a lot of Iranian activists, anti-censorship people, good Russian hackers, and open journalism activists may be hurt if we release this too soon"
(20:04:57) **Detente@jabber.ccc.de:** but he knows of Appelbaum's work with ToR, so if I suggest that Appelbaum look at this, my friend will not be too suspicious
(20:05:18) **Detente@jabber.ccc.de:** Does this make sense?
(20:07:06) **Singi201@jabber.ccc.de:** yes, i will give Appelbaum the report, and then likely he will add you
(20:07:14) **Detente@jabber.ccc.de:** ok
(20:07:22) **Detente@jabber.ccc.de:** I will add this to my todo list
(20:07:24) **Singi201@jabber.ccc.de:** sounds ok?
(20:07:53) **Detente@jabber.ccc.de:** yep
(20:08:01) **Singi201@jabber.ccc.de:** what other communication way would you recomend?
(20:08:21) **Detente@jabber.ccc.de:** I would recommend patching the pidgin problems and sticking with otr
(20:08:30) **Detente@jabber.ccc.de:** but A would know better on this
(20:12:23) **Singi201@jabber.ccc.de:** J already know's of this problem
(20:20:08) **Singi201@jabber.ccc.de:** don't you think your account is compromised if he got your otr key and stuff
(20:20:25) **Detente@jabber.ccc.de:** he does not have my otr key
(20:20:35) **Detente@jabber.ccc.de:** I do not let my computer out of my sight, ever
(20:20:42) **Detente@jabber.ccc.de:** it is a netbook that I sleep with
(20:21:04) **Detente@jabber.ccc.de:** he would have to have access to my machine, and he does not; furthermore, he would not tell me about the exploit if he did
(20:21:26) **Detente@jabber.ccc.de:** he is working under me, so I doubt he will try any tricks, but I will keep my eyes open ;0
(20:22:15) **Singi201@jabber.ccc.de:** couse if he finds a direct connection to wl from you, you could be in serious danger
(20:22:59) **Detente@jabber.ccc.de:** no
(20:23:04) **Detente@jabber.ccc.de:** well, possibly
(20:23:10) **Detente@jabber.ccc.de:** but he believe similar to me
(20:23:22) **Detente@jabber.ccc.de:** he went to hope with me, saw the appelbaum talk, etc
(20:23:25) **Detente@jabber.ccc.de:** he's pro-wl
(20:23:47) **Detente@jabber.ccc.de:** How would he find a connection from WL to me?
(20:23:56) **Singi201@jabber.ccc.de:** if he has access to your computer...
(20:24:02) **Detente@jabber.ccc.de:** ...
(20:24:12) **Detente@jabber.ccc.de:** I said he does *not* have access to my computer
(20:24:18) **Singi201@jabber.ccc.de:** yes i know
(20:24:19) **Singi201@jabber.ccc.de:** i know
(20:24:20) **Detente@jabber.ccc.de:** No one does, except for me.
(20:24:22) **Detente@jabber.ccc.de:** ok
(20:24:50) **Singi201@jabber.ccc.de:** about the website

(20:24:53) **Detente@jabber.ccc.de:** So yes, if anyone has access to my computer for long enough, they may be able to do some damage

(20:25:05) **Detente@jabber.ccc.de:** But that does not happen, and if it did, you+nadim would know immediately

(20:25:07) **Detente@jabber.ccc.de:** :)

(20:25:58) **Singi201@jabber.ccc.de:** about the website, can you add like rss feed,from google news and icerocket

(20:26:11) **Detente@jabber.ccc.de:** no idea

(20:26:24) **Detente@jabber.ccc.de:** probably yes, but that has not been worked into the design

(22:08:18) **Detente@jabber.ccc.de:** I am here if you need me :)

(22:10:30) **Singi201@jabber.ccc.de:** im here akso if you need me

(22:10:50) **Singi201@jabber.ccc.de:** hey ca you do something for me though

(22:15:12) **Singi201@jabber.ccc.de:** you can write about what you think about me and talk to nadim as wll and write what you think about so i can send to J he wants to know

(22:16:46) **Detente@jabber.ccc.de:** hm?

(22:16:53) **Detente@jabber.ccc.de:** can you explain a bit more?

(22:17:31) **Singi201@jabber.ccc.de:** i nee you and nadim no write a report on me, say what kind of a supervisor i am etc.... and i need to send a copy to j and a security officer

(22:17:51) **Detente@jabber.ccc.de:** yes, I can do this

(22:18:03) **Detente@jabber.ccc.de:** is this normal protocol?

(22:18:23) **Singi201@jabber.ccc.de:** yes, but usally the security officer only get's the review

(22:18:46) **Detente@jabber.ccc.de:** ok

(22:19:03) **Detente@jabber.ccc.de:** how urgent is this?

(22:19:28) **Detente@jabber.ccc.de:** 30 minutes

(22:20:45) **Singi201@jabber.ccc.de:** you need to mention what's good about, why i should continue to be your handler, what is bad about etc..

(22:20:45) **Detente@jabber.ccc.de:** you mean, how you actually investigated whether he was lying or not?

(22:21:17) **Singi201@jabber.ccc.de:** yes

(03:07:12) **Detente@jabber.ccc.de:** Also, don't I owe you some photoshop pictures or something? :O

(03:08:02) **Singi201@jabber.ccc.de:** that won't happen, he trusts my judgement, so that won't happen, though i says from time to time, be careful around david, people who are involved with wl in the us are in danger, etc... he hasn't ruled you out as a double agent, he hasn't done that to anyone inside us

(03:08:19) **Detente@jabber.ccc.de:** that makes sense

(03:08:29) **Detente@jabber.ccc.de:** what will it take for trust to be established?

(03:09:13) **Singi201@jabber.ccc.de:** i don't know

(03:09:21) **Singi201@jabber.ccc.de:** it just comes with time

(03:09:27) **Detente@jabber.ccc.de:** Ok, at least that is an honest answer :)

(14:39:29) **Detente@jabber.ccc.de:** there is still some work to be done

(14:39:39) **Detente@jabber.ccc.de:** but I can do this work in parallel with deployment

(14:39:40) **Singi201@jabber.ccc.de:** nadim told be that you were both ready

(17:11:34) **Detente@jabber.ccc.de:** :) We should talk on Skype

(17:11:44) **Detente@jabber.ccc.de:** Ok, I have added your suggestions to my queue

(17:11:44) **Singi201@jabber.ccc.de:** can you give me a list of all packages that need to be installed on the box?

(17:11:49) **Detente@jabber.ccc.de:** Sure
(17:11:52) **Detente@jabber.ccc.de:** Python
(17:11:53) **Detente@jabber.ccc.de:** Django
(17:12:02) **Detente@jabber.ccc.de:** Start with that
(17:12:50) **Detente@jabber.ccc.de:** Yes, you can create groups
(17:12:54) **Detente@jabber.ccc.de:** I have not merged my updates yet
(17:13:02) **Detente@jabber.ccc.de:** You will see these changes after merging
(17:13:10) **Detente@jabber.ccc.de:** Roger on the dots
(17:13:40) **Detente@jabber.ccc.de:** When will I have access to the server?
(17:16:39) **Singi201@jabber.ccc.de:** working on it right now
(17:17:08) **Detente@jabber.ccc.de:** jesus
(17:17:16) **Detente@jabber.ccc.de:** my girlfriend fainted this morning
(17:17:28) **Detente@jabber.ccc.de:** and my grandmother is dying
(17:17:31) **Detente@jabber.ccc.de:** like, right now
(17:17:40) **Singi201@jabber.ccc.de:** no other dependencies? than django and python?
(17:17:43) **Singi201@jabber.ccc.de:** what?
(17:17:57) **Detente@jabber.ccc.de:** and the fbi just called
(17:18:10) **Detente@jabber.ccc.de:** So I have a lot of stuff to take care of for the next hour or so
(17:18:14) **Singi201@jabber.ccc.de:** waht

(17:18:42) **Detente@jabber.ccc.de:** they left a voicemail

(17:19:01) **Detente@jabber.ccc.de:** I will talk to you before I call them back
(17:19:04) **Detente@jabber.ccc.de:** Ok?

(17:32:03) **Singi201@jabber.ccc.de:** <http://wikileaksstream.tumblr.com/> wtf:O
(17:36:44) **Detente@jabber.ccc.de:** Sorry about that
(17:36:54) **Detente@jabber.ccc.de:** Ok, I need to know what the timeline is

(17:37:14) **Singi201@jabber.ccc.de:** today, was promised
(17:37:25) **Detente@jabber.ccc.de:** And what time the a-name redirect will happen from news.wikileaks.org to the server we are setting up
(17:49:01) **Detente@jabber.ccc.de:** sorry, I do not know if you got my last message
(17:49:07) **Detente@jabber.ccc.de:** (01:37:24 PM) **detente:** And what time the a-name redirect will happen from news.wikileaks.org to the server we are setting up
(17:49:59) **Singi201@jabber.ccc.de:** i don't hvae that information right know i will provide it to you as soon as i have it
(17:50:06) **Detente@jabber.ccc.de:** Ok :)
(17:50:11) **Detente@jabber.ccc.de:** I should call the fbi back soon
(17:50:18) **Singi201@jabber.ccc.de:** call them now:)
(17:50:23) **Detente@jabber.ccc.de:** ok

(17:50:43) **Singi201@jabber.ccc.de:** haha you are a sandwich fan:)
(17:50:50) **Detente@jabber.ccc.de:** they are cheap!
(17:51:31) **Detente@jabber.ccc.de:** aww
(17:51:37) **Detente@jabber.ccc.de:** Ilva posted on my facebook wall
(17:51:47) **Detente@jabber.ccc.de:** "You should, like, come visit and shit"

(17:51:50) **Detente@jabber.ccc.de**: :(

(17:51:54) **Singi201@jabber.ccc.de**: haha

(18:00:22) **Detente@jabber.ccc.de**: ok, calling them now

(18:01:45) **Detente@jabber.ccc.de**: no answer, left a voicemail

(18:06:48) **Singi201@jabber.ccc.de**: shall i for real call them and tell them im calling from wl field office

(18:07:12) **Detente@jabber.ccc.de**: how would that help things, besides being the funniest thing to happen in the world, all year?

(18:07:39) **Singi201@jabber.ccc.de**: that would not help at all, it would make thing worse, but it would be so funny

(18:07:42) **Detente@jabber.ccc.de**: :)

(18:07:52) **Detente@jabber.ccc.de**: God, it would be hilarious

(18:08:04) **Detente@jabber.ccc.de**: You'd have to videotape it and post it on youtube

(18:08:20) **Detente@jabber.ccc.de**: Hey, Sig, I have a question

(18:08:49) **Detente@jabber.ccc.de**: People should be more vocal in their support of WL. If average citizens said "I love wikileaks" in the USA, it would help things here immensely.

(18:08:57) **Detente@jabber.ccc.de**: Why aren't there t-shirts, stickers, etc?

(18:09:20) **Detente@jabber.ccc.de**: WL should be in talks with Urban Outfitters to run a t-shirt line, and market it to urban hipsters

(18:09:27) **Detente@jabber.ccc.de**: It would take off. They'd sell like hotcakes.

(18:09:53) **Detente@jabber.ccc.de**: This could be a major cultural game-changer.

(18:10:17) **Singi201@jabber.ccc.de**: we have stickers and t-shirts

(18:10:21) **Singi201@jabber.ccc.de**: but not for sale

(18:10:29) **Detente@jabber.ccc.de**: :(

(18:10:45) **Detente@jabber.ccc.de**: You should consider it. Cultural warfare is an important component of information warfare.

(18:10:47) **Singi201@jabber.ccc.de**: but it is in progress to sell stickers and stuff

(18:10:54) **Singi201@jabber.ccc.de**: but you actually gave me a idea with this

(18:10:58) **Detente@jabber.ccc.de**: May I help with this?

(18:10:58) **Detente@jabber.ccc.de**: Ok

(18:11:05) **Singi201@jabber.ccc.de**: to sell stickers and t-shirts on the website?

(18:11:28) **Detente@jabber.ccc.de**: Yes, AND to market t-shirts to urban department stores in the US

(18:11:34) **Detente@jabber.ccc.de**: So that it becomes 'hip'

(18:11:46) **Detente@jabber.ccc.de**: Loving WL should be cool. And it can be, if we market properly.

(18:11:52) **Detente@jabber.ccc.de**: What is your idea?

(18:12:11) **Singi201@jabber.ccc.de**: to sell stickers and stuff on the news.wikileaks.org

(18:13:09) **Detente@jabber.ccc.de**: Yes, I can code this

(18:13:11) **Detente@jabber.ccc.de**: :D

(18:13:22) **Detente@jabber.ccc.de**: I can code it post-production, and we can roll it out later

(18:13:24) **Detente@jabber.ccc.de**: OR

(18:13:29) **Detente@jabber.ccc.de**: I can code a separate site

(18:13:55) **Singi201@jabber.ccc.de**: i have to run this over J first, so don't start on it

(18:14:11) **Detente@jabber.ccc.de**: Of course

(18:14:11) **Detente@jabber.ccc.de**: Wiat

(18:14:13) **Detente@jabber.ccc.de**: *Wait

(18:14:18) **Detente@jabber.ccc.de**: I can make an effective argument

(18:14:28) **Detente@jabber.ccc.de**: You should let me argue this to J

(18:14:31) **Detente@jabber.ccc.de**: :)

(18:14:43) **Detente@jabber.ccc.de**: Ah, that will never happen. Nevermind, go ahead.

(18:15:56) **Singi201@jabber.ccc.de**: haha

(18:18:25) **Singi201@jabber.ccc.de**: though, just add a button on the website, Buy T-shirts and stickers or somethin

(18:18:30) **Singi201@jabber.ccc.de**: Online store

(18:19:12) **Detente@jabber.ccc.de**: Yes

(18:19:22) **Detente@jabber.ccc.de:** But there is a really good reason why this should happen
(18:19:40) **Singi201@jabber.ccc.de:** do you think this could undermine donations?
(18:19:44) **Detente@jabber.ccc.de:** Think of it: a US celebrity wears a WL t-shirt and is caught on camera
(18:19:58) **Detente@jabber.ccc.de:** Immediately, a bunch of non-thinking American youth love WL
(18:20:27) **Detente@jabber.ccc.de:** These kinds of happenings are part of the larger information warfare; if WL is cool, the .gov may have a harder time pressing forward with investigations
(18:20:31) **Detente@jabber.ccc.de:** No, not at all
(18:20:38) **Detente@jabber.ccc.de:** You must donate in order to get a shirt
(18:20:51) **Detente@jabber.ccc.de:** Donations of 15\$ == you get a cool tshirt
(18:20:59) **Detente@jabber.ccc.de:** But we don't pitch it like that
(18:21:01) **Detente@jabber.ccc.de:** We have a store page
(18:21:14) **Detente@jabber.ccc.de:** And the person finds out that their cash is considered a 'donation' at the very end of the process
(18:21:17) **Detente@jabber.ccc.de:** :)
(18:21:25) **Detente@jabber.ccc.de:** Suddenly, we have a LOT of wl donors
(18:21:34) **Detente@jabber.ccc.de:** Sigg, if we posted this to Reddit
(18:21:41) **Singi201@jabber.ccc.de:** what about donate 100\$ and get a free t-shirt?
(18:22:05) **Detente@jabber.ccc.de:** We would immediately have an order of several thousand
(18:24:03) **Singi201@jabber.ccc.de:** i will run this over to J and let you know:) i think it is a brilliant idea
(18:24:10) **Singi201@jabber.ccc.de:** can you add a DONATE button to the site
(18:24:59) **Detente@jabber.ccc.de:** yes
(18:25:02) **Detente@jabber.ccc.de:** let me add it to my list
(18:26:04) **Detente@jabber.ccc.de:** support.wikileaks.org
(18:26:09) **Detente@jabber.ccc.de:** Various ways you can support
(18:26:17) **Detente@jabber.ccc.de:** Leak a document1
(18:26:19) **Detente@jabber.ccc.de:** *!
(18:26:22) **Detente@jabber.ccc.de:** Buy a tshirt!
(18:26:29) **Detente@jabber.ccc.de:** Tell 50 of your facebook friends!
(18:26:47) **Detente@jabber.ccc.de:** Sign this petition or something!

(18:26:48) **Detente@jabber.ccc.de:** Etc
(18:26:58) **Detente@jabber.ccc.de:** Real-time stats about WL's operational capacity and funding situation
(18:26:59) **Detente@jabber.ccc.de:** Seriously
(18:27:02) **Detente@jabber.ccc.de:** People eat this up.
(18:27:13) **Detente@jabber.ccc.de:** If they feel like, "Oh! WL needs help today!"
(18:27:17) **Singi201@jabber.ccc.de:** funding situation? show what our balance is?
(18:27:27) **Detente@jabber.ccc.de:** Game Over, Pentagon.
(18:27:33) **Detente@jabber.ccc.de:** Not exact balance
(18:27:36) **Detente@jabber.ccc.de:** But rough balance
(18:27:40) **Detente@jabber.ccc.de:** Or rough donation blaance
(18:27:42) **Singi201@jabber.ccc.de:** that we can't do
(18:27:43) **Detente@jabber.ccc.de:** *balance
(18:27:51) **Detente@jabber.ccc.de:** What about donation volume?
(18:28:00) **Singi201@jabber.ccc.de:** what do you mean by that?
(18:28:03) **Singi201@jabber.ccc.de:** how many how donated
(18:28:07) **Detente@jabber.ccc.de:** Ok, listen
(18:28:17) **Detente@jabber.ccc.de:** Yes, or how many funds were raised this month or something
(18:28:17) **Singi201@jabber.ccc.de:** have*
(18:28:19) **Detente@jabber.ccc.de:** Please listen
(18:28:21) **Detente@jabber.ccc.de:** Ok
(18:28:24) **Singi201@jabber.ccc.de:** no won'T muhahaha
(18:28:48) **Detente@jabber.ccc.de:** People want to see a bit of transparency, everyone is saying that; having a donation volume count on support.wikileaks.org would give the APPEARANCE of transparency

(18:29:00) **Detente@jabber.ccc.de:** Even though the numbers can be way off or misleading to the government

(18:29:05) **Detente@jabber.ccc.de:** Do you see?

(18:29:08) **Detente@jabber.ccc.de:** It will draw people in.

(18:29:09) **Singi201@jabber.ccc.de:** yes

(18:29:18) **Detente@jabber.ccc.de:** They will feel like they are a part of WL.

(18:29:24) **Detente@jabber.ccc.de:** Jesus, we need to do this.

(18:29:39) **Singi201@jabber.ccc.de:** My name is Siggi

(18:29:50) **Detente@jabber.ccc.de:** Quiet, Jesus

(18:29:56) **Detente@jabber.ccc.de:** :)

(18:29:59) **Singi201@jabber.ccc.de:** :(

(18:30:31) **Detente@jabber.ccc.de:** I am certain I can convince J of this if given the chance

(18:30:35) **Detente@jabber.ccc.de:** I want to work on this full-time

(18:30:46) **Detente@jabber.ccc.de:** I can visit local 'hip' stores in the area as well

(18:30:51) **Detente@jabber.ccc.de:** See if they would carry some shirts

(18:31:04) **Detente@jabber.ccc.de:** Boston can be a local Public Relations hot-spot for WL

(18:31:12) **Detente@jabber.ccc.de:** I can give out free stickers in Universities

(18:31:21) **Detente@jabber.ccc.de:** !!

(18:31:25) **Singi201@jabber.ccc.de:** if you go to a local store, than your "cover" is comprimised..

(18:31:29) **Detente@jabber.ccc.de:** No no

(18:31:37) **Detente@jabber.ccc.de:** I will not go physically

(18:31:41) **Detente@jabber.ccc.de:** I will call them

(18:31:46) **Detente@jabber.ccc.de:** From another number

(18:32:06) **Singi201@jabber.ccc.de:** Either you or NAdim, create the T-shirt and how they should look like, and Stickers, and i'll get this accepted:)

(18:32:12) **Detente@jabber.ccc.de:** Shit son

(18:32:16) **Detente@jabber.ccc.de:** We're on it

(18:33:23) **Singi201@jabber.ccc.de:** until we have all access to the server, the website will be put on hold, and this is a priority, i expect some result today:D

(18:33:39) **Detente@jabber.ccc.de:** on the tshirt design?

(18:34:08) **Detente@jabber.ccc.de:** I can do that :)

(18:34:25) **Detente@jabber.ccc.de:** I will prep the design and do a writeup for J

(18:34:29) **Detente@jabber.ccc.de:** Good?

(18:34:48) **Singi201@jabber.ccc.de:** yup and the stickers, and possble cups or something

(18:34:56) **Detente@jabber.ccc.de:** cups blah

(18:35:03) **Detente@jabber.ccc.de:** Kids won't buy cupss

(18:35:07) **Detente@jabber.ccc.de:** :)

(18:35:13) **Detente@jabber.ccc.de:** These must be professional quality

(18:35:16) **Detente@jabber.ccc.de:** That means no cafe-press

(18:35:37) **Singi201@jabber.ccc.de:** Hugo Boss'

(18:35:42) **Detente@jabber.ccc.de:** Haha

(18:38:13) **Detente@jabber.ccc.de:** nope

(18:58:48) **Detente@jabber.ccc.de:** any word on server access?

(19:09:23) **Singi201@jabber.ccc.de:** no not yet still waiting

(19:09:42) **Singi201@jabber.ccc.de:** hey do you know if i can connect pidgin through proxy?

(19:12:25) **Detente@jabber.ccc.de:** hey siggi

(19:13:03) **Singi201@jabber.ccc.de:** :O

(19:13:16) **Detente@jabber.ccc.de:** They were curious about me being stopped at the border on the way back from Canada

(19:13:22) **Detente@jabber.ccc.de:** Brett called me

(19:13:43) **Detente@jabber.ccc.de:** Said she just got a memo about me being stopped at the border

(19:14:08) **Detente@jabber.ccc.de:** Wanted to know why I was stopped, and why I didn't bring that up at the meeting with her

(19:14:30) **Detente@jabber.ccc.de:** I was honest with her and told her I supposed my search was related to the case

(19:14:34) **Detente@jabber.ccc.de:** (which she denied)

(19:14:59) **Detente@jabber.ccc.de:** And I told her that travel to Canada and travel abroad in general is something that I do as part of my anti-censorship software group

(19:15:22) **Detente@jabber.ccc.de:** And I asked "Would you like me to alert you before I travel in the future, so you don't get your wires crossed?"

(19:15:24) **Detente@jabber.ccc.de:** And she said

(19:15:52) **Detente@jabber.ccc.de:** "No, you are free to travel whenever you want, this was just a misunderstanding"

(19:16:06) **Detente@jabber.ccc.de:** So

(19:16:09) **Detente@jabber.ccc.de:** There you are

(19:17:06) **Detente@jabber.ccc.de:** And she said "No, not at all, that's not even on my radar"

(03:27:08) **Detente@jabber.ccc.de:** Let me know if I can do anything to help things out.
(03:27:22) **Singi201@jabber.ccc.de:** this is just some inside bs
(03:27:55) **Detente@jabber.ccc.de:** I hope people stay resolved and stick to the narrative here
(03:28:02) **Detente@jabber.ccc.de:** Egos will get in the way of this
(03:33:42) **Detente@jabber.ccc.de:** The server is not coming tonight, is it?
(03:34:00) **Singi201@jabber.ccc.de:** so i'll tell you why, later
(03:34:04) **Singi201@jabber.ccc.de:** no
(03:34:18) **Detente@jabber.ccc.de:** There is a resource-grab within wl?
(03:34:30) **Singi201@jabber.ccc.de:** resource-grab? what is that
(03:34:48) **Detente@jabber.ccc.de:** People are claiming a position and locking down resources?
(03:35:26) **Singi201@jabber.ccc.de:** huhh? you mean people wan't to be higher in the management ladder?
(03:35:34) **Detente@jabber.ccc.de:** yes

(03:35:37) **Singi201@jabber.ccc.de:** no
(03:35:40) **Detente@jabber.ccc.de:** ok
(03:35:46) **Detente@jabber.ccc.de:** tell me when you can, good luck
(05:28:17) **Detente@jabber.ccc.de:** I am here
(18:26:23) **Detente@jabber.ccc.de:** hi
(18:27:06) **Singi201@jabber.ccc.de:** hi
(18:27:30) **Detente@jabber.ccc.de:** what is happening?
(18:27:42) **Singi201@jabber.ccc.de:** is something happening:P
(18:27:56) **Detente@jabber.ccc.de:** yes
(18:28:04) **Detente@jabber.ccc.de:** I have no server access :)
(18:28:14) **Singi201@jabber.ccc.de:** to wich server
(18:28:24) **Singi201@jabber.ccc.de:** the test site or the one we are waiting for
(18:28:37) **Detente@jabber.ccc.de:** the one we are waiting for
(18:28:56) **Singi201@jabber.ccc.de:** yes i know that
(18:29:24) **Detente@jabber.ccc.de:** test site is also down?
(18:29:30) **Singi201@jabber.ccc.de:** yes
(18:29:51) **Detente@jabber.ccc.de:** so what's up?
(18:29:58) **Singi201@jabber.ccc.de:** Nothing
(18:30:58) **Detente@jabber.ccc.de:** (02:30:45 PM) **nightowl@jabber.ccc.de:** There's been some huge security breach in WL.
(18:31:01) **Detente@jabber.ccc.de:** is this true?
(18:31:32) **Singi201@jabber.ccc.de:** yes
(18:32:05) **Detente@jabber.ccc.de:** are we in danger of being compromised?
(18:32:19) **Singi201@jabber.ccc.de:** no
(18:33:00) **Detente@jabber.ccc.de:** can you say more than yes or no? :P
(18:33:19) **Singi201@jabber.ccc.de:** no comment See i added "comment"
(18:33:35) **Detente@jabber.ccc.de:** :\n/>(18:33:41) **Detente@jabber.ccc.de:** I'm very much in the dark
(18:34:58) **Singi201@jabber.ccc.de:** it has nothing to do with you,nadim, the website at all, we just closed the site for limited time just for security precution, can you put a password restriction system on the test site?
(18:35:06) **Singi201@jabber.ccc.de:** and a IP LOG
(18:35:12) **Detente@jabber.ccc.de:** yes
(18:35:42) **Detente@jabber.ccc.de:** government breach?
(18:35:50) **Detente@jabber.ccc.de:** or internal, or both?
(18:36:04) **Singi201@jabber.ccc.de:** both
(18:36:12) **Detente@jabber.ccc.de:** double agent?
(18:36:19) **Singi201@jabber.ccc.de:** no comment
(18:36:25) **Detente@jabber.ccc.de:** sarah [REDACTED] is online
(18:36:35) **Singi201@jabber.ccc.de:** Do not talk to her about this.
(18:37:23) **Detente@jabber.ccc.de:** if she asks, i will tell her that there has been a delay, and that I can't say more right now
(18:37:42) **Singi201@jabber.ccc.de:** if she asks, redirect her to me
(18:37:48) **Detente@jabber.ccc.de:** ok, that works too
(18:38:17) **Detente@jabber.ccc.de:** do you know who the insider is yet?
(18:38:28) **Singi201@jabber.ccc.de:** yes
(18:38:39) **Detente@jabber.ccc.de:** well, that's good
(18:39:54) **Singi201@jabber.ccc.de:** well the insiders
(18:40:02) **Detente@jabber.ccc.de:** there are many?
(18:40:05) **Detente@jabber.ccc.de:** jesus
(18:40:13) **Detente@jabber.ccc.de:** how high up?
(18:42:27) **Detente@jabber.ccc.de:** ok, I will stop feeding my curiosity.
(18:42:35) **Detente@jabber.ccc.de:** Let me know if you need any help from me.
(18:43:22) **Singi201@jabber.ccc.de:** Please Password Restrict the test website, reopen it please, and Have the

Ip-log available to me:)

(18:43:33) **Detente@jabber.ccc.de:** ok :)

(18:49:14) **Singi201@jabber.ccc.de:** can you provide me with the ip log since the website got up'

(18:51:56) **Detente@jabber.ccc.de:** hm? it is still down

(18:52:07) **Detente@jabber.ccc.de:** oh, you mean an older IP log/

(18:52:12) **Singi201@jabber.ccc.de:** yes

(18:52:17) **Detente@jabber.ccc.de:** I do not believe that we were logging

(18:52:25) **Detente@jabber.ccc.de:** Perhaps the ISP could provide this

(18:52:51) **Detente@jabber.ccc.de:** Let me ask Nadim what he thinks; he is more in touch with hosting-related questions than myself

(18:53:16) **Detente@jabber.ccc.de:** is there reason to believe our site was targeted?

(18:53:51) **Singi201@jabber.ccc.de:** not sure

(18:54:00) **Detente@jabber.ccc.de:** ok

(19:17:00) **Singi201@jabber.ccc.de:** when do you think the website can be up agani?

(19:17:35) **Detente@jabber.ccc.de:** hang on im on the way to the shower

(19:17:38) **Detente@jabber.ccc.de:** let me see

(19:17:51) **Detente@jabber.ccc.de:** to IP log, that takes no time at all

(19:18:01) **Detente@jabber.ccc.de:** but to lock the site down, will take some django-magic

(19:18:29) **Singi201@jabber.ccc.de:** is it hard to have the website IP Restricted instead?

(19:18:36) **Singi201@jabber.ccc.de:** or mac address restriction or something

(19:18:55) **Detente@jabber.ccc.de:** not sure. I know very little about how to set such filtering schemes up.

(19:19:25) **Detente@jabber.ccc.de:** nadim has been a big help with such hosting issues, but he is away at class... so I will have to learn them.

(19:19:45) **Detente@jabber.ccc.de:** so, no definite timespan. But I will begin when I leave the shower :)

(19:20:16) **Singi201@jabber.ccc.de:** ok I will begin counting on your 5 minutes shower in 3,2,1

(19:20:59) **Detente@jabber.ccc.de:** ok I will begin counting your 20 minute wait time in 111929, 111928, 111927...

(19:21:53) **Singi201@jabber.ccc.de:** haha

(19:30:00) **Detente@jabber.ccc.de:** ok

(19:30:09) **Detente@jabber.ccc.de:** I am going to bike to pika

(19:30:26) **Singi201@jabber.ccc.de:** hey wohw this wasn't 5 minutes

(19:30:29) **Detente@jabber.ccc.de:** Someone there will be able to give me some pointers on setting this up

(19:30:44) **Detente@jabber.ccc.de:** although I will obviously be very vague

(19:30:58) **Detente@jabber.ccc.de:** "how might I do something like setup mac filtering using lighttpd"

(19:30:59) **Detente@jabber.ccc.de:** etc

(19:31:10) **Detente@jabber.ccc.de:** so, see you later.

(19:31:11) **Detente@jabber.ccc.de:** :

(19:31:13) **Detente@jabber.ccc.de:**)

(20:02:38) **Detente@jabber.ccc.de:** I am learning htaccess!

(20:06:10) **Detente@jabber.ccc.de:** Hey Sig, the server is down completely. I am unable to gain SSH, SFTP, or FTP access it.

(20:58:06) **Detente@jabber.ccc.de:** S, Nadim has resolved the security issues with the server.

(22:04:42) **Singi201@jabber.ccc.de:** ziup

(22:06:51) **Detente@jabber.ccc.de:** oh hi

(22:07:24) **Singi201@jabber.ccc.de:** how is the security stuff going

(22:07:28) **Detente@jabber.ccc.de:** done

(22:07:46) **Detente@jabber.ccc.de:** wait

(22:07:57) **Detente@jabber.ccc.de:** let me check with Nadim before I say that

(22:09:46) **Detente@jabber.ccc.de:** (06:08:50 PM) **nightowl@jabber.ccc.de:** Better than expected

(06:08:55 PM) **nightowl@jabber.ccc.de:** It's blocking all IP's now

(06:09:15 PM) **nightowl@jabber.ccc.de:** Dude, wait

(06:09:20 PM) **nightowl@jabber.ccc.de:** Why don't we just launch the thing?

(06:09:33 PM) **detente**: S has not given server access to the production server yet
(22:11:36) **Detente@jabber.ccc.de**: Ok, apparently security on the test server is almost done
(22:18:18) **Singi201@jabber.ccc.de**: ok
(22:18:24) **Singi201@jabber.ccc.de**: Stickers and T-shirt report?
(22:20:14) **Detente@jabber.ccc.de**: no time to work on that until the website is launched
(22:21:18) **Detente@jabber.ccc.de**: although Nadim is drawing up a shirt design and I have some hastily typed-out thoughts on potential distributors
(22:21:43) **Detente@jabber.ccc.de**: But I need to work on my real job since I have not been doing so lately, so I must prioritize. Website first :)
(22:24:32) **Detente@jabber.ccc.de**: Any word on server access?
(22:38:28) **Detente@jabber.ccc.de**: ok server security is up
(22:38:32) **Detente@jabber.ccc.de**: thanks to Nadim :)
(22:38:44) **Detente@jabber.ccc.de**: you must tunnel through an Anapnea shell to access the site
(22:40:46) **Singi201@jabber.ccc.de**: The Insider is Daniel Schmit
(22:40:53) **Detente@jabber.ccc.de**: I knew it
(22:41:00) **Detente@jabber.ccc.de**: He tried for a power-grab, no?
(22:41:06) **Detente@jabber.ccc.de**: Upset at J?
(22:41:15) **Detente@jabber.ccc.de**: In bed with Jonsdottir and some other insiders?
(22:41:16) **Singi201@jabber.ccc.de**: Daniel And Birgitta are together as team
(22:41:21) **Detente@jabber.ccc.de**: I KNEW IT

(22:41:53) **Detente@jabber.ccc.de**: That was pretty epic:
(22:41:58) **Detente@jabber.ccc.de**: (06:41:15 PM) **detente**: In bed with Jonsdottir and some other insiders?
(06:41:16 PM) **Siggi**: Daniel And Birgitta are together as team
(22:42:03) **Singi201@jabber.ccc.de**: hahaha
(22:42:09) **Detente@jabber.ccc.de**: :)
(22:42:19) **Detente@jabber.ccc.de**: Is he trying to out J, or trying to destroy WL?
(22:42:28) **Singi201@jabber.ccc.de**: little bit of both i think
(22:42:34) **Detente@jabber.ccc.de**: One leads to the other it seems
(22:42:41) **Singi201@jabber.ccc.de**: last night, it was matter of seconds that our mailserver got hijacked
(22:42:55) **Singi201@jabber.ccc.de**: couple of weeks ago our website went down, because of influence B and D had
(22:42:56) **Detente@jabber.ccc.de**: He made a power-grab?
(22:43:11) **Detente@jabber.ccc.de**: He must be forced out immediately.
(22:43:18) **Detente@jabber.ccc.de**: An example must be made of him.
(22:43:32) **Detente@jabber.ccc.de**: If J does not appear strong, he will be cut down.
(22:43:52) **Detente@jabber.ccc.de**: Do you understand?
(22:44:30) **Singi201@jabber.ccc.de**: yes i do
(22:44:52) **Singi201@jabber.ccc.de**: D has been suspended, among other staff memeber, they make the other staff members think that he will suspend them as well
(22:46:15) **Detente@jabber.ccc.de**: What will be done with him in the long-term?
(22:46:34) **Detente@jabber.ccc.de**: WL will need to completely change its infrastructure in order to obviate any information he may release
(22:46:59) **Singi201@jabber.ccc.de**: if this goes public, than people espically the cia etc... will know that there is something wrong within wl
(22:47:17) **Detente@jabber.ccc.de**: And they will begin making arrests and launching attacks.
(22:47:39) **Detente@jabber.ccc.de**: WL will not survive a coordinated assault if there is internal division.
(22:48:02) **Singi201@jabber.ccc.de**: this is just though a minority of people, but though the minority is always the loudest one

(22:48:03) **Detente@jabber.ccc.de:** J must begin predicting who will turn against him and suspending these individuals

(22:48:56) **Detente@jabber.ccc.de:** If there was every a time to get Machiavellian, now is the time..

(22:49:11) **Detente@jabber.ccc.de:** Stupid buzzing

(22:51:25) **Detente@jabber.ccc.de:** Do the majority of WL volunteers know about Daniel?

(22:51:50) **Singi201@jabber.ccc.de:** Not sure

(22:54:08) **Detente@jabber.ccc.de:** Is J considering stepping aside in order to calm everyone down?

(22:54:15) **Detente@jabber.ccc.de:** Temporarily, I mean

(22:54:31) **Detente@jabber.ccc.de:** Or will he take the strong/stable approach?

(22:54:41) **Singi201@jabber.ccc.de:** he will not step down

(22:54:47) **Detente@jabber.ccc.de:** Ok, Siggi.

(22:54:50) **Singi201@jabber.ccc.de:** at my best knowledge

(22:54:51) **Detente@jabber.ccc.de:** Then he must appear strong.

(22:55:07) **Detente@jabber.ccc.de:** He cannot ever appear uncertain, or it will be perceived as weakness

(23:12:50) **Detente@jabber.ccc.de:** Tell me when the server may be readyy?

(23:14:23) **Singi201@jabber.ccc.de:** give you a time in about 10 minutues

(23:14:27) **Detente@jabber.ccc.de:** ok

(23:26:24) **Singi201@jabber.ccc.de:** im a currently talking to j about other issues, but will bring it up in abit

(23:29:26) **Detente@jabber.ccc.de:** ok

(23:29:32) **Detente@jabber.ccc.de:** brb

(23:31:19) **Singi201@jabber.ccc.de:** <http://paper.li/tag/wikileaks> see there "Live Twitter Stream on" can you add something like this?

(00:31:24) **Detente@jabber.ccc.de:** Yo sig

(00:31:28) **Detente@jabber.ccc.de:** Server stats?

(00:34:01) **Singi201@jabber.ccc.de:** still waiting to hear back from the sysadmin about the python install

(00:51:21) **Singi201@jabber.ccc.de:** can you sync the test site?
