REDSOX

Report by Ukrainian Agent of Broadway

Reference: WELA-8362, 2 May 1952

1. I have been informed by SMEDDUM that during the recent talks on REDSOX matters here in London, [ ] [ ] asked Broadway officers why Broadway had withheld from them information provided in the attachment to reference. SMEDDUM states that it was rather disconcerting for Broadway officers to learn that our people ~~for~~ whom this document was intended had not seen it and that their lack of knowledge of its contents meant that this rather important matter could not be included in their discussions.

2. Our records show that reference with attachment was forwarded to Headquarters, Frankfurt, and Munich on 2 May 1952. Confirmation of the receipt of this document (with date) would be appreciated.
