b. Type of Clearance:

A supplement on this subject will be sent since some of the files are at CSOB, some at CSOB/K and some at Landsberg.

c. Each man, except the Chief cook, receives 250 DM salary monthly. The Chief cook receives 300 DM since he was guaranteed the same salary he received "in civilian life" at the time of his recruitment.

Approximately \$50.00 is spent each month for recreations: athletic equipment, etc.

Laundry, mainly from the kitchen, averages 150 DM a month.

Miscellaneous equipment and maintenance of clothes and other items averages 300 DM per month.

Rationed supplies (per week per man: one carton of cigarettes, two or three bars of soap, four chocolate bars) come to about \$100.00 per month. No liquor ration although coca cola and beer are included under food.

Food averages 4000 DM plus \$300.00 monthly. This comes out in dollars to \$1.90 per man per day counting the two American staff members.

(The food is excellent and is calculated to make up for the fact that these men have less freedom than do the members of a normal Labor Service Company.)

Medical expenses including dentist bills, etc. average 100 DM per month.

d. The main installations at Landsberg consist of two buildings, an office building and a combination barrack-building and mess hall.
