REFERENCE: OPC Regulation No. 10-2

1. It is requested that an operational clearance be made on subject individuals in order that they may receive special training specified in project FEGRUET.

2. Project FEGRUET provides for the recruiting and training of limited number of non-United States citizens with appropriate qualifications for a particular program.

3. Four names have already been submitted to your office in reference to the same clearance. As sufficient background information is acquired, more names will be submitted.

4. To avoid any indication of CIA interest in the matter, it is suggested that no Government interest be shown in the investigation of the subject individuals.

5. Enclosed are Attachments "A" through "G" which contain background information required to conduct the proposed operational clearance on the subject individuals.
