

SECURE, DYNAMIC COMMUNICATIONS ARE VITAL TO OUR BUSINESS

AIRWAVE IN-LIFE SERVICE SUPERVISOR AND FLEETMAPPER

Grade 4 – £31,447 • Ref: P0501103 • East Midlands

Drug Trafficking? People Smuggling? Money Laundering? Whatever their business, organised criminals are sharp and resilient. They have to be to cost some £40 billion a year. Now we're counter-attacking at the new Serious Organised Crime Agency. By keeping ahead of criminals and using every lawful means at our disposal, we'll destroy their complex networks and make the UK the most difficult place for them to operate. It takes experts from all types of backgrounds to hit criminals where it hurts.

Working in our purpose built control centre in the East Midlands you will be providing operational support to the first

national covert Airwave communications system. The work is ground breaking and you will need the highest levels of integrity and professionalism.

You will supervise the Airwave Control Centre Operational staff and systems ensuring efficient and timely responses to operational requirements and system demands. You will need to demonstrate proven supervisory skills, be a leader and team player. Fleetmapping experience is an essential requirement of this post.

The SOCA Airwave Service Team provide a 24/7 service. For more information about this role and

details of how to apply, please visit our website **www.soca.gov.uk**

Closing date for applications:
Friday 25th April 2008.

Interviews scheduled for week
commencing: 12th May 2008.

All successful applicants will need
to successfully complete DV vetting.

SOCA is totally committed to the principles of equality and diversity and we welcome applications from all sections of the community. All appointments will be made on merit and flexible working options will be considered.
