MEMORANDUM FOR: Chief, SR/PP

ATTENTION : []

SUBJECT : Renewal and Revision of Project Outline and
Administrative Plan - AERODYNAMIC (PP)

1. At the request of [] of the OGC staff I have discussed with [] the effect which incorporation of the organization under this project will have on the related FI project AECARTHAGE - formerly AERODYNAMIC (FI).

2. As case officer for AECARTHAGE [] is very much interested in improving the coordination between the FI and PP aspects of the use of the emigre group in New York City with which [] and [] both deal. [] does not have any objection to the incorporation itself.

3. Since AECARTHAGE and AERODYNAMIC are so closely inter-related Mr. Basarab has indicated that he would appreciate an opportunity to review the proposed revision of the AERODYNAMIC project outline in draft form.

4. In the most recent approval of a renewal of AECARTHAGE there was criticism by the FI Staff of the extent to which FI funds had been used for PP purposes. While a meticulous segregation of expenditures is admittedly difficult the cooperation of the agents in improving this phase of their accounting should be enlisted.
