Assange Judge's Husband Runs Security Firm With Ex Head of MI6

14 Feb, 2018 in *Uncategorized* by *craig*

“Security Intelligence Consultancy” SC Strategy Ltd has only three directors. One is the husband of the judge in yesterday's Assange ruling. One is the former Head of MI6, Sir John Scarlett, who is synonymous with crooked security operations and personally wrote the notorious dossier of lies on Iraqi WMD, thus causing the subsequent deaths of millions of people. One is Lord Carlile, who was notably close to protected Establishment paedophiles Greville Janner and Cyril Smith. Is the British Establishment not endlessly fascinating?

The corporate media has published no information about “Lady” Arbuthnot's background and sinister links at all, despite the fact it is uniformly carrying her jibes at Assange as a major story. There can be no clearer example of the fact that it is the corporate media which, deliberately and systematically, spreads fake news, while bloggers get out the actual facts via social media.

To anyone to whom British corruption is not axiomatic, it appears pretty rum that the judge in the Assange case is married to a government parliamentarian and close to the security services.
