### Notes by the Translator

It has always seemed to me that the Secret Book of John evolved to be more difficult to read than it originally was. The Secret Book of John is a complex developmental mythology that has been made more complicated because, over the years, versions of it have been “improved” by several levels of scribal alteration. One set of levels is the evident addition of rather lengthy texts (a list of magical names, a dialogue on the soul, a providence hymn) to an original version that lacked them. Another set of levels is the addition by various scribes of what they intended to be useful comments, explanations, clarifications and supplementary details. The former processes continue to be added to the text when scholars such as myself add introductory paragraphs, or indeed whole book-length texts to introduce or comment on the Secret Book of John. The latter processes continue when scholars interrupt the flow of the text by adding subheadings (such as the section headings added here in ***Bold Italics***) and notes intended to assist the reader’s understanding.

I believe that readers will benefit from seeing the various individual elements constituting the text as separable units and so be relieved from thinking that somehow all of this material constitutes one originally coherent whole. To this end, in this version of my translation I use two formatting techniques to identify and separate-out several forms of material that seem to have been added at different times to the original. For more extensive textual additions I have arranged that the translation make use of different color fonts. There is one font color for [the main body](#) of the Secret Book

of John (**font color 1**), another for the material I believe to have been added by a [Christian editor](#) who sought to present the text as a long dialogue between Jesus and John son of Zebedee (**font color 2**); this material occurs in two large blocks at the beginning and toward the end of the text and also in occasional dialogues imbedded throughout the last half of the text. Another font (**font color 3**) distinguishes a long list of demons' names that are associated with specific body parts, a magical text apparently taken from an unknown source called the "[Book of Zoroaster](#)". Another (**font color 4**) is used for the included [dialogue about the soul](#). Finally a font (**font color 5**) designates the [three part hymn](#) spoken by God's Providence (Pronoia).

In addition to these different fonts, I have put in square brackets the occasional short passages, or sentences, or phrases that I believe were added to the text by scribes over the years, additions that were intended to make the text more understandable, or to identify elements of the text with aspects of the Christian religion. If you ask how I know which parts were added as comments and so forth, the answer is that I make informed guesses. That's really what most scholarship comes down to... informed guesses.

[The Teaching of the Savior]  
**The Revelation of the Mysteries Hidden in  
Silence**

[Those Things that He Taught to John, His  
Disciple]

***Prologue***

One day John, the brother of James [these are the sons of Zebedee], was going up to the Temple. A Pharisee by the name of Arimanios came up to him and challenged him, asking: "Where is the teacher you used to follow?"

John replied, "He has gone back to the place from which he came."

The Pharisee said, "That Nazarene misled you (plural), told you lies, closed your hearts and turned you away from your ancestral traditions."

When I heard these things, I, John, turned away from the temple and went off to a deserted mountainous place. I was very unhappy, saying to myself:

"How was the Savior designated?  
Why did his Father send him into the world?  
Who is his Father?  
What kind of realm will we go to?"

For, although he told us, 'This realm is modeled on the imperishable realm,'  
He didn't teach us about the latter."

All of a sudden, while I was contemplating these things,  
Behold!  
The heavens opened and the whole of creation shone with a light from above,  
And the world quaked!  
I was afraid, yet  
Behold!

A little child appeared before me in the light.  
I continued looking at him as he became an old man  
And then he changed again, becoming like a young man.  
I didn't understand what I was seeing,  
But the one likeness had several forms in the light,  
And these likenesses appeared each through the other  
And the vision had three forms.

He said to me,  
"John, why doubt?  
Why be afraid?  
Don't you know this image?  
Be not afraid.  
I am with you (plural) always.  
I am the Father  
The Mother  
The Son  
I am the incorruptible  
Purity.

I have come to teach you  
About what is  
And what was  
And what will be  
In order for you to understand  
The invisible world  
And the world that is visible

And the immovable race of perfect  
humanity.

Raise your head;  
Understand my lessons;  
Share them with any others who have received the  
spirit,  
Who are from the immovable race of perfect  
humanity.”

### *The Inexpressible One*

The One rules all. Nothing has authority over it.  
It is the God.  
It is Father of everything,  
Holy One  
The invisible one over everything.  
It is uncontaminated  
Pure light no eye can bear to look within.

The One is the Invisible Spirit.  
It is not right to think of it as a God or as like  
God.  
It is more than just God.

Nothing is above it.  
Nothing rules it.  
Since everything exists within it  
It does not exist within anything.  
Since it is not dependent on anything  
It is eternal.

It is absolutely complete and so needs nothing.  
It is utterly perfect  
Light.

The One is without boundaries  
Nothing exists outside of it to border it  
The One cannot be investigated  
Nothing exists apart from it to investigate it  
The One cannot be measured  
Nothing exists external to it to measure it

The One cannot be seen  
For no one can envision it  
The One is eternal  
For it exists forever  
The One is inconceivable  
For no one can comprehend it  
The One is indescribable  
For no one can put any words to it.

The One is infinite light  
Purity  
Holiness  
Stainless,

The One is incomprehensible  
Perfectly free from corruption.  
Not “perfect”  
Not “blessed”  
Not “divine”  
But superior to such concepts.  
Neither physical nor unphysical  
Neither immense nor infinitesimal  
It is impossible to specify in quantity or quality  
For it is beyond knowledge.

The One is not a being among other beings  
It is vastly superior  
But it is not “superior.”

It is outside of realms of being and time  
For whatever is within realms of being was  
created  
And whatever is within time had time allotted to  
it  
The One receives nothing from anything.  
It simply apprehends itself in its own perfect  
light

The One is majestic.  
The One is measureless majesty

Chief of all Realms  
Producing all realms

Light  
Producing light

Life  
Producing life

Blessedness  
Producing blessedness

Knowledge  
Producing knowledge

Good  
Producing goodness

Mercy  
Producing mercy

Generous  
Producing generosity

[It does not “possess” these things.]

It gives forth light beyond measure, beyond  
comprehension.

[What can I say?]

His realm is eternal, peaceful, silent, resting, before everything.  
 He is the head of every realm sustaining each of them through goodness.

### *The Origin of Reality*

[We would know nothing of the ineffable  
 And nothing of the immeasurable  
 Without the help of the one who comes forth  
 from the One who is the Father.  
 He alone has informed us.]

The Father is surrounded by light.  
 He apprehends himself in that light  
 [which is the pure spring of the water of life  
 that sustains all realms].

He is conscious of his image everywhere around him,  
 Perceiving his image in this spring of Spirit  
 Pouring forth from himself.  
 He is enamored of the image he sees in the light-water,  
 The spring of pure light-water enveloping him.

His self-aware thought (ennoia) came into being.  
 Appearing to him in the effulgence of his light.  
 She stood before him.

This, then, is the first of the powers, prior to everything.  
 Arising out of the mind of the Father  
 The Providence (pronoia) of everything.  
 Her light reflects His light.

She is from His image in His light  
 Perfect in power  
 Image of the invisible perfect Virgin Spirit.

She is the initial power  
 glory of Barbelo  
 glorious among the realms  
 glory of revelation

She gave glory to the Virgin Spirit  
 She praised Him  
 For she arose from Him.

[This, the first Thought, is the Spirit's image]

She is the universal womb  
 She is before everything  
 She is:

Mother-Father  
 First Man  
 Holy Spirit

Thrice Male  
 Thrice Powerful  
 Thrice Named

Androgynous eternal realm  
First to arise among the invisible realms.

She, Barbelo, asked the virgin Spirit for foreknowledge  
(prognosis).

The Spirit agreed.

Foreknowledge came forth and stood by  
Providence

[This one came through the Invisible Virgin  
Spirit's Thought.]

Foreknowledge gave glory to the Spirit  
And to Barbelo, the Spirit's perfect  
power,

For She was the reason that it had come  
into being.

### ***Primary Structures of the Divine Mind***

She, Barbelo, asked the virgin Spirit for Incorruptibility

The Spirit agreed.

Incorruptibility came forth and stood by  
Thought and Foreknowledge.

Incorruptibility gave glory to the Invisible Virgin Spirit

And to Barbelo,

For She was the reason that it had come into  
being.

She asked for everlasting Life.

The Spirit agreed

Everlasting life came forth and they all stood  
together.

They gave glory to the invisible Spirit

And to Barbelo,

For She was the reason that it had come  
into being.

She asked for Truth.

The Spirit agreed

Truth came forth and they all stood together.

They gave glory to the invisible Spirit

And to Barbelo,

For She was the reason that it had come  
into being.

This is the fivefold realm of the Father:

The First Man who is

The Image of the Invisible Spirit who is

Providence who is

Barbelo who is

Thought.

And

Foreknowledge - Incorruptibility - Life  
Everlasting - Truth

[These are an androgynous fivefold realm - therefore it is a realm of ten - of the Father.]

### *Secondary Structures of the Divine Mind*

The Father looked into Barbelo  
[into the pure light surrounding the Invisible Spirit]

Barbelo conceived and bore a spark of light  
Who had blessedness similar to, but not equal to, her blessedness,

Who was the only child of that mother–father  
The only offspring,  
The only begotten child of the pure light, the Father.

The Invisible Virgin Spirit celebrated the light that had been produced

Coming forth from the first power who is  
The Providence  
Barbelo

The Spirit anointed him with Goodness, making him perfect

[he lacked no goodness whatsoever,  
for he was anointed with the Invisible Spirit's Goodness]

He stood in the Spirit's presence and it was poured upon him.

Having received this anointing from the Spirit he immediately glorified Him

And he glorified the perfect Providence.  
Because of Her he had come into being.

He asked for Mind (nous) to be a companion to him.  
The Spirit consented

When the Invisible Spirit consented

Mind came into being.  
It stood by the Anointed  
and glorified the Spirit and Barbelo

[These beings came into existence through silence and thought.]

He wished to act through the Word of the Invisible Spirit.

Whose Will became an action and appeared with Mind

Glorifying the Light.

And then Word followed Will into being.

[The Christ, the divine autogenes,  
created everything through the Word.]

Everlasting Life and Will,  
Mind, and Foreknowledge  
Stood together.  
They glorified the Invisible Spirit and Barbelo.  
Because of Her they had come into being.

### *Tertiary Structures of the Divine Mind*

The Holy Spirit  
Brought his and Barbelo's divine autogenes Son to  
completion  
In order that he could stand before the great Invisible  
Virgin Spirit

As the divine autogenes Christ  
And honor Him with a mighty voice.

[The Son came through Providence].

The Invisible Spirit  
Placed the divine autogenes over everything.  
All authorities were subordinated to him.  
The truth within him let him learn everything

[He is called by the highest name of all.  
That name will be told only to those who are worthy to  
hear it  
From the light, [which is the Christ,]

From the incorruptibility,  
Through a gift of the spirit  
The Four Lights arising from the divine autogenes stood  
before him.

[The four fundamental powers are Understanding,  
Grace, Perception, and Consideration.]

Grace exists within the realm of the Light called  
Harmozel, the first angel.  
Along with Harmozel are  
Grace  
Truth  
Form

The second Light is called Oriel and it stands over the  
second realm.  
With Oriel are:  
Conceptualization (Epinoia)  
Perception  
Memory

The third Light is called Daveithai and it stands over the  
third realm.  
With Daveithai are:  
Understanding

Love  
Idea

The fourth Light is called Eleleth and it stands over the fourth realm.

With Eleleth are:

Perfection  
Peace  
Wisdom (Sophia).

These are the four lights standing before the divine autogenes.

Twelve realms stand before the Son of the Powerful  
The autogenes

The Christ

Through the intention

And the grace

Of the Invisible Spirit

Twelve realms belong to the Son of the autogenes.

[All of this came into being through the intention of the Holy Spirit

Through the autogenes.]

From the perfect mind's foreknowledge  
Through the intention of the Invisible Spirit  
And the autogenes's will.  
The perfect human appeared,  
Its first true manifestation

The Virgin Spirit named the human Adamas  
And placed him over the first realm with the mighty autogenes Christ  
With the first Light Harmozel and its powers.

The Invisible One gave Adamas invincible power of mind.

Adamas spoke, glorifying and praising the Invisible Spirit:

“Everything has come into being from you  
Everything will return to you.  
I will praise you and glorify you  
And the Autogenes  
And the triple realm:  
Father – Mother – Son,  
the perfect power.”

Over the second realm was appointed Adamas's son Seth

With the second Light Oriel.

In the third realm were placed the children of Seth  
With the third Light Daveithai.

[The souls of the saints are placed there.]

In the fourth realm were placed the souls of those ignorant of the fullness

Those who did not repent at once  
 But who, after some time, eventually repented,  
 They are with the fourth Light Eleleth.

All of these created beings glorify the Invisible Spirit

### *A Crisis that Became the World*

It happened that the realm (aeon) Wisdom (Sophia)  
 Of conceptual thought (Epinoia),  
 Began to think for herself,  
 She used the thinking (enthymesis)  
 And the foreknowledge (prognosis)  
 Of the Invisible Spirit.

She intended to reveal an image from herself  
 To do so without the consent of the Spirit,  
 Who did not approve,  
 Without the thoughtful assistance of her  
 masculine counterpart,  
 Who did not approve.

Without the Invisible Spirit's consent  
 Without the knowledge of her partner  
 She brought it into being.

Because she had unconquerable Power  
 Her thought was not unproductive.  
 Something imperfect came out of her  
 Different in appearance from her.

Because she had created it without her  
 masculine counterpart  
 She gave rise to a misshapen being  
 unlike herself.

Sophia saw what her desire produced.  
 It changed into the form of a dragon with a  
 lion's head  
 And eyes flashing lightning bolts.  
 She cast him far from her,  
 Outside of the realm of the immortal beings  
 So that they could not see him.

[She had created him in ignorance.]

Sophia surrounded him with a brilliant cloud,  
 Put a throne in the center part of the cloud  
 So that no one would see it.  
 [Except for the Holy Spirit called the Mother of  
 the Living]  
 She named him Yaldabaoth.

Yaldabaoth is the chief ruler.  
 He took great Power (dynamis) from his mother,  
 Left her, and moved away from his  
 birthplace.  
 He assumed command,

Created realms for himself  
 With a brilliant flame that continues to exist  
 even now.

### *The Fashioning of This World*

Yadabaoth united with the thoughtlessness (aponoia)  
 within him.

He begot ruling authorities (exousia)

Modeling them on the incorruptible realms  
 above.

The first is Athoth

The second is Harmas [called the eye of flame]

The third is Kalilaumbri

The fourth is Yabel

The fifth is Adonaiu [called Sabaoth]

The sixth is Cain [called the sun]

The seventh is Abel

The eighth is Abrisene

The ninth is Yobel

The tenth is Armupiel

The eleventh is Melcheir-adonein

The twelfth is Belias

Who rules over the very depth of Hades.

He made the first seven rulers to reign in the seven  
 spheres of heaven.

He made the next five rulers to reign in the five depths  
 of the abyss.

He shared a portion of his fire with them,

But shared none of the power of Light he had  
 received from his mother.

[He is ignorant darkness.

When the Light mingled into the darkness  
 the darkness shone.

When darkness mixed with the Light,  
 the Light diminished,

No longer Light nor darkness but dim.]

This dim ruler has three names:

Yaldabaoth is the first.

Saklas is the second.

Samael is the third.

He is blasphemous through his thoughtlessness.

He said "I am God, and there is no God but me!"

Since he didn't know where his own Power  
 originated.

His rulers created seven Authorities for themselves.

Each of these Authorities created six demons  
 apiece,

There came to be 365 demons altogether.

Here are the seven Authorities' names and physical forms:

First, Athoth with a sheep's face  
 Second, Eloaios with a donkey's face  
 Third, Astaphaios with a hyena's face  
 Fourth, Yao with the face of a seven headed

snake

Fifth, Sabaoth who has the face of a dragon  
 Sixth, Adonin whose face is that of a monkey  
 Seventh, Sabbataios with a face of flame and

fire.

These are the seven of the week.

These Authorities rule the world.

Yaldabaoth has many faces.

More than all that have been listed

So he can convey any face he wants to the seraphim around him.

Yaldabaoth shared his fire with his seraphim

But gave them none of his pure Light

Although he ruled them by virtue of the power and glory

Of the Light had received from his

Mother.

[Therefore he called himself "God" and defied his place of origin.]

He united his thought's sevenfold Powers with the Authorities who accompanied him.

He spoke and it happened.

He named those sevenfold Powers starting with the highest one:

Goodness paired with the first: Athoth

Providence paired with the second: Eloaios

Divinity paired with the third: Astaphaios

Lordship paired with the fourth: Yao

Kingdom paired with the fifth: Sabaoth

Zeal paired with the sixth: Adonin

Understanding paired with the seventh:

Sabbataios

Each has its own realm modeled on one of the higher realms.

And each new name refers to a glory in the heavens

So that Yaldabaoth's demons might be destroyed.

The demons' own names, given by Yaldabaoth, are mighty names

But the Powers' names reflecting the glory above

Will bring about the demons' destruction and remove their Power.

That is why each has two names.

Yaldabaoth modeled his creation  
 On the pattern of the original realms above him  
 So that it might be just like the indestructible  
 realms.

[Not that he had ever seen the indestructible  
 ones.

Rather, the power in him, deriving from his  
 mother,  
 made him aware of the pattern of the cosmos  
 above.]

When he gazed upon his creation surrounding him  
 He said to his host of demons  
 The ones who had come forth out of him:  
 “I am a jealous God and there is no God but me!”

[But by doing this he admitted to his demons  
 that there is indeed another God.

For, if there were no other God, whom would he  
 possibly be jealous of?]

His mother began to move back and forth  
 Because she had become aware that she now  
 lacked Light  
 For her brightness had dimmed.

[Since her consort had not approved of her  
 actions, she grew darker]

[I said “Master, what does it mean ‘she moved back and  
 forth’?”

He laughed, saying, “It’s not as Moses said ‘upon the  
 waters.’ Not at all.”]

When she saw the evil that had taken place and  
 The theft of light that her son had committed  
 She repented.

In the darkness of ignorance  
 She began to forget.  
 She began to be ashamed.  
 But she could not yet return above  
 Yet she began to move.  
 And so she moved back and forth.

[The arrogant one removed Power from his mother  
 For he was ignorant  
 He thought no one existed except for his mother.  
 He saw the host of demons he had created  
 And he elevated himself above them.  
 But when the mother realized that that miscarriage  
 Was so imperfect  
 She came to realize that her consort had not  
 approved.  
 She repented and wept furiously.]

All of the divine realms (pleroma) heard her repentant prayer

They sought blessing for her from the Invisible Virgin Spirit.

The Spirit consented.

He poured the Holy Spirit over her

Brought forth from the whole full realm.

[Her consort did not come down to her on his own, but he came through the whole full realm to restore her to her original condition.]

She was elevated above her son,

But she was not restored to her own original realm.

She would remain in the ninth sphere until she was fully restored.

### *Humanity Begins*

Then came a voice from the highest realms saying:

“The Man exists! And the Son of Man!”

Yaldabaoth, chief ruler, heard it

He thought it came from his mother

He did not know the true source of the voice:

The Holy Mother-Father

Perfect Providence

Image of the Invisible

Father of Everything

In whom everything has come to

be.

The First Man

[This is the one who appeared to them.

He appeared in the form of a human being.]

All of the realm of the chief ruler quaked!

The foundations of the abyss moved!

He illuminated the waters above the world of matter,

His image shown in those waters.

All the demons and the first ruler together gazed up

Toward the underside of the newly shining waters.

Through that light they saw the Image in the waters.

Yaldabaoth said to his subordinate demons:

“Let’s create a man according to the image of God

And our own likeness

So that his image will illuminate us.”

Each one through another’s Power created aspects of the man;

Each added a characteristic corresponding to the

psychic factors  
 They had seen in the Image above them.  
 They made a creature of substance  
 In the likeness of that perfect First Man  
 And they said, "Let us call him Adam, so that his name  
 will give us the power of light."

### ***Construction of the Human Body***

The seven Powers began to work:

- . Goodness made a psyche of bone
- Providence made a psyche of sinew
- Divinity made a psyche of flesh
- Lordship made a psyche of marrow
- Kingdom made a psyche of blood
- Zeal made a psyche of skin
- Understanding made a psyche of hair

The host of demons took these substances from the Powers to create the limbs and the body itself. They put the parts together and coordinated them.

The first ones began by making the head: Abron created his head; Meniggesstroeth created the brain; Asterechme the right eye; Thaspomocha, the left eye; Ieronumos, the right ear; Bissoum, the left ear; Akioreim, the nose; Banenrphroum, the lips; Amen, the front teeth; Ibikan, the molars; Basiliademe, the tonsils; Achcha, the uvula; Adaban, the neck; Chaaman, the neckbones; Dearcho, the throat; Tebar, the shoulder; Mniarcon, the elbow; Abitriion, the right arm; Evanthen, the left arm; Krys, the right hand; Beluai, the left hand; Treneu, the fingers of the right hand; Balbel, the fingers of the left hand; Krیمان, fingernails; Astrops, the right breast; Barroph, the left breast; Baoum, the right shoulder joint; Ararim, the left shoulder joint; Areche, the belly; Phthave, the navel; Senaphim, the abdomen; Arachethopi, the right ribs; Zabedo, the left ribs; Barias, the right hip; Phnouth the left hip; Abenlenarchei, the marrow; Chnoumeninorin, the skeleton; Gesole, the stomach; Agromauna, the heart; Bano, the lungs; Sostrapal, the liver; Anesimalar, the spleen; Thopithro, the intestines; Biblo, the kidneys; Roeror, the sinews; Taphreo, the spine; Ipouspoboba, the veins; Bineborin, the arteries; Atoimenpsephei, respiration; Entholleia, the flesh; Bedouk, the right buttock; Arabeei, the penis; Eilo, the testicles; Sorma, the genitals; Gormakaiochlabar, the right thigh; Nebrith, the left thigh; Pserem, the kidneys of the right leg; Asaklas, the left kidney; Ormaoth, the right leg; Emenun, the left leg; Knyx, the right shin; Tupelon, the left shin; Achiel, the right knee; Phnene, the left knee; Phiouthrom, the right foot; Boabel, its toes; Trachoun, the left foot; Phikna, its toes; Miamai, the toenails.

And those who were appointed over all of these are:

Zathoth,  
 Armas,  
 Kalila,  
 Iabel,  
 Sabaoth,  
 Cain,  
 Abel.

The energizing powers in the limbs were divided among:

the head made by Diolimodraza; the neck by Yammeax;  
 the right shoulder Yakouib; the left shoulder Verton; the  
 right hand Ouididi; the left Arbao; the fingers of the  
 right hand Lampno; the fingers of the left hand  
 Leekaphar; the right breast Barbar; the left breast Imae;  
 the chest Pisandriaptes; the right shoulder joint Koade;  
 the left shoulder joint Odeor; the right ribs Asphixix;  
 the left ribs Synogchouta; the abdomen Arouph; the  
 womb Sabalo; the right thigh Charcharb; the left thigh  
 Chthaon; the genitals Bathinoth; the right leg Choux;  
 the left leg Charcha; the right shin Aroer; the left shin  
 Toechtha; the right knee Aol; the left knee Charaner; the  
 right foot Bastan; its toes Archentechtha; the left foot  
 Marephnounth; its toes Abrana.

Seven govern the whole body:

Michael,  
 Ouriel,  
 Asmenedas,  
 Saphasatoel,  
 Aarmouriam,  
 Richram,  
 Amiorps.

The one who governs perceptions: Archendekta  
 The one who governs reception: Deitharbatas  
 The one who governs imagination: Oummaa  
 The one who governs integration: Aachiarum  
 The one who governs impulse: Riaramnacho.

There is a fourfold source of the bodily demons:

Hot, Cold, Dry, Wet.

[Matter is the mother of them all.]

Ruler of hot:	Phloxopha
Ruler of cold:	Oroorrothos
Ruler of dry:	Erimacho
Ruler of wet:	Athuro.

Their mother stands among them: Onorthochrasaei  
 She is unlimited  
 She mixes with all of them.  
 She is matter  
 And they are nourished by her.

The four chief demons are:  
 Ephememphi, associated with pleasure,  
 Yoko, associated with desire,  
 Nenentophni, associated with distress,  
 Blaomen, associated with fear.  
 Their mother is Esthesis-Zouch-Epi-Ptoe.

Out from these four demons come passions:  
 From distress arises  
 Envy, jealousy, grief, vexation,  
 Discord, cruelty, worry, mourning.

From pleasure comes much evil  
 And unmerited pride,  
 And so forth.

From desire comes  
 Anger, fury, bitterness,  
 outrage, dissatisfaction  
 And so forth.

From fear emerges  
 Horror, flattery, suffering, and shame.

[Their thought and truth is Anayo, the ruler of the  
 material soul.  
 It belongs with the seven senses, Esthesis-Zouch-Epi-  
 Ptoe.]

This is the total number of the demons: 365  
 They worked together to complete, part by part, the  
 psychical and the material body.

There are even more of them in charge of other passions  
 That I didn't tell you about.  
 If you want to know about them  
 You will find the information in the Book of  
 Zoroaster.

All of Yaldabaoth's servants and his demons  
 Worked to finish the psychic body.  
 For a very long time it lay inanimate  
 It did not move.

Yaldabaoth's mother wanted to take back the Power  
 She had turned over to the Chief Ruler.  
 She earnestly asked the most merciful,

The Mother-Father of everything,  
For help.

### *Yaldabaoth Deceived*

By His sacred command He sent down the five Lights  
In the forms of the principal advisors to  
Yaldabaoth.

[This led to the removal of Yaldabaoth's  
mother's divine Power from him.]

They told Yaldabaoth:

“Blow some of your Spirit in the man's face,  
Then his body will rise up.”

Yaldabaoth blew some of his Spirit into the man.

That Spirit was the divine Power of his mother.

[He didn't understand what was happening, for he lived  
in ignorance.]

His mother's divine Power left Yaldabaoth  
It entered the psychic human body  
Modeled on the primordial image.

The human body moved!  
It grew powerful!  
It shone!

Yaldabaoth's demonic forces envied the man.

Through their united efforts he had come into  
being

They had given their Power to him.

His understanding was far greater than that of those  
who had created him.

And greater than that of the Chief Ruler  
himself.

When they realized that he shone with light  
And could think better than they could  
And was naked of evil,

They took him and cast him down  
Into the lowest depths of the material world.

### *The Beginning of Salvation*

The blessed one.

The Mother-Father

The good merciful one

Looked compassionately upon the Mother's Power

Relinquished by the Chief Ruler.

Since Yaldabaoth's demons might again overpower the  
perceptible psychic body

He sent down from his good Spirit a helper for Adam,

Out of his great compassion

A light-filled Epinoia emerged.

And he called her Life (Zoe).

She aids the entire creation

Working with him

Restoring him to the fullness.

She taught Adam about the way his people had descended

She taught Adam about the way he could ascend,

Which is the way he had descended.

The light-filled Epinoia was hidden in Adam.

So that the rulers wouldn't know about her

For Epinoia would repair the disaster their mother had caused.

[Adam was revealed because within him dwelt the shadow of light.

His mental abilities were far greater than those of his creators.

They had gazed upward and seen his exalted mental capability.]

The host of rulers and demons plotted together

They mixed fire and earth and water

Together with four blazing winds

They melded them together in great turbulence.

Adam was brought into the shadow of death.

They intended to make him anew

This time from

Earth,

Water,

Fire,

Wind,

Which are

Matter,

Darkness,

Desire,

The Artificial Spirit.

This all became a tomb,

A new kind of body.

Those thieves bound the man in it,

Enchained him in forgetfulness,

Made him subject to dying.

[His was the first descent

And the first separation.

Yet the light-filled Epinoia within him will elevate his thinking.]

### *Adam in Yaldabaoth's Paradise*

The rulers took the man and put him into paradise

They told him to eat freely.

[Their food is bitter; their beauty is corrupt.  
 Their food is deceit; their trees are ungodliness.  
 Their fruit is poison.  
 Their promise is death.]

They placed the Tree of Their Life into the middle of  
 paradise.

[I will teach you (plural) the secret of their life:  
 The plan that they made together about an artificial  
 spirit.]

Its root is bitter  
 Its branches are dead.  
     Its shadow is hatred  
     Its leaves are deception  
 The nectar of wickedness is in its blossoms.  
     Its fruit is death  
     Its seed is desire  
 It flowers in the darkness.  
     Those who eat from it are denizens of Hades  
     Darkness is their resting place.

As for the tree called “The Knowledge Of Good And  
 Evil”

    It is the Epinoia of the light.  
 They commanded him not to eat from it,  
 Standing in front to conceal it,  
     For fear that he might look upwards to the  
 fullness  
     And know the nakedness of his indecency.

[However, I caused them to eat.

I asked the Savior,  
 “Lord, isn’t it the serpent that caused Adam to eat?”

He smiled and replied,  
 “The serpent caused them to eat  
 in order to produce the wickedness of the desire to  
 reproduce  
 that would make Adam helpful to him.”]

The chief ruler, Yaldabaoth, knew that  
     Because the light-filled Epinoia within Adam  
     Made his mental abilities greater than his own,  
     Adam had been disobedient.  
 In order to recover the Power that he had put into Adam  
     Yaldabaoth made Adam completely forgetful.

[I asked the Savior, “What is it to be ‘completely  
 forgetful?’”

He replied, “It is not what Moses wrote in his first  
 book:  
 ‘He caused Adam to fall into deep sleep’  
 Rather, Adam’s perceptions were veiled

And he became unconscious.  
 As he (Yaldabaoth) said through his prophet:  
 'I will make their minds dull so that they do not see or  
 understand.'"]

### ***Woman Comes into Being***

The light-filled Epinoia hid deep within Adam.  
 The Chief Ruler tried to remove her from his  
 ribcage,  
 But Epinoia cannot be captured.  
 Although the darkness pursued her it did not catch her.

The Chief ruler did remove a portion of his Power from  
 Adam

To create a person with a woman's form  
 Modeled on the light-filled Epinoia that had  
 been manifested to him.  
 He placed the Power removed from the man into the  
 woman.

[It did not happen the way Moses said it did:  
 "he took a rib and made the woman."]

Adam saw the woman standing next to him.  
 The light-filled Epinoia immediately appeared to  
 him  
 She raised up the veil that dulled his mind.  
 He sobered up from the dark drunkenness  
 And he recognized his own counterpart.

He said: "This is bone from my bones  
 Flesh from my flesh."  
 Because of this a man will leave his mother and father  
 And be joined to a woman and those two will become  
 one flesh.  
 For they will send his helper to him.

[Sophia, our sister, came down  
 Descending innocently  
 So as to regain what she had lost.  
 Therefore she was called Life.  
 The Mother of the Living  
 The one from the Providence of the Authority of  
 Heaven  
 By her assistance people can achieve perfect  
 knowledge.]

I appeared as an eagle perched on the Tree of  
 Knowledge!  
 [Which is the Epinoia from the pure Providence  
 of Light.]  
 In order to teach them  
 And raise them up from sleep's depths.

[For the two of them were fallen and aware of  
 their nakedness.

Epinoia appeared as a being full of light  
She enlightened their minds.]

When Yaldabaoth discovered that they had moved away  
from him

He cursed his earth.

He located the woman as she was preparing  
herself for her man.

He gave the woman over so that the man might be her  
master,

Because he did not know the secret of the divine  
strategy.

The man and woman were too terrified to renounce  
Yaldabaoth,

Who showed his ignorance to his angels

And he cast both of them out of paradise

Dressing them in heavy darkness.

The Chief Archon saw the young woman who was  
standing by Adam.

He realized that the light-filled Epinoia of life  
was within her.

Yaldabaoth became completely ignorant.

[When the Providence of all saw what was  
going to happen

She sent assistants to remove Divine Life from  
Eve.]

Yaldabaoth raped Eve.

She bore two sons.

[Elohim was the name of the first.

Yahweh was the name of the second.

Elohim has a bear's face.

Yahweh has a cat's face.

One is righteous;

One is not.

Yahweh is righteous;

Elohim is not.

Yahweh would command fire and wind

Elohim would command water and earth.]

Yaldabaoth deceptively named the two: Cain and Abel.

[From then until now sexual intercourse has persisted

Thanks to the Chief Ruler

Who put desire for reproduction into the woman  
who accompanies Adam.

Through intercourse the Ruler caused new  
human bodies to be produced

And he blew his artificial spirit into each of  
them.]

Yaldabaoth installed the two with authority over natural  
elements

So they can to rule over the tomb.

### ***The Children of Seth Populate the World***

Adam had intercourse with the image of his  
foreknowledge (prognosis)  
He begot a son like the Son of Man  
And he called that son Seth  
Modeling him on the heavenly race in the higher  
realms.

In the same way the mother sent down her spirit  
The image of herself  
A model of the full higher realm,  
In order to prepare a place for the descent of the  
realms.

The Chief Ruler, though, forced the humans to drink  
From waters of forgetfulness  
So that they might not know their true place of  
origin.

The children (of Seth) remained in this condition for a  
while  
In order that when the Spirit descends from the holy  
realms  
The Spirit can raise up the children and heal them from  
all defects  
And thus restore complete holiness to the fullness of  
God.

### ***Six Questions about the Soul***

I asked the Savior, "Lord, will every soul be saved and  
enter the pure light?"

He replied, "You are asking an important question, one  
it will be impossible to answer for anyone who is not a  
member of the unmoved race. They are the people upon  
whom the Spirit of Life will descend and the power will  
enable them to be saved and to become perfect and  
worthy of greatness. They expunge evil from  
themselves and they will care nothing for wickedness,  
wanting only that which is not corrupt. They will  
achieve freedom from rage, envy, jealousy, desire, or  
craving."

"The physical body will negatively effect them. They  
wear it as they look forward to the time when they will  
meet up with those who will remove it. Those people  
deserve indestructible eternal life. They endure  
everything, bearing up under everything that happens so  
that they can deserve the good and inherit life eternal."

Then I asked him, "Lord, what about the souls who  
didn't do these things even though the Spirit of Life's  
power descended on them?"

He answered, "If the Spirit descends to people they will be transformed and saved. The power descends on everyone and, without it, no one can even stand up. After they are born, if the Spirit of Life increases in them, power comes to them and their souls are strengthened. Nothing then can leave them astray into wickedness. But if the artificial spirit comes into people, it leads them astray."

Then I said, "Lord, when souls come out of the flesh where do they go?"

He replied, smiling, "If the soul is strong it has more of power than it has of the artificial spirit and so it flees from wickedness. With the assistance of the Incorruptible One that soul is saved and it attains eternal rest."

I then asked him, "Lord, what of the souls of the people who do not know whose people they are? Where do they go?"

He responded, "In those people the artificial spirit has grown strong and they have gone astray. Their souls are burdened, drawn to wickedness, and cast into forgetfulness."

"When they come forth from the body, such a soul is given over to the powers created by the rulers, bound in chains, and cast into prison again. Around and around it goes until it manages to become free from forgetfulness through knowledge. And so, eventually, it becomes perfect and is saved."

Then I asked, "Lord, how does the soul shrink down so as to be able to enter its mother or a man?"

He was happy that I asked this and said, "You are truly blessed because you have understood. The soul should be guided by another within whom is the Spirit of Life. It will be saved by that means and accordingly will not have to enter a body again."

And I said, "Lord, what happens to the souls of people who achieved true knowledge, but who turned away from it?"

He said to me, "Demons of poverty will take them to a place where there is no possibility of repentance. There they will stay until the time when those who blasphemed against the spirit will be tortured and subjected to punishment forever."

I asked, "Lord, where did the artificial spirit come from?"

And he told me:

### *Three Plots against Humanity*

The Mother-Father is merciful  
 A Holy Spirit sympathizing with us.  
 Through the Epinoia of the Providence of the light  
 It raises up the children of the perfect race  
 Raising up their thought, their light eternal.

When the Chief Archon learned that they were elevated  
 above him  
 And that their mental ability surpassed his  
 He wanted to put a stop to their thought  
 But he did not know the extent of their mental  
 superiority  
 And he could not stop them.

He made a plan with his demons  
 Who are his powers  
 Each of them fornicated with Wisdom (Sophia)  
 And produced fate  
 The last variety of imprisonment.

Fate changes unpredictably  
 It is of different sorts just as the demons are of  
 different sorts.  
 Fate is hard.  
 Fate is stronger than  
 The gods, the authorities, the demons, the  
 generations of people  
 Who are caught up in it.

Out of fate emerged  
 Sinfulness, violence, blasphemy, forgetfulness,  
 ignorance,  
 Weighty commandments  
 Heavy sins  
 Terrible fear.  
 In this way all of creation became blind,  
 Ignorant of God above everything.

Because of imprisonment in forgetfulness  
 They are unaware of their sins,  
 They are bound into periods of time and seasons  
 By fate who is lord of it all.

Yaldabaoth eventually came to regret everything he had  
 created.  
 He decided to bring a great flood  
 Upon creation, upon mankind.

But the great light of Providence warned Noah.  
 He preached to all of the children,  
 The sons of men,  
 But if they were strangers to him they didn't listen.

[It was not the way Moses said: "they hid in an ark."

Rather, they hid in a special place,  
 Not just Noah  
 but also many other people from the immovable race.

They went into hiding within a cloud of light.]

Noah knew his own authority  
 And that of the light Being who illuminated them  
 Although the Chief Ruler poured darkness over all the world.

The Chief Ruler and his powers plotted a strategy,  
 To send his demons to human daughters  
 And make themselves children by them to enjoy.  
 But they failed.

After their failure they made another plan.  
 They created an artificial spirit  
 Modeled on the Spirit who descended  
 So, to impregnate souls by means of this spirit,  
 The demons changed appearance  
 to look like the women's husbands  
 They filled the women with that spirit of darkness and wickedness.

They brought into being  
 Gold and silver,  
 Money and coins,  
 Iron and other metals and all things of this sort.

And the people who were attracted were led astray into troubles  
 And were greatly misled.  
 And grew old  
 Experiencing no pleasure,  
 And died  
 Finding no truth,  
 Never knowing the true God.

This is the way that they enslaved all of creation  
 From the foundation of the world until now.

[They took some women and produced children out of darkness

And they closed their hearts  
 And they hardened themselves  
 in the hardness of their artificial spirit  
 Until the present day.]

## *The Providence Hymn*

I am the Providence of everything.  
I became like my own human children.

I existed from the first.  
I walked down every possible road.

I am the wealth of the light.  
I am the remembering of the fullness.

I walked into the place of greatest darkness and on  
down.  
I entered the central part of the prison.

The foundations of chaos quaked.

I hid because of their evil.  
They did not recognize me.

I came down a second time  
continuing on.

I emerged from among those of light  
I am the remembering of Providence

I entered the middle of darkness,  
The inner part of the underworld  
To pursue my mission.

The foundations of chaos quaked.  
Threatening to collapse upon all who were there  
And utterly destroy them

I soared upward again  
To my roots in light  
So as not to destroy them all yet.

I descended a third time.

I am light  
I am dwelling in light  
I am the remembering of Providence

I entered the midst of darkness  
I came to the deepest part of the underworld.

I let my face light up  
Thinking of the end of their time  
I entered their prison  
The body is that prison

I cried out:  
“Anyone who hears,

Rise up from your deep sleep!”

And the sleeping one awoke and wept  
 Wiping bitter tears saying  
 “Who calls me?”  
 “Where has my hope come from  
 As I lie in the depths of this prison?”

“I am the Providence of pure light,” I replied,  
 “I am the thought of the Virgin Spirit  
 Raising you up to an honored place.  
 Rise up!

Remember what you have heard.  
 Trace back your roots  
 To me.

The merciful one.  
 Guard against the poverty demons.  
 Guard against the chaos demons.  
 Guard against all who would bind you.  
 Awaken!  
 Stay awake!  
 Rise out of the depths of the underworld!

I raised him up  
 I sealed him with the light/water of the five seals.  
 Death had no power over him ever again.

I ascend again to the perfect realm.  
 I completed everything and you have heard it.”

### ***Conclusion***

“I have told you everything now so that you can write it  
 all down  
 And share it with your fellow spirits secretly  
 For this is the mystery of the unmoved race.”

The Savior gave all of this to him to write and to keep  
 carefully. He said to him, “Anyone who exchanges it  
 for a present, or for food, or for drink, or for clothing, or  
 for anything else of that sort will be cursed.”

These things came to John in a mystery.  
 Instantly the Savior vanished.

John came to his fellow disciples and told them what  
 the Savior had said to him.

Jesus the Christ.  
 Amen.
