ACTION REPORTEDA) By Field

The distribution of the newspaper published in Germany has been continued including the 500 copies mailed inside the U.S.R. The printing of the Prolog Magazine has been cancelled because it was found that during the years' delay, the material became obsolete and therefore the magazine has to be re-edited and rearranged. This work will be done in New York and after it will be accomplished, the printing probably will be carried out through our facilities in Washington.

B) By Headquarters

1. The third issue of the UHVR Bulletin was prepared and will be distributed in April. The next issue, number four, for the month of May will be ready for printing at the end of April.

2. The new system of accounting has been introduced for the Prolog Associates and a set of books has been installed at the Prolog Associates headquarters in New York by the comptrollers office.

3. The trip to Europe for AEGASOWARY 2 is being planned for the month of May since he has already received his certification as a U.S. citizen.

4. In connection with the AEGASOWARY 2 trip to Europe and the proposed re-organization of the entire project, discussions were held with the group in New York as to the possibility of arranging for private financial support of certain phases of the UHVR activities.

5. PYREX broadcast are continuing on the same schedule and the scripts prepared by the Prolog Associates are emphasizing the existing trends for liberation of Ukrainian national activities within USSR.

6. The support of the Ukrainian broadcast from Radio National in Madrid is continuing along the same lines.

7. Plans are being developed for the utilization of UHVR world wide connection in order to extend and develop the activities of REDKIN type.
