MEMORANDUM FOR: Chief, Monetary Division  
Office of Finance  
Room 713 Key Building

VIA: Central Cover Staff  
Attn: [ ]

SUBJECT: Request for Assistance in Establishing a  
Bank Account in the Name of Prolog  
Research Corporation

1. The assistance of the Office of Finance is requested in establishing a [ ] bank account in the name of Prolog Research Corporation (875 West End Avenue, New York, New York 10025), for use in funding the Munich operation of Project ABRODYNAMIC, the Ukrainische Gesellschaft fur Auslandsstudien e.V. (8 Munchen 2, Karlsplatz 8/III, Bundesrepublik Deutschland). The latter is not witting of CIA involvement and, except for one individual (AECASSOWARY/3), is under the impression that its funds come from Prolog. For cover and control purposes it is necessary to preserve this impression.

2. The Munich office will be in need of funds in early July. An allotment of \$ [ ] will be requested as an initial amount for opening the bank account in the name of Prolog. (See Form 281, Request for Funds, attached.) This will allow for a transfer of \$ [ ] to the Munich office shortly following the account opening, leaving the amount of \$ [ ] to keep the Prolog account open in [ ]. During the course of the fiscal year a total amount of approximately \$ [ ] will be processed through the account, probably in quarterly installments.

3. There is no particular preference for the city in which the account is to be located. [ ] would be a first choice merely because Prolog has a collaborator located in the city who could be used in the event there is any need for personal contact at the bank. However, it is not important for the account to be located in [ ], and we leave it up to the Office of Finance to establish the account in whatever city in [ ] it finds it most practicable to so do.
