MEMORANDUM FOR: Chief, Safehouse Branch
Office of Logistics

SUBJECT : Project AERODYNAMIC

REFERENCE : Regulation 45-1025

In reference to the safehouse at 875 West End Avenue, New York, N.Y., registered in the name of subject project, we wish to submit the following:

a. Its status as a safehouse, for operational reasons, should now be cancelled. The cover organization, in whose name these premises were rented, has been incorporated under the laws of the State of New York and it would not serve our purpose to carry this rental contract among those devoted to safehouse properties.

b. The cover organization, known as Prolog Research and Publishing Association, Inc., has contracted for these premises in its own name as a subsidy project. The only aspect of the safehouse relationship which we would like to carry further would comprise the security check conducted by your Branch.
